small bag of clothing was taken away from her family and her home As they drove away she promised herself one day she d return Years later a single mother of three Tina and her children were blessed with that promise After fifteen years of memories it ended in a devastating fire Her family separated Instead of succumbing to despair hope and gratitude prevailed Moving six times each rental home brought her back to the river where she rose early every morning to watch the sunrise once again As she traversed its length and photographed the landscape she forged a new path for herself and to share with others Rise and Shine is a collection of positive affirmations and photographs of the land that encouraged Tina s self healing journey As the seasons shift and turn her keen eye honours the changing textures and colours of her view These snapshots illustrate the connection between the spiritual and natural the ways we can find peace in both The river inspires the daily affirmations from celebrating the good and accepting the bad to remembering to ground ourselves in this very moment the here and now Each day offers a new view a different way of seeing ourselves and the world outside our windows Rise and Shine reminds us of the countless blessings life has to offer All we must do is rise no matter the weather **Rise and Shine** Elda Cadogan,2024-06 This delightful play is the winner of more than forty awards Handsome young Philip Grant is dazed when he awakens in a cemetery and finds his name on a headstone He cheers up enormously however when a winsome Hepsibah rises from her grave to join him When Hepsibah s old husband Henry and his second wife Jane turn up the comedy reaches a terrifically funny conclusion **The Glass Menagerie** Tennessee Williams,1996 This series of plays for the 11 16 age range offers contemporary drama and new editions of classic plays The series has been developed to support classroom teaching and to meet the requirements of the National Curriculum Key Stages 3 and 4 The plays are suitable for classroom reading and performance many have large casts and an equal mix of parts for boys and girls Each play includes strategies and activities to introduce and use the plays in the classroom The Glass Menagerie tells the story of Tom who is frustrated in his job and distressed at home by the mental withdrawal of his crippled sister Both of them are intrigued by a set of glass figures There are four parts two male and two female **United States Plant Patents** United States.
