Rise And Fall Of Vajpayee Government:

Rise and Fall of Vajpayee Government O. P. Gupta, 2004-01-01 It Is A Study That Looks Closely At The Establishment And Consequent Journey Of Vajpayee Government At The Centre Brings Out The Plus Points And Achievements Of Nda Government And Finally Talks About The Seams Particularly In The Defence And Disinvestment Seeks And The Failure Of The Gujrat Government In Maintenance Of Communal Peace And Harmony All Of Which Have Led To The Fall Of The Government And Its Substitution By A New Government Heard By Dr Manmohan Singh **Divine Revelations Of A Sai**

Devotee Prof. S. P. Ruhela, **India's Long Road** Vijay Joshi, 2017 India's surge in high well sustained economic growth captured the world's attention for much of the period from the 1990s to the early 2010s Often paired with China as being at the leading edge of emerging economies the last few years have witnessed shortfalls in India's performance which have also occurred in the cases of other BRICS namely Brazil Russia and South Africa India is now facing a possible fiscal crisis higher inflation greater concentration of economic wealth and a slowdown in productivity While its business sector remains vigorous the Indian state has not yet found a viable way to fund food subsidies or come to grips with the costs of its employment guarantee program Corruption also hinders growth at many turns All these factors bring into question how feasible or wise it is for India to pursue a path toward global political power rather than concentrate on improved economic engagement worldwide Dr Joshi believes India's economic problems are serious and systemic not a temporary blip His analysis sets forth that the only way the country can truly prosper is to find the means to return to the earlier levels of growth through massive economic reform This policy reorientation calls for eliminating price controls as well as both explicit and hidden subsidies to industries introduction of direct cash transfers to the poor in place of the state's own costly production of goods and services and an aggressive move toward privatization rather than over reliance on family firms and widely held corporations Without these the requisites of economic stability cannot be fully established let alone propel significant growth *NCERT Political Science Class 12*

 Vohra, 2012-12-19 Designed for undergraduate and graduate courses in Indian civilization and history this text provides a
 sweeping look at the long and varied history of India and how this complex legacy has shaped and is shaping the nation's
 modern polity It offers unique political historical coverage of India from pre history into the 21st century Part I offers an
 overview of Pre modern India from pre history to 1857 Part II covers India under the British from 1859 to 1947 Part III the
 major portion of the text looks at Independent India after 1947 An Epilogue brings the book full circle with a portrait of
 modern India contrasted to modern China mirroring the comparison of traditional India with traditional China in the opening
 chapters **Ballots and Breakups** Sunita Aron, 2019-06-24 Winning elections is not everything what is crucial for the good
 health of a robust democracy is forming a government From strategically devised pre poll alliances to hastily stitched
 together post poll associations noted journalist Sunita Aron has travelled the length and breadth of the country painstakingly
 documenting the drama and dharma of coalition politics in India The result of her exhaustive research and insightful analysis
 Ballots and Breakups is a cracker of a read As Indian voters deliver fractured verdicts political parties resort to constructing
 fragile coalitions by hook or by crook The hapless casualties of this relentless quest for power are the Indian voters and this
 book is for them as the writer eloquently exhorts for the need of common guidelines on the formation of a government in the
 case of a hung house A gripping take on coalition politics in India Aron charts a riveting tale of modern Indian politics that
 has all the masala of a Bollywood potboiler but the ending the writer asserts has to be happy like that of any Hindi film stable
 governments and a prosperous society even in a hung house **Political Science Class 12 [Bihar & JAC]** Dr. J. C.
