Break Through with Breathwork Jim Morningstar, Ph.D., 2017-10-03 When working with trauma and chronic health issues it can often seem like

the healing process gets stuck or is producing only minimal progress In this groundbreaking book clinical psychologist Jim Morningstar PhD shows therapists bodyworkers and other health care professionals how to achieve remarkable breakthroughs with their clients using the power of Therapeutic Breathwork Unlike more commonly known mindfulness breathwork techniques which typically only involve slower than normal breathing Therapeutic Breathwork is designed to also include faster than normal breathing 35 75 breaths per minute to enervate the sympathetic nervous system This is especially useful in helping to release blocks that arise while working through difficult emotional issues including PTSD addiction depression and anxiety While traditional talk therapy can take many years sometimes decades to produce minimal relief Therapeutic Breathwork can help facilitate astonishing breakthroughs within a single session Morningstar explains how therapists can reinforce these breakthroughs with additional techniques for self regulation dramatically reducing recovery time and often resolving challenges that might never have been worked through in standard practice Break Through with Breathwork is an accessible and thorough introduction to one of the most powerful tools in supporting health and wellbeing reducing stress and stimulating deep emotional and spiritual growth *Body* Don Johnson,1992 *Body Recovering Our Sensual Wisdom* outlines a plan for reclaiming unity among our body movements senses and thought processes It describes how we are pressured to mold ourselves to fit others needs by attitudes fostered in religions schools the workplace and the military It gives special attention to how gender ideals shape us Interweaving personal experiences anatomical analyses and the stories of men and women from various walks of life the book explores how the mind body split concretized in our social institutions coaxes us to distrust what our own senses tell us In marked contrast to the individualistic aura of books in a similar vein this book argues that individual awareness alone is not enough to correct the social scars left by mind body dualisms Real change can only come about when we join together to alter the shapes of our social body schools churches political organizations businesses and health care practices Throughout the book there are practical yet sensitive exercises offered for bringing about a reunion of abstract ideas and flesh a recovery of our forgotten genius embedded in the cells of our bodies **All Natural*** Nathanael Johnson,2013-01-29 In this age of climate change killer germs and obesity it s easy to feel as if we ve fallen out of synch with the global ecosystem This ecological anxiety has polarized a new generation of Americans many are drawn to natural solutions and organic lifestyles while others rally around high tech development and industrial efficiencies Johnson argues that both views when taken to extremes can be harmful even deadly Johnson raised in the crunchy granola epicenter of Nevada City California lovingly and rigorously scrutinizes his family s all natural mindset a quest that brings him into the worlds of an outlaw midwife radical doctors renegade farmers and one hermit forester Along the way he uncovers paradoxes at the heart of our ecological condition Why even as medicine improves are we becoming less healthy Why are more American women dying in childbirth Why do we grow fatter the more we diet Why have so many attempts to save the environment backfired In *All Natural* a sparkingly intelligent wry and scrupulously reported narrative

Johnson teases fact from faith and offers a rousing and original vision for a middle ground between natural and technological solutions that will assuage frustrated environmentalists perplexed parents and confused consumers alike **Bone, Breath, and Gesture** Don Hanlon Johnson, 1995-07-19 This book is a collection of writings on principles and techniques by the pioneers of bodywork and body awareness disciplines Together they represent a historical record of the field of somatics Ranging from hands on workers like Ida Rolf to phenomenologist Elizabeth Behnke their lives span this century In these lectures writings and interviews editor Don Hanlon Johnson has sought to reveal the unbroken lineage theoretical differences and major similarities of these originators ***The Body Eclectic*** Melanie Bales, Rebecca Nettl-Fiol, 2008 A discussion of current practices in modern dance training **Dancing Identity** Sondra Horton Fraleigh, 2004-10-31 Combining critical analysis with personal history and poetry Dancing Identity presents a series of interconnected essays composed over a period of fifteen years Taken as a whole these meditative reflections on memory and on the ways we perceive and construct our lives represent Sondra Fraleigh's journey toward self definition as informed by art ritual feminism phenomenology poetry autobiography and always dance Fraleigh's brilliantly inventive fusions of philosophy and movement clarify often complex philosophical issues and apply them to dance history and aesthetics She illustrates her discussions with photographs dance descriptions and stories from her own past in order to bridge dance with everyday movement Seeking to recombine the fractured and bifurcated conceptions of the body and of the senses that dominate much Western discourse she reveals how metaphysical concepts are embodied and presented in dance both on stage and in therapeutic settings Examining the role of movement in personal and political experiences Fraleigh reflects on her major influences including Moshe Feldenkrais Kazuo Ohno and Twyla Tharp She draws on such varied sources as philosophers Simone de Beauvoir and Martin Heidegger the German expressionist dancer Mary Wigman Japanese Butoh founder Tatsumi Hijikata Hitler the Bomb Miss America Balanchine and the goddess figure of ancient cultures Dancing Identity offers new insights into modern life and its reconfigurations in postmodern dance **Discovering the Body's Wisdom** Mirka Knaster, 2010-12-29 In an attractive oversized format enlivened with illustrations sidebar quotes personal accounts techniques to try and profiles of leaders in the field Discovering the Body's Wisdom is a basic resource for well being and natural health Body disciplines and therapies have enjoyed phenomenal growth in the past decade becoming a major alternative to mainstream medicine and traditional psychotherapy But with more than 100 000 practitioners and dozens of methods available in the United States alone how can consumers choose the right one for themselves Mirka Knaster's richly informative guide provides an overview of the principles and theories underlying the major Eastern and Western body therapies or bodyways It shows readers how to befriend their own bodies getting back in touch with their internal sources of health and wisdom It also describes more than 75 individual approaches answering such questions as How does each therapy work What can we expect from one session or a series What are the reasons for selecting this method How do we find a qualified practitioner What if any are the consumer

bewares **Outcome-Based Massage** Carla-Krystin Andrade, 2013-02-15 Outcome Based Massage™ Putting Evidence into Practice 3rd edition goes beyond an update of the content of the second edition In this book Dr Andrade and a team of contributors who represent the fields of massage therapy physical therapy athletic training education psychology medicine and physiology take the student or practicing clinician to the next level of using Outcome Based Massage™ in daily clinical practice This edition enhances and builds upon the strengths of the first two editions as follows Fully updated chapters provide a comprehensive approach to assessment treatment design and treatment delivery Streamlined presentation of theory and practice enhances the teaching and learning experience Quick Treatment Guides provide a colorful immediate reference for anatomy pathophysiology impairments and wellness goals for 16 musculoskeletal conditions New section on the scientific basis of soft tissue examination provides students and practitioners with the very latest understanding of the emerging body of knowledge in this field Review sections in each chapter provide Takeaways that summarize key concepts critical thinking questions and clinical cases that illustrate the practical application of the concepts discussed in the chapter Precise instructive photographs and videos give students and practitioners clear direct guidance for using the techniques presented in this text

Groundworks Don Hanlon Johnson, 1997-04-24 Groundworks gives accounts of the actual processes of working with individuals in six major schools of Somatics by either the creator of the method itself or a leading teacher of the method The creators are Robert Hall of Lomi School Bonnie Bainbridge Cohen of Body Mind Centering and Emilie Conrad Daoud of Continuum Leading teachers of methods include Michael Salveson on Rolfing Elizabeth Beringer on Feldenkrais work and Darcy Elman on F M Alexander Technique Each therapist describes how he or she approaches and diagnoses a patient's problem how he or she determines what and where to work and the progress of a session Each therapist shows the complexity of working with somatic processes and the resulting reward for client and therapist both
