## **Rodin And His Contemporaries The Iris And B Gerald Cantor Collection:**

*Rodin and His Contemporaries* Marie Busco,1991      **Rodin and His Contemporaries** ,1991      **Rodin's Art** the late Albert E. Elsen,Rosalyn Frankel Jamison,2003-03-13 The late Albert Elsen was the first American scholar to study seriously the work of the French sculptor Auguste Rodin and the person most responsible for a revival of interest in the artist as a modern innovator after years during which the sculpture had been dismissed as so much Victorian bathos After a fortuitous meeting with the financier philanthropist and art collector B Gerald Cantor Elsen helped Cantor to build up a major collection of Rodin s work A large part of this collection consisting of more than 200 pieces was donated to the Stanford Museum by Mr Cantor who died recently In size it is surpassed only the by the Mus e Rodin in Paris and rivaled only by the collection in Philadelphia In scope the collection is unique in having been carefully selected to present a balanced view of Rodin s work throughout his life Rodin s Art encompasses a lifetime s thoughts on Rodin s career surveying the artist s accomplishments through the detailed discussion of each object in the collection It will begin with essays on the formation of the collection the reception of Rodin s work and his casting techniques The entries that follow are arranged topically and include extensive discussions of Rodin s major projects      **Rodin** ,2003      **Museums of the Mind: German Modernity and the Dynamics of Collecting** ,      The Gates of Hell Arline Boucher Tehan,2010-10-13 The Gates of Hell Rodin s Passion in Stone is not just another biography of Rodin There are many excellent ones already Rather it is an attempt to understand the sculptor after immersion in his works by listening to his own words and those spoken about him For Rodin was more than a sculptor of genius He had the imagination and the courage to search for the truth not only with his artist s hands but with the penetrating gaze and mastery of the word that define the writer His book *Les Cathedrales de France* and his hundreds of letters offer a new close up of the artist both visual and verbal His musings on art and on life and his contemporaries views of him form a biographer s trove This rich assemblage of words like a hoard of tiny fragments of stone and glass when pieced together form a mosaic likeness of an artist who was himself a story teller in stone      **Rodin** Iris and B. Gerald Cantor Foundation,2003      *André Salmon on French Modern Art* André Salmon,2005-11-14 This book is the first English language translation of Andre Salmon s first two books      Art Books Wolfgang M. Freitag,2013-10-28 First published in 1997 For this second edition of Art Books A Basic Bibliography of Monographs on Artists the vast number of new books published since 1985 was surveyed and evaluated This has resulted in the selection of 3 395 additional titles These selections reflective of the increase in the monographic literature on artists during the last ten years are evidence of the activities of a larger number of art historians in more countries worldwide of the increasingly diverse and ambitious exhibition programs of museums whose number has also increased dramatically and also of a lively international art market and the attendant gallery activities The selections of the first edition have been reviewed errors have been corrected and important new editions and reprints have been noted The second edition contains 278 names of artists not represented in the

first edition *Journal of the Iris & B. Gerald Cantor Center for Visual Arts at Stanford University*, 2002 **Art Boom:**

**Contemporary Art in El Paso** Becky Hendrick, 2012-02-22 A collection of critical writings about the El Paso art scene of the late 1980s and 1990s featuring contemporary art in museum university and gallery venues by artist and arts writer Becky Hendrick Articles appeared in the El Paso Herald Post The El Paso Times Artweek Artlies Artspace and numerous other regional and national arts publications **Rodin's Art** Albert Edward Elsen, 2003 *Rodin* Joan Vita Miller, Gary Marotta, 1986 The Central Liberal Truth Lawrence E. Harrison, 2008-07-08 Which cultural values beliefs and attitudes best promote democracy social justice and prosperity How can we use the forces that shape cultural change such as religion education and political leadership to promote these values in the Third World and for underachieving minorities in the First World In this book Lawrence E Harrison offers intriguing answers to these questions in a valuable follow up to his acclaimed *Culture Matters* Drawing on a three year research project that explored the cultural values of dozens of nations from Botswana Sweden and India to China Egypt and Chile Harrison offers a provocative look at values around the globe revealing how each nation's culture has propelled or retarded their political and economic progress The book presents 25 factors that operate very differently in cultures prone to progress and those that resist it including one's influence over destiny the importance attached to education the extent to which people identify with and trust others and the role of women in society Harrison pulls no punches and many of his findings are controversial Contradicting the arguments of multiculturalists this book contends that when it comes to promoting human progress some cultures are clearly more effective than others It convincingly shows which values beliefs and attitudes work and how we can foster them Harrison takes up the question that is at the center of politics today Can we self consciously change cultures so they encourage development and modernization David Brooks New York Times I can think of no better entrance to the topic both for what it teaches and the way it invites and prepares the reader to continue A gateway study David S Landes author of *The Wealth and Poverty of Nations* **Sculpture and the Museum** Christopher R. Marshall, 2017-07-05 *Sculpture and the Museum* is the first in depth examination of the varying roles and meanings assigned to sculpture in museums and galleries during the modern period from neo classical to contemporary art practice It considers a rich array of curatorial strategies and settings in order to examine the many reasons why sculpture has enjoyed a position of such considerable importance and complexity within the institutional framework of the museum and how changes to the museum have altered in turn the ways that we perceive the sculpture within it In particular the contributors consider the complex issue of how best to display sculpture across different periods and according to varying curatorial philosophies Sculptors discussed include Canova Rodin Henry Moore Flaxman and contemporary artists such as Rebecca Horn Rachel Whiteread Mark Dion and Olafur Eliasson with a variety of museums in America Canada and Europe presented as case studies Underlying all of these discussions is a concern to chart the critical importance of the acquisition placement and display of sculpture in museums and to explore the importance of sculptures as a forum for the

expression of programmatic statements of power prestige and the museum's own sense of itself in relation to its audiences and its broader institutional aspirations

**The Art and Architecture of Herbert B. Turner** Michael Gosney, 2008 Turner's unique path combined the rigorous discipline of the West Point Military Academy an intensive artistic education under New York master painters and an architectural apprenticeship with John Lloyd Wright His work has been characterized by a deep ecological sensibility and regionalist outlook a commitment to community social activism and a love of people Turner designed and built over 50 residential and commercial real estate projects making a definitive mark on the character of Del Mar California From publisher Los Angeles Magazine ,1999-05 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian

**Celebrating Modern Art** San Francisco Museum of Modern Art, 2000 The Anderson collection is among the greatest private collections of modern and contemporary art in the United States This work features the works of over 140 artists including Willem de Kooning Jackson Pollock and Mark Rothko

**New Games** Pamela M. Lee, 2013-01-25 Art History After the Sixties examines the 1960s and 1970s as a watershed era in our current understanding of art and its historiography Pamela Lee asks how why and at what cost art critics of that generation shifted their attention away from aesthetics to focus primarily on the social and political nature of art most notably in the writings appearing in the influential journal October She also looks closely at the major artists of that era from Robert Rauschenberg most well known for his provocative earthwork Spiral Jetty to Andy Warhol Art History After the Sixties is the fifth volume in Theories of Modernism and Postmodernism in the Visual Arts James Elkins's series of short books on the theories of modernism written by leading art historians on twentieth century art and art criticism The book will feature a critical introduction by a fellow art historian placing the book in conversation with the previous books in the series
