Tell the Bosses We're Coming Shaun Richman, 2020-05-22 Lengthening hours lessening pay no parental leave scant job security Never have so many workers needed so much support Yet the very labor unions that could garner us protections and help us speak up for ourselves are growing weaker every day In an age of rampant inequality of increasing social protest and strikes and when a majority of workers say they want to be union members why does union density continue to decline Shaun Richman offers some answers in his book Tell the Bosses We re Coming It s time to bring unions back from the edge of institutional annihilation says Richman But that is no simple proposition Richman explains how important it is that this book is published now because the next few years offer a rare opportunity to undo the great damage wrought on labor by decades of corporate union busting if only union activists raise our ambitions Based on deft historical research and legal analysis as well as his own experience as
