wooden roller coaster at your local pier to the highly technical and intricate new ride that Disney is set to open this next year to the high speed steel beast of a monster that sits a few hours away at the closest Six Flags there is a multitude of attractions out there Unfortunately all that stands between you and said attraction is a two hour long car trip followed by a 25 parking fee and then a three hour line Okay so maybe that doesn't sound desirable But what does sound desirable is the opportunity to experience a world class thrill ride that you can brag to your friends in class or perhaps being immersed in a land that is themed to your favorite movie in which you forget you're still in the same world as before Theme parks and amusement parks alike offer something unlike anything else and each park offers something different and unique from the others Here in this book you'll learn all there is to know about both theme and amusement parks the different types of rides roller coasters and much more We'll also rank the best 101 amusement parks some of which may only be a short trip away from you The best part about this is not only will you be able to pull this guide up whenever you need it and be able to impress the coaster enthusiasts with your knowledge and understanding of the lingo but you also won't have to wait in a three hour line to crack this thing open Here is your fast pass to all the park industry related knowledge you couldn't possibly imagine having before Check out HowExpert Guide to Amusement Parks and Roller Coasters to learn about the best amusement parks roller coasters and theme parks around the world About the Author Noah Granger born and raised in Los Angeles California grew up surrounded by a plethora of amusement parks From going to Disneyland on a weekly basis to conquering all the intimidating roller coasters of Six Flags Magic Mountain by the time he was a teenager Noah developed a passion for this niche topic and an addiction to the adrenaline that he often got while riding Xcelerator at Knott's Berry Farm Currently a student at California State University Fullerton Noah is continuously keeping up to date with all there is going on in the amusement and theme park industry Over the years of learning more about this hobby he has accumulated years and years worth of knowledge surrounding all the different types of parks and thrill rides What Noah cherishes most though are the friends and family that he gets to spend quality time with standing in lines while at the parks Luke 17:6 HowExpert publishes quick how to guides on all topics from A to Z by everyday experts *Flying with Frankie* Charles F.

Gobel, 2012-03-14 I'm about to lose my wife and I don't want to lose my son too That depressing thought kept racing through my mind all day long as my five year old boy Frankie and I were enjoying our first day ever at an amusement park in 1994 My marriage was shot and beyond repair and I now faced many a parent's dread what effect would the divorce have on my son and how will I maintain any semblance of a normal rapport with him The answer miraculously was only hours away Right before exiting the immense park for the evening my rambunctious boy somehow lured me onto the thrill arena's big roller coaster for a ride That solitary coaster journey hooked us up for life to the joys of gallivanting upon these flying machines and for the next fifteen summers that's basically all we did We ultimately shared over 300 days together in amusement parks as we traveled 40,000 miles by car plane and sleeper car train to every thrill park in the country that housed anything close to

resembling a roller coaster The divorce came soon enough and inflicted its normal dose of hardship and despair But it proved to be no match for the wonderful memories that accompanied all of our trips and the steadfast bond that grew between us merely in pursuit of our beloved joyrides Flying With Frankie is our story FLYINGWITHFRANKIE COM
