Sartre Literature And Theory:

Sartre's Theory of Literature Christina Howells, 1979 **Sartre: Literature and Theory** Rhiannon Goldthorpe, 1984 In this major study Rhiannon Goldthorpe takes up the challenge of Sartre's diversity in an original and provocative way Her detailed and comprehensive exploration of the relationship between the theoretical and literary works pays due attention to their characteristic complexity The discussion of *La Nausée* *Les Mouches* *Huis clos* *Les Mains sales* and *Les Quatre derniers* Altona for example does not present these literary texts as mere illustrations of Sartre's theories of consciousness imagination and emotion but as subtle philosophical and linguistic investigations in their own right In addition by reference to recently published fragments from Sartre's earlier work Goldthorpe calls into question existing views of Sartre's intellectual development and provides a new history of the crucial Sartrean concept of commitment *Existentialist Literature and Aesthetics* William Leon McBride, 1997 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors* Miola's edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world In the collection there are five previously unpublished essays The topics covered in these new essays are women in the play the play's debt to contemporary theater its critical and performance histories in Germany and Japan the metrical variety of the play and the distinctly modern perspective on the play as containing dark and disturbing elements To compliment these new essays the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficult accessible journals newspapers and other sources This collection brings together these essays for the first time

Jean-Paul Sartre's Theory of Literature Timothy Jobe, 1973 **Jean-Paul Sartre** Jean-Paul Sartre, 2001 This first collection of Sartre's key philosophical writings provides an indispensable resource for all students and readers of his work which has been extremely influential in philosophy literature and politics *The Bloomsbury Handbook of Existentialism* Jack Reynolds, Ashley Woodward, Felicity Joseph, 2023-12-28 This fully revised and updated 2nd edition provides a comprehensive reference guide to existentialism featuring key chapters on key existentialist thinkers as well as chapters applying existentialism to subject areas ranging across politics literature feminism religion the emotions cognitive science and poststructuralism Contemporary developments in the field of existentialism that speak to issues of identity and exclusion are explored in 4 new chapters on race gender disability and technology whilst the 5th new chapter outlines analytic philosophy's complicated relationship to existentialism Presenting the field of existentialism beyond the European tradition this edition also includes a new key thinker chapter on Frantz Fanon alongside Kierkegaard Nietzsche Heidegger Sartre and de Beauvoir as well as new engagement with the work of scholars on race and existentialism including Lewis R Gordon George Yancy and Richard Wright The resources section at the end of the book includes an updated A to Z glossary and timeline of key events texts and thinkers in existentialism as well as a list of relevant organisations and an annotated

guide to further reading making this 2nd edition an invaluable text for scholars and students alike **Sartre's Existential Biographies** Michael Scriven,1983-12-15 **Encyclopedia of Literature and Criticism** Martin Coyle,Peter Garside,Malcolm Kelsall,John Peck,2002-09-11 This Encyclopedia is the most comprehensive guide yet both to the nature and content of literature and to literary criticism In ninety essays by leading international critics and scholars the volume covers both traditional topics such as literature and history poetry drama and the novel and also newer topics such as the production and reception of literature Current critical ideas are clearly and provocatively discussed while the volume s arrangement reflects in a dynamic way the rich diversity of contemporary thinking about literature Each essay seeks to provide the reader with a clear sense of the full significance of its subject as well as guidance on further reading An essential work of reference The Encyclopedia of Literature and Criticism is a stimulating guide to the central preoccupations of contemporary critical thinking about literature Special Features Clearly written by scholars and critics of international standing for readers at all levels in many disciplines In depth essays covering all aspects traditional and new of literary studies past and present Useful cross references within the text with full bibliographical references and suggestions for further reading Single index of authors terms topics Sartre's Theatre B. P. O'Donohoe,Benedict O'Donohoe,2005 Published on the eve of the philosopher playwright s centenary this study offers a wide ranging re appraisal of Sartre s complete dramatic opus from the inaugural nativity play Bariona 1940 to the swan song chorus of Armageddon Les Troyennes 1965 It draws on a close reading of Sartre s writings in philosophy literature and criticism and provides an extensive survey of journalistic and academic reception Each play is situated in relation both to Sartre s intellectual evolution and to the broader historical context This is the first full length study in English for more than thirty years covering the whole of Sartre s theatre and it will interest students of twentieth century European drama as well as those of modern French literature and ideas *Reading for Democracy* Laura Bieger,2025-09-26 Is literature of political use and if yes how might this use be defined Reading for Democracy addresses this question in a series of essays with topics ranging from reading as a political practice to the relational aesthetics of literary engagement from the public sphere as a space of appearance to public intellectuals and the predicament of popularity from Jesmyn Ward s poetics of breathing while Black to the art of the essay in the digital age In considering these topics it engages with a range of philosophical sociological media and literary critical works by scholars including J rgen Habermas Michael Warner John Dewey Hannah Arendt Jean Paul Sartre Theodor Adorno Nicolas Bourriaud and Pierre Bourdieu But the baseline of the essays collected in this volume is an understanding of literature as a social practice a collective doing and making that involves a multiplicity of human and non human actors writers readers publishers agents book covers prize committees English departments literary characters and styles adaptations for stage and screen In this framework literary texts are not stable objects They are bonding agents in a complex and shifting web of relations and in this capacity they catalyze and channel the activities necessary to forge these relations

reading writing publishing republishing citing reciting reviewing recommending Moving back and forth between two shape shifting actors the reading public and a socially engaged literature the assembled essays show how the political functions and uses of literature are defined from within this constellation or more precisely through the collective and reflective forms of judgment including aesthetic judgement that are tried and institutionalized in practicing literature And that are essential to negotiating the shape of the world Which is what the political is all about The Concept of Freedom and the Development of Sartre's Early Political Thought Bernard Merkel,2019-04-15 This book first published in 1987 is a study of the development of Sartre s political thought from the late 1920s to the liberation of France in 1944 concentrating particularly upon his concept of freedom It is argued that the evolution of Sartre s thinking can be regarded as constituting a series of problematics each of which has a corresponding notion of freedom and these problematics are elucidated in turn

