Rolling Combers:

ROLLING COMBERS John M. Bennett, 2001 Poetry Poems of challenge and play from a prolific experimentalist These integrated essays draw the reader into strange new corners language on edge The work here shows a tidal constancy a rhythmic evolution that dazzles and pulls The Shipkiller Justin Scott, 2013-08-01 It was the largest moving object on the face of the earth but for Carolyn and Peter Hardin it was a towering wall of steel bursting out of a squall at full speed bearing down on their ketch Siren In a few dramatic moments Siren was shattered by the indifferent juggernaut Struggling for his life Peter Hardin felt the hand of his wife being torn from his grip as the huge white letters on the supertanker's stern Leviathan steamed away Thus begins an odyssey of revenge that embraces the distant waters of the world from the titanic storms of the South Atlantic to the oil slicked reaches of the Persian Gulf Now back in print for the first time in twenty five years The Shipkiller is the story of one man determined to win at sea the justice he has been denied on land **SELECT POEMS** John M. Bennett, 2016 Poetry Visual Poetry A selection from over 40 years of Bennett's work introduced by Ivan Argelles Where to begin writing about this baffling and certainly most avant garde of all poets living and working in the USA today Bennett's reputation is international and his interest in Mesoamerican culture has drawn him frequently to that part of the world where he is a recognized figure His experimentations over the years have encompassed multiple techniques including visual poetry and his own polyglottery moving in and out of English Spanish Portuguese French or some Mesoamerican language What may seem aleatory is in fact more intentional and grounded than is first apparent Bennett has roots in traditional literatures those of Siglo de Oro Spain and of Elizabethan England but he is capable of transducing those literatures metamorphosing them by way of the avant garde movements of the 20th century into something utterly innovative and New such as few contemporary artists have done **Wreck of the Medusa** Alexander McKee, 2007-08 In horrifying detail this book tells the gruesome true story of the shipwreck of the French frigate Medusa off the coast of Senegal in 1816 Forced to abandon ship 150 men and women embarked on an overloaded makeshift raft After 12 days of riots mutiny murder and cannibalism only 15 survived Back in print after 20 years this book was originally published as Death Raft **American Realism** Gerry Souter, 2015-09-15 Urban realism snow covered streets of New York boxing matches children on the banks of a river the painters of the Ash Can School preferred realistic images Their paintings are a true hymn to noise and sensations This unconventional movement enabled the birth of a true national artistic identity which broke free from the establishment The Ash Can School resolutely promoted the affirmation of the modernist current of American art Edward Hopper who was a student of Robert Henri embraced the principles of this movement and brought them to another level The View from the Shoulder Roger Cox, 2025-07-03 The story of surfing in Scotland is defined by people who dared to dream in spite of the cold from Neva MacDonald Haig and the coffin lid surfers of Machrihanish who first took to the waves off the west coast in the 1930s with a little help from a local undertaker to Andy Bennetts and the pioneers of the 1960s who discovered many of the

nation's best breaks to contemporary big wave surfer Ben Larg a native of the tiny island of Tiree who now travels the world riding skyscraper sized walls of water for a living Scotland is also home to a rich and distinctive surfing culture with its own surfboard shapers surf instructors surf filmmakers surf photographers and surf fashion brands not to mention surf inspired artists and musicians Professional contests held at some of Scotland's best waves have drawn visits from surfing world champions including Tom Curren Sunny Garcia and John John Florence and in recent years Scotland's own surfers have begun to make their presence felt on the competitive stage with the Scottish surf team featuring at the World Surfing Games and at Eurosurf after finally gaining official recognition in 2014 The View From the Shoulder draws together 20 years of surf journalism from the pages of The Scotsman newspaper together with fresh context to create a portrait of a wave riding community like no other
