Selch Associate Professor of Musicology James O'Leary, 2025-07-15 In a country divided by war and racism a group of middlebrow critics believed that art could heal society by blending high art folk and popular culture thereby uniting the separate audiences for each genre Their work culminated in a new kind of musical theater that appeared on Broadway during the 1940s including Rodgers and Hammerstein's Oklahoma Duke Ellington's Beggar's Holiday and Kurt Weill's Street Scene Ultimately The Middlebrow Musical unsettles seemingly familiar concepts such as high art and pop culture and invites readers to reconsider how past writers and musicians have invoked these categories toward civic ends

Lorenz Hart Frederick Nolan, 1995-11-02 Lorenz Hart singlehandedly changed the craft of lyric writing When Larry Hart first met Dick Rodgers in 1919 the commercial song lyric consisted of tired clichés and cloying Victorian sentimentality Hart changed all that always avoiding the obvious aiming for the unexpected phrase that would twang the nerve or touch the heart Endowed with both a buoyant wit and a tender almost raw sincerity Hart brought a poetic complexity to his art capturing the everyday way people talk and weaving it into his lyrics Songs had never been written like that before and afterwards it seemed impossible that songs would ever be written any other way Lorenz Hart A Poet on Broadway presents the public triumphs of a true genius of the American musical theatre and the personal tragedies of a man his friend the singer Mabel Mercer described as the saddest man I ever knew Author Frederick Nolan began researching this definitive biography in 1968 tracking down and interviewing Hart's friends and collaborators one by one including a remarkable conversation with Richard Rodgers himself A veritable who's who of Broadway's golden age including Joshua Logan Gene Kelly George Abbott and many more recall their uncensored and often hilarious sometimes poignant memories of the cigar chomping wordsmith who composed some of the best lyrics ever concocted for the Broadway stage but who remained forever lost and lonely in the crowds of hangers-on he attracted A portrait of Hart emerges as a Renaissance and endearing bon

vivant conflicted by his homosexuality and ultimately torn apart by alcoholism Nolan skillfully pulls together the chaotic details of Hart's remarkable life beginning with his bohemian upbringing in turn of the century Harlem Here are his first ventures into show business and the 24 year old Hart's first meeting with the 16 year old Richard Rodgers Neither of us mentioned it Rodgers later recalled but we evidently knew we would work together and I left Hart's house having acquired in one afternoon a career a best friend and a source of permanent irritation Nolan captures it all the team's early setbacks the spectacular hour long standing ovation for their hit song Manhattan the Hollywood years which inspired Hart to utter the undying line Just because you're paranoid doesn't mean the bastards aren't out to get you and the unforgettable string of hit shows that included On Your Toes The Boys from Syracuse and their masterpiece Pal Joey But while success made Rodgers more confident more musically daring and more disciplined for Hart the rounds of parties wisecracks and most of all drinking began to take more and more of a toll on his work When Hart's unreliability forced Rodgers to reluctantly seek out another lyricist Oscar Hammerstein II and their collaboration resulted in the unprecedented artistic and commercial success of Oklahoma Hart never truly recovered Meticulously researched and rich with anecdotes that capture the excitement the hilarity the dizzying heights and the crushing lows of a life on Broadway Lorenz Hart is the story of an American original

The Poets of Tin Pan Alley Philip Furia,1992-06-25 From the turn of the century to the 1960s the songwriters of Tin Pan Alley dominated American music Irving Berlin Cole Porter George and Ira Gershwin Rodgers and Hart even today these giants remain household names their musicals regularly revived their methods and styles analyzed and imitated and their songs the bedrock of jazz and cabaret In The Poets of Tin Pan Alley Philip Furia offers a unique new perspective on these great songwriters showing how their poetic lyrics were as important as their brilliant music in shaping a golden age of American popular song Furia writes with great perception and understanding as he explores the deft rhymes inventive imagery and witty solutions these songwriters used to breathe new life into rigidly established genres He devotes full chapters to all the greats including Irving Berlin Lorenz Hart Ira Gershwin Cole Porter Oscar Hammerstein II Howard

Dietz E Y Harburg Dorothy Fields Leo Robin and Johnny Mercer Furia also offers a comprehensive survey of other lyricists who wrote for the sheet music industry Broadway Hollywood and Harlem nightclub revues This was the era that produced The New Yorker Don Marquis Dorothy Parker and E B White and Furia places the lyrics firmly in this fascinating historical context In these pages the lyrics emerge as an important element of American modernism as the lyricists like the great modernist poets took the American vernacular and made it sing Round in Circles Barry Kester,2024-10-15 Round In Circles The Story of Rodgers Hammerstein s Carousel is intended not only for those who share the author s love of the Golden Age Broadway musicals but also for students of the genre who want to learn about the trials and tribulations encountered in producing a musical at that time when Rodgers and Hammerstein were transforming such shows into the unique American art form we continue to enjoy today The book covers the history of Carousel from its beginning as Liliom a 1909 play by Hungarian author Ferenc Molnar to its latest 2021 London revival At first Rodgers and Hammerstein dismissed the idea of turning Liliom into a musical How they were persuaded to change their minds and the struggles the duo experienced in adapting the dark fantastical play is a key part of the story told by author Barry Kester But the book also shines the spotlight onto Rodgers and Hammerstein themselves looking at their lives their working methods and their relationship which was not always as harmonious as one might have thought Although Carousel was created by Rodgers and Hammerstein it would not have happened without the help of some extraordinary people both backstage and onstage and the book pays due tribute to them all Many of Carousel s songs have become well loved standards none more so than You ll Never Walk Alone and not just because of its association with football A chapter is devoted to this remarkable anthem Carousel s story did not end with its 1945 Broadway opening After an initial London run and a nationwide tour in the States there was a film version The author relates the many problems that were encountered on that production The book examines what many would agree to be the finest production of Carousel to date staged at the National Theatre in 1992 directed by Nicholas Hytner and concludes with a look at some of the more recent revivals and the show s place in the musical theatre canon today Barry Kester lives in Pinner and has loved musical theatre all his life After retirement in 2010 he set out to write a detailed history of his favourite musical Round in Circles The Story of Rodgers Hammerstein s Carousel is his first book
