RISKY CHRISTIANITY

A NEW WAY FOR GOD'S PEOPLE

How should a Christian live? Many people equate goodness with playing it safe: go to church often and don't sin. But Bruce Larson believes that the truth goes much further than that simple formula. "I believe that God is eternally waiting and eager to call forth something from you that has never been said or thought of by anyone else since the beginning of time," he says. Such an invitation calls for each Christian to live aggressively and creatively, risking much to find the unique future God intended for you . . . a life marked by a growing, risking relationship with God, with yourself, and with the world around you.

This "new way for God's people"—in truth a revitalization of the risk-fraught life of the early Christian church—is already being discovered by thousands today. They are realizing the joy and fulfillment of being "risky Christians." With Bruce Larson as your guide, so can you.

"Tantalizing, provocative."—*Religion in the News*

"Beckons us on to the limitless potential of [the] church."

—*Book News Letter*

"Larson in full bloom."—*Christianity Today*

"A superb job in making the Christian faith plain."

—*James I. McCord, President, Princeton Theological Seminary*

"A refreshing statement on the open-endedness of life."

—*New York Review of Books and Religion*

Risky Christianity A New Way For Gods People:

Risky Christianity Bruce Larson,1981 **The Dangerous God** Dominic Erdozain,2017-10-02 At the heart of the Soviet experiment was a belief in the impermanence of the human spirit souls could be engineered conscience could be destroyed The project was in many ways chillingly successful But the ultimate failure of a totalitarian regime to fulfill its ambitions for social and spiritual mastery had roots deeper than the deficiencies of the Soviet leadership or the chaos of a command economy Beneath the rhetoric of scientific communism was a culture of intellectual and cultural dissidence which may be regarded as the prehistory of perestroika This volume explores the contribution of Christian thought and belief to this culture of dissent and survival showing how religious and secular streams of resistance joined in an unexpected and powerful partnership The essays in **The Dangerous God** seek to shed light on the dynamic and subversive capacities of religious faith in a context of brutal oppression while acknowledging the often collusive relationship between clerical elites and the Soviet authorities Against the Marxist notion of the ideological function of religion the authors set the example of people for whom faith was more than an opiate against an enduring mythology of secularization they propose the centrality of religious faith in the intellectual political and cultural life of the late modern era This volume will appeal to specialists on religion in Soviet history as well as those interested in the history of religion under totalitarian regimes **Perspectives on the World Christian Movement (4th Edition)** Ralph D. Winter,Steven C. Hawthorne,2009-06-01 **Perspectives on the World Christian Movement** presents a multi faceted collection of readings exploring the biblical historical cultural and strategic dimensions of world evangelization Writings from more than 150 mission scholars and practitioners over 60 of them new to this edition portray the history and anticipate the potential of the global Christian movement Every one of the 170 articles and side bars offers practical wisdom enabling Christians to labor together in bold biblical hope to finish the task of seeing that Christ is named and followed among all the peoples of the earth The Fourth Edition contains over 60 articles and sidebars that are new to this edition Many articles have been updated and revised **Cultivating Missional Communities** Inagrace T. Dietterich,2006-06-01 This study resource focuses upon Christian practices those behaviors by which congregations shape teach train equip cultivate their identity vision and mission as Christian communities Thus baptism Eucharist forgiveness ministry discernment and worship are practices through which a people are formed in a distinctive way of life Questions for reflection and discussion are included to stimulate use within groups for study learning and formation ***Christianity's Dangerous Idea*** Jonas E. Alexis,2010 Today many in Hollywood and the media have declared open warfare on the family education and Christianity in general Intellectuals have labeled religion particularly Christianity as mere wish fulfillment or a virus of the mind something to be eradicated at all costs In *Christianity's Dangerous Idea* Jonas Alexis picks up where he left off in his previous books and continues to examine the ideological fallacies that have been fabricated in order to attack Christianity and the people who promote those fallacies This latest book is a tour de force of rigorous logic and testable

evidence for the Christian worldview from history science experience common sense and final destiny More importantly Alexis subjects the rivals of Christianity to the same rigorous testing Christianity s Dangerous Idea clearly demonstrates the destructive nature of popular atheistic and anti Christian philosophies spread throughout Western culture by such famous people as Friedrich Nietzsche Sigmund Freud Carl Jung David Cronenberg Steven Spielberg Alan Moore William S Burroughs Philip K Dick Bruce Lee Ayn Rand Bart D Ehrman Richard Dawkins and many more In a scholarly yet readable fashion Alexis shows that what the ancient Greeks often referred to as the cult of Dionysus has become mainstream in our modern age