Existentialist Politics and Political Theory William Leon McBride,1997 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare s A Comedy of Errors Miola s edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world In the collection there are five previously unpublished essays The topics covered in these new essays are women in the play the play s debt to contemporary theater its critical and performance histories in Germany and Japan the metrical variety of the play and the distinctly modern perspective on the play as containing dark and disturbing elements To compliment these new essays the collection features significant scholarship and commentary on The Comedy of Errors that is published in obscure and difficult accessible journals newspapers and other sources This collection brings together these essays for the first time The Bloomsbury Companion to Existentialism Felicity Joseph,Jack Reynolds,Ashley Woodward,2014-09-25 The Bloomsbury Companion to Existentialism is the definitive guide to this key area of modern European philosophy Now available in paperback the book covers the fundamental questions asked by existentialism providing valuable guidance for students and researchers to some of the many important and enduring contributions of existentialist thinkers Chapters from an international team of experts explore existentialism s relationship to philosophical method ontology politics psychoanalysis ethics religion literature emotion feminism and sexuality emotions authenticity and the self its significance in Latin American culture and its contribution to the development of post structuralism and cognitive science In addition five short chapters summarize the status of canonical figures Kierkegaard Nietzsche Heidegger Sartre and de Beauvoir delineating the historical approach to their work while pointing to new directions contemporary research is now taking Featuring a series of indispensable research tools such as an A to Z glossary a timeline of key events texts and thinkers in existentialism a list of resources and an annotated guide to further reading this Companion is an essential resource to help the new reader navigate through the heart of Existentialism and modern European philosophy **A Companion to Continental Philosophy** Simon Critchley,William R. Schroeder,1998-06-08 Covering the complete

development of post Kantian Continental philosophy this volume serves as an essential reference work for philosophers and those engaged in the many disciplines that are integrally related to Continental and European Philosophy *Michel Leiris* Seán Hand,2002-08-01 This is the first full length study in English of Michel Leiris's work Frequently cited as a central figure in contemporary French culture Leiris was an outstanding writer whose double career as ethnographer and creative writer places him at important points of intersection within French cultural history Seán Hand explores Leiris's active participation in some of the most striking intellectual and artistic movements of the twentieth century surrealism in the twenties ethnography in the thirties and existentialism in the forties Hand locates his writing in these different contexts in relation to the major artistic political and philosophical concepts of the period He goes on to argue that Leiris's multi volume autobiography *La Rêgle du jeu* stands as the model form of self enquiry in the twentieth century More broadly Hand explores Leiris's continuing obsession with the notion of presence Informed by recent critical theories Hand offers a multi disciplinary approach to this intriguing writer

Sartre's Political Theory William L. McBride,1991-10 Sartre's Political Theory presents the first detailed study of Jean Paul Sartre's political philosophy Taking Sartre's twin ideals of Socialism and Freedom as his guiding theme William L McBride traces the evolution of Sartre's thinking about history ethics politics and society from his early essays during World War II to the time of his death in 1980 McBride discusses in depth the main moments in the development of Sartre's sociopolitical views including *Cahiers pour une morale Critique of Dialectical Reason* and the new directions of Sartre's thought during his last years Sartre's Political Theory is both a historical narrative connecting Sartre's ideas to the events of his times and a trenchant philosophical analysis posing fundamental questions about human society and history and about the appropriate focal points of political philosophy

Sartrean Dialectics Roxanne Claire Farrar,2021-11-08 This book presents a modification of the dialectical method of Jean Paul Sartre as a tool for critical discourse on aesthetic experience Three practical demonstrations are offered of the modified progressive regressive method 1 on the original location and function of a medieval altarpiece 2 on a theme in the literature of the Marquis de Sade and 3 on a theory of consciousness in a novel by Samuel Beckett The study concludes with guidelines on how the method may enhance critical discourse in teaching

Intimacy and Other Stories Jean Paul Sartre,2002 *Sartre's Anthropology as a Hermeneutics of Praxis* Kristian Klockars,2019-01-04 First published in 1998 this volume deals with the legacy of Sartre and functions as a way of going beyond Sartre by means of Sartre aiming to understand how we are to understand what we ourselves do and how we are to understand human being and human reality Kristian Klockars main aim is intended to communicate three questions how close Sartre's later anthropology comes to hermeneutics whether the idea of a hermeneutics of praxis could be seen as a possible solution to the internal tensions of Sartre's conception thinking with Sartre beyond Sartre and whether a hermeneutics of praxis can constitute a living challenge to contemporary thought

both form and content the development of Arabic and Persian modernist poetry during the mid twentieth century

Sartre Literature And Theory: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. Sartre Literature And Theory : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
