Rocks Relics And Biblical Reliability:

Rocks, Relics, and Biblical Reliability Clifford A. Wilson, 1977 Knowing The Truth About The Reliability Of The Bible John Ankerberg, John Weldon, 2011-08-09 Skeptics verifies the accuracy shows why the evidence for biblical authority is superior to critics allegations **The Final Prophecy of Jesus** Oral E. Collins, 2007-06-01 This commentary is the first major work on the book of Revelation in many years that expounds the historicist interpretation The historicist school of interpretation was the dominant approach from Reformation times through most of the nineteenth century The reasons for the current disaffection are too complex to address in a few words but it is the author s conviction that from the standpoint of sound principles of biblical hermeneutics the historicist interpretation is still the most creditable approach for an accurate understanding of this the last book of the Bible and the final prophecy of Jesus *The Case for Faith* Lee Strobel, 2021-12-14 This timeless compelling and thought provoking book on the Christian faith now updated includes two all new chapters a current list of recommended resources for further study and a new discussion guide In *The Case for Faith* bestselling author journalist and former atheist Lee Strobel turns his investigative skills to the most persistent emotional objections to belief in God the eight heart barriers to faith Since evil and suffering exist a loving God cannot Since miracles contradict science they cannot be true Evolution explains life so God isn t needed God isn t worthy of worship if he kills innocent children It s offensive to claim Jesus is the only way to God A loving God would never torture people in hell Church history is littered with oppression and violence I still have doubts so I can t be a Christian This bestselling book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path For Christians it will deepen their convictions and give them fresh confidence in defending their faith to skeptical friends or during the hardest of times when they have to defend their faith to themselves in moments of doubt Also available *The Case for Faith* Spanish edition kids edition and student edition Plus be sure to check out Lee Strobel s entire collection of *Case for* books *The Case for Christ* investigates the historical evidence for Jesus *The Case for a Creator* explores the scientific evidence for God *The Case for Grace* uncovers the how and why behind God s amazing grace and more **Truth, Grace, and Security** Bruno Corduan, 2012-02-22 This book contains two stories but the first one is nested in the second one The first part is Bruno Corduan s short autobiography which begins with him as a boy in a family of rather limited means growing up in Germany during the Nazi era Having come to trust Christ at an early age and carrying no illusions about the Nazis or their opposition to biblical Christianity and those who practiced it one might wonder with what anxieties and uncertainties this boy must be struggling particularly as he gets old enough to be compelled into military service The surprising answer is none because he knows himself to be guided by God who will protect him physically as well as spiritually This unreserved trust becomes palpable in a number of instances that are worthy of being deemed miracles As Bruno continues his life into adulthood in the new Germany he never ceases to experience the guidance of God Having grown up in poverty we find him decades later as a

diplomat for the German government and for NATO negotiating multimillion dollar contracts having achieved greater success than anyone could have predicted Still Bruno never lost sight of who really was in charge of his life Thus simultaneous with his official duties we always find him actively engaged in promoting the work of the Lord He poured his life into this calling as much as into his professional vocation serving as pastor teacher leader and even church founder And thus we come to the second story This one is much larger cosmic in size and Bruno sees his life as just one small instance thereof In fact when he finally consented to write out the story of his life at age eighty two he would only do so if he could also include this much larger story namely the history of how God reached down to earth to establish a relationship with human beings through the life and death of his Son What is it that makes it possible for someone to lead a life such as Bruno s It is not human energy What he insists on throughout his exposition is that neither is it piety or religiosity It is the work of God who will awaken all people who believe in him from spiritual death and give them a life in which he will demonstrate that he is indeed the gracious and sovereign Lord of the universe In short the first part of this book is Bruno Corduan s autobiography The second part is his exposition of the gospel and of Christianity in which he is always reminding us that our salvation and walk with God are the consequences of God s gracious work and not of our own religious efforts

[A Zeal for God Not According to Knowledge](#) Eric Snow,2005-03 Are the Jewish arguments against belief in Jesus as mankind s Savior any good Is Jesus Christ the promised Messiah of the Old Testament s prophecies Is Christianity derived from ancient Roman or Greek pagan mystery religions Is the New Testament historically reliable Was Jesus of Nazareth God according to the New Testament Did Gnosticism influence Christianity Since some 185 000 Americans have converted to Judaism according to a 1990 survey the arguments of such groups as Jews for Judaism against Christianity can t be dismissed lightly Using solid scholarship and rigorous logic A Zeal For God Not According to Knowledge defends Christianity against the arguments of its Jewish critics such as Samuel Levine Michoel Drazin Tovia Singer and Hyam Maccoby This book demonstrates that the New Testament is historically reliable denies that Christian doctrines and sacraments can be derived from pagan beliefs and practices shows that Jesus of Nazareth was the promised Messiah based on the Old Testament s prophecies and proves that the New Testament teaches the Deity of Christ This book is intended for both Christians perplexed by the arguments of Jewish friends coworkers and relatives and Jews interested in objectively considering the claims of Christianity while searching for spiritual truth about whether Jesus is their Messiah also