Spirit and Method Edwin Rodriguez-Gungor,2023-12-14 This book offers a generative and hospitable theological methodology rooted in the distinctives of pentecostal spirituality enlivened by a Spirited imagination and opened toward critical constructive and conciliatory dialogue with the wider Christian tradition This inter and cross disciplinary work is careful yet generous drawing together of knowledge and wisdom from different domains historical philosophical and theological in ways recognizably pentecostal and effectively missional The book begins with a description of the essence of pentecostal spirituality that holds true across the various pentecostalsisms Drawing largely on an innovative engagement with the insights of Rudolph Otto and an exploration of the dialectic between religious experience and theological development this book contends for an identifiable but mysterious something that makes pentecostalism truly pentecostal that is something more than one might sum up in any set of peculiar practices beliefs or behaviors The book also provides an overview of the intellectual history of English speaking pentecostalism specifying and assessing the movement s major philosophical underpinnings and socio cultural motivations Finally funded by an explicitly pentecostal metaphysics the book sets forth a significant and boldly original pneumatological theological methodology shaped by discerning conversation with the works of Amos Yong L William Oliverio Jr Wolfgang Vondey and Simo Frestadius among others

Faith Forward Volume 3 David Csinos,2018-05-30 In one of his best known songs Bruce Cockburn sings about lovers in a dangerous time Well there s no doubt that our world is under siege and that we are living in a dangerous time With massive crises threatening life all over our planet economic crises social crises ecological crises the list goes on and on our faith can t afford to ignore the reality of our diverse and fragile world Our faith needs to move or inspire us to get our hands not just dirty but downright bruised and bloody as we work against the tremendous forces of hatred death and suffering in our world That s what this third volume in the Faith Forward series is about It s about forming Christian lovers in the dangerous time in which we live It s about dousing the flames of hatred and suffering in our world by pouring out unconditional sacrificial love It s about having rich and meaningful and difficult conversations about how we can do ministry with children youth and families in ways that have the power to heal the world How can we empower children and youth to disrupt the world with God s love How can we empower them to overturn the tables and shatter the walls and to pour out compassion and justice and love in the world This kind of ministry isn t easy or popular work And it isn t going to pack kids into our church But it s truly life and death work

and we need to do it as embodiments of God's hope and healing Like the other books in this series Faith Forward Volume 3 collects the wisdom of some the leading thinkers and shakers and movers in the arena of ministry with children and youth including Alaa Basatneh Brian D McLaren Soong Chan Rah Waltrina N Middleton Daniel White Hodge Lisa and Mark Scandrette Marcia J Bunge Leslie Neugent Ivy Beckwith Eboo Patel Almeda M Wright and Amy K Butler **Congressional Record** United States. Congress,1969 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *Restoring At-Risk Communities* John M. Perkins,1996-02-01 This comprehensive handbook to urban ministry introduces and shows how to implement a Christian community development program *SCM Core Text: Christian Doctrine* Mike Higton,2013-01-25 The SCM Core Text Christian Doctrine offers an up to date accessible introduction to one of the core subjects of theology Written for second and third year university students it shows that Christian Doctrine is not a series of impossible claims to be clung to with blind faith Mike Higton argues that it is rather a set of claims that emerge in the midst of Christian life as Christian communities try to make enough sense of their lives and of their world to allow them to carry on Christian communities have made sense of their own life and the life of the wider world in which they are set as life created by God to share in God's own life They have seen themselves and their world as laid hold of God's life in Jesus of Nazareth and as having the Spirit of God's own life actively at work within them This book explores these and other central Christian doctrines and in each case shows how the doctrine makes sense and how it is woven into Christian life It will help readers to see what sense it might make to say the things that Christian doctrine says and how that doctrine might affect the way that one looks at everything the natural world gossip culture speaking in tongues politics dieting human freedom love High Noon justice computers racism the novels of Jane Austin parenthood death and fashion
