

**Brief Background/Introduction**

- RA No. 11057 or Personal Property Security Act (“PPSA”) was enacted on August 17, 2018, to strengthen the secured transactions legal framework in the Philippines, and provide for the creation, perfection, determination of priority, establishment of a centralized notice registry, and enforcement of security interests in personal property (tangible and intangible), except aircraft and ships.
- Although this law took effect on September 7, 2018, 15 days after the publication in two newspapers of general circulation, its full implementation is conditioned upon the Registry being established and operational. However, the registry has not yet been established as of this writing but the implementing rules and regulations of the PPSA (“PPSA Rules”) were published last November 18, 2019 and have become effective on December 3, 2019. Nevertheless, the PPSA Rules directed the Land Registration Authority to establish the registry within six months from the publication of the PPSA Rules.

consequent need to reform collateral laws in order to improve access to finance The ability to give security effectively influences not only the cost of credit but also in some cases whether credit will be available at all This requires rules that are transparent and readily accessible to non lawyers as well as rules that recognise the needs of small and medium sized enterprises This book critically engages with the challenges posed by inefficient secured credit laws It offers a comparative analysis of the reasons and the needs for a secured transactions law reform as well as discussion of the steps taken in many common law civil law and mixed law jurisdictions The book written under the auspices of the Secured Transactions Law Reform Project informs the debate about reform and advances novel arguments written by world renowned experts that will build upon the existing literature and as such will be of interest to academics legal practitioners and the judiciary involved in secured transactions law around the world The text considers reform initiatives that have taken place up to the end of April 2016 It has not been possible to incorporate events since then into the discussion However notable developments include the banks decree passed by the Italian Government on 29th June 2016 and the adoption of the Model Law on Secured Transactions by UNCITRAL on 1st July 2016 Canada Land Ownership and Agricultural Laws Handbook Volume 1 Strategic Information and Selected Laws IBP, Inc,2013-04-04 Canada Land Ownership and Agriculture Laws Handbook
