Saratoga Stereopticon Willys I. Peck,1997 Saratoga April Halberstadt,Katie Alexander,2009 One of Californias earliest communities Saratoga was settled before the Gold Rush Water from the hillsides provided power for a mill and Saratoga became a center for lumbering for milling and for paper manufacturing By the Civil War the community was known as a resort for summer homes of wealthy San Franciscans Blessed with a wonderful climate scenic terrain and abundant natural springs newcomers discovered it was possible to grow a wide variety of fruits and hundreds of orchards appeared almost overnight By 1900 Saratoga had the largest prune and apricot orchards known in America and was home to Sunsweet The flowering fruit trees inspired an annual Blossom Festival that brought thousands of visitors to the Saratoga area An outstanding school system wonderful climate and a strong sense of community make Saratoga one of the most wonderful places to live in California Valley of Heart's Delight Anne Marie Todd,2022-10-25 This agricultural history explores the transformation of the Santa Clara Valley over the past one hundred years from America s largest fruit producing region into the technology capital of the world In the latter half of the twentieth century the region s focus shifted from fruits such as apricots and prunes to computers Both personal and public rhetoric reveals how a sense of place emerges and changes in an evolving agricultural community like the Santa Clara Valley Through extensive archival research and interviews Anne Marie Todd explores the concepts of place and placelessness arguing that place is more than a physical location and that exploring a community s sense of place can help us to map how individuals experience their natural surroundings and their sense of responsibility towards the local environment Todd extends the concept of sense of place to describe Silicon Valley as a non place where weakened or disrupted attachment to place threatens the environment and community The story of the Santa Clara Valley is an American story of the development of agricultural lands and the transformation of rural regions
