The Satires of Horace and Persius Horace, 1973 **The Satires of Horace** Horace, 2012-04-17 The Roman philosopher and dramatic critic Quintus Horatius Flaccus 65 3 B C known in English as Horace was also the most famous lyric poet of his age Written in the troubled decade ending with the establishment of Augustus s regime his Satires provide trenchant social commentary on men s perennial enslavement to money power fame and sex Not as frequently

translated as his Odes in recent decades the Satires have been rendered into prose or bland verse Horace continues to influence modern lyric poetry and our greatest poets continue to translate and marvel at his command of formal style his economy of expression his variety and his mature humanism Horace's comic genius has also had a profound influence on the Western literary tradition through such authors as Swift Pope and Boileau but interest in the Satires has dwindled due to the difficulty of capturing Horace's wit and formality with the techniques of contemporary free verse A M Juster's striking new translation relies on the tools and spirit of the English light verse tradition while taking care to render the original text as accurately as possible

The Satires Horace,1909 The Satires of Horace Horace,2017-02-22 Quintus Horatius Flaccus December 8 65 BC
November 27 8 BC known in the English speaking world as Horace was the leading Roman lyric poet during the time of Augustus also known as Octavian The rhetorician Quintilian regarded his Odes as just about the only Latin lyrics worth reading He can be lofty sometimes yet he is also full of charm and grace versatile in his figures and felicitously daring in his choice of words Horace also crafted elegant hexameter verses Satires and Epistles and caustic iambic poetry Epodes The hexameters are amusing yet serious works friendly in tone leading the ancient satirist Persius to comment as his friend laughs Horace slyly puts his finger on his every fault once let in he plays about the heartstrings His career coincided with Rome's momentous change from a republic to an empire An officer in the republican army defeated at the Battle of Philippi in 42 BC he was befriended by Octavian's right hand man in civil affairs Maecenas and became a spokesman for the new regime For some commentators his association with the regime was a delicate balance in which he maintained a strong measure of independence he was a master of the graceful sidestep but for others he was in John Dryden's phrase a well mannered court slave **Horace** Horace,1968 **The Satires of Horace** Horace,Quintus Horatius Flaccus,2012-08
