The Christian Year Journal A. M. Whitfield, 2021-05-19 This journal was created to lead Christians through the traditional liturgical year Each season begins with reflection questions and theology to consider and then is followed by pages upon which users can engage with the church seasons personally Message from the author I was raised in an evangelical church housed in the Bible Belt So when I was introduced to the church calendar and liturgy I was intrigued but

also a little bit lost I did not know where to start I knew I wanted to integrate this into my life But I do not go to a church which speaks of liturgy or church seasons I love my church I do not want to leave my church Early in this journey I wanted to find a church year planner I wanted something where I could write about what I was learning from the season but I also wanted the journal to include summaries of what the liturgical seasons meant I never found that journal So I made it If you would like to join me in this journey I would be honored IG a m whitfield Note this is a journal There are a few pages of writing but largely this is meant to be used to reflect not as a course of study
