Kalleres,2015-10-13 Although it would appear in studies of late antique ecclesiastical authority and power that scholars have covered everything an important aspect of the urban bishop has long been neglected his role as demonologist and exorcist When the emperor Constantine made Christianity the official religion of the realm bishops and priests everywhere struggled to Christianize the urban spaces still dominated by Greco Roman monuments and festivals During this period of upheaval when congregants seemingly attended everything but their own orthodox church many ecclesiastical leaders began simultaneously to promote aggressive and insidious depictions of the demonic In *City of Demons* Dayna S Kalleres investigates this developing discourse and the church sponsored rituals that went along with it showing how shifting ecclesiastical demonologies and evolving practices of exorcism profoundly shaped Christian life in the fourth century

Havoc Nedler Palaz, 2015-11-17. By 1883, Dave Smith and Sam Eagle Feather Larson leave West Texas when bounty hunters pursue them. Finding a way to survive by chasing wild horses, the two settle into a horse camp where they round up likely horses for resale in El Paso. One magnificent herd leader has a reward on its return to the owner, Stan Piper. Dave agrees to break the wild stallion and sets about the dangerous task with help of a large Percheron horse that is three times the size of the herd stallion. Complications begin when Dave locates his missing girl friend Dolores Alconda and attempts to rekindle their loving relationship, only to learn that Dolores is to marry someone else and he is devastated. Young fifteen-year-old tomboy Andee Piper has designs on Dave Smith and becomes his one true friend, though artless and clumsy. Andee attempts to snag Dave's affections. Dolores further confounds matters, believing her fiancé dead, decides to marry Don Ruis, a wealthy local ranch owner, over the protests of her relatives and of Dave, who feels that Ruis has an underlying forbidding agenda. Having no other alternative, Dave stages a raid in which he abducts Dolores, steals Ruis' racehorse, and a priest, which turns into a deadly encounter with Ruis, Ruis' henchman Ramon Garcia. Dave is seriously injured by the overzealous attempts of the Don and Garcia to learn where Dave has hidden the girl and the horse. Seeking help from the Piper's, Dave becomes the object of a murderous attempt by Ruis to get what he wants through maneuvering and outright arson. The Piper's become entangled in the two-way tug of war between Dave and Ruis after they learn that Wes Piper may have legitimate claims on the Ruis ranch. Only through perseverance and the assistance of a federal circuit judge does the show-down come about. Ruis, in his maddened lunacy, snatches Andee and her mother in the hope of outdistancing the law by using the two women as hostages. Saving Andee and her mother from being savagely murdered by the deranged Don falls to the capable hands of Dave, Sam, the Piper's, and the men from the village of San Miguel. **Original Sin in the Roman Liturgy**

The Retro-Futurism of Cuteness Jen Boyle, Wan-Chuan Kao, 2017-11-03 Is it possible to conceive of a Hello Kitty Middle Ages or a Tickle Me Elmo Renaissance The Oxford English Dictionary dates the first reference to cute in the sense of attractive pretty charming to 1834 More recently Sianne Ngai has offered a critical overview of the cuteness of the twentieth century avant garde within the context of consumer culture But if cuteness can get under the skin what kinds of surfaces does it best infiltrate particularly in the framework of historical forms events and objects that traditionally have been read as emergences around big aesthetics of formal symmetries high affects and resemblances The Retrofuturism of Cuteness seeks to undo the temporal strictures surrounding aesthetic and affective categories to displace a strict focus on commodification and cuteness and to interrogate how cuteness as a minor aesthetics can refocus our perceptions and readings of both premodern and modern media literature and culture Taking seriously the retro and the futuristic temporalities of cuteness this volume puts in conversation projects that have unearthed remnants of a cult of cute positioned historically and critically in between transitions into secularization capitalist frameworks of commodification and the enchantment of objects and those that have investigated the uncanny haunting of earlier aesthetics in future oriented modes of cuteness The Latin *acutus* the etymological root of cute embraces the sharpened the pointed the nimble the discriminating and the piercing But as Michael O Rourke notes cuteness evokes a proximity that is at once potentially invasive and contaminating and yet softening and transfiguring Deploying cuteness as a mode of inquiry across time this volume opens up unexpected lines of inquiry and unusual critical and creative aporias from Christian asceticism medieval cycle drama and Shakespeare to manga Bollywood and Second Life The projects collected here point to a spectrum of aesthetic affective assemblages related to racial ethnic gender sexual and class dimensions that exceed or trouble our contemporary perceptions of such registers within object subject and subject object entanglements

Chapman,2017-02-15 The seventeenth century saw some of the most important jurisprudential changes in England s history yet the period has been largely overlooked in the rich field of literature and law Helping to fill this gap The Legal Epic is the first book to situate the great poet and polemicist John Milton at the center of late seventeenth century legal history Alison A Chapman argues that Milton s Paradise Lost sits at the apex of the early modern period s long fascination with law and judicial processes Milton s world saw law and religion as linked disciplines and thought therefore that in different ways both law and religion should reflect the will of God Throughout Paradise Lost Milton invites his readers to judge actions using not only reason and conscience but also core principles of early modern jurisprudence Law thus informs Milton s attempt to justify the ways of God to men and points readers toward the types of legal justice that should prevail on earth Adding to the growing interest in the cultural history of law The Legal Epic shows that England s preeminent epic poem is also a sustained reflection on the role law plays in human society How to Defeat Satan Neville Salvetti,2010-10-19 This booklet is a result of years of Internet Ministry ministering deliverance and teaching people how to defeat Satan and destroy his works Satan is a defeated foe and no longer has any rights in this world This means he can be sent to Jesus when he enters this world regardless of what he claims to have a right too Once you realise the lies Satan has spread about himself and the security you have in Jesus you will no longer be afraid to attack him and you will have no reason for not doing so
