Conversations with Jack Kerouac Kevin J. Hayes, 2005 There are few writers about whom it can be said that they write just like they speak but Jack Kerouac 1922-1969 is clearly one of them In 1958 Kerouac was a struggling writer trying to create a new literary aesthetic based on the rhythms of human speech jazz based improvisation autobiography and American slang That year saw the publication of his second novel On the Road which would instantly propel him to fame and ensconce him in the literary establishment By 1969 he was dead of internal hemorrhaging brought on by excessive drinking Though his literary reputation may have faded the revolutionary zeal of his novels and the originality of his voice ensure that his books are continually popular Whether because of his literary merits or his status as the voice of a new generation of writers Kerouac is the unchallenged king of the Beat generation Conversations with Jack Kerouac features interviews ranging from 1957 to 1969 covering the breadth of the author's fame and literary output Including a piece from the Paris Review and a confrontational interview with CBS's Mike Wallace the collection reveals Kerouac whether drunk or sober erudite or infantile guarded or convivial as a thoughtful writer and complex thinker who resisted all labels placed on him The interviews show how Kerouac revitalized American literature but they also trace his artistic and physical decline The final interviews show how much the writer had crippled himself emotionally with too much alcohol and how his art became more unfocused as a result Ultimately Kerouac emerges as a tragic figure whose early greatness in such books as On the Road The Dharma Bums and The Subterraneans was subsequently consumed by his inability to evolve aesthetically and by his reliance on substance abuse for inspiration Kevin J Hayes Oklahoma City is professor of English at the University of Central Oklahoma His previous books include Poe and the Printed Word Folklore and Book Culture and An American Cycling Odyssey 1887 among others

The Beat Generation FAQ Rich Weidman, 2015-09-01 The Beat Generation FAQ is an informative and entertaining look at the enigmatic authors and cutting edge works that shaped this fascinating cultural and literary movement. Disillusioned with the repression and conformity encompassing post World War II life in the United States, the Beat writers sought creative alternatives to the mind numbing banality of modern culture. Beat Generation writers were no strangers to controversy. Both Allen Ginsberg's prophetic William Blakean style poem *Howl* 1956 and William S. Burroughs' groundbreaking novel *Naked Lunch* 1959 led to obscenity trials, while Jack Kerouac's highly influential novel *On the Road* 1957 was blamed by the establishment for corrupting the nation's youth and continues to this day to serve as a beacon of hipster culture and the bohemian lifestyle. The Beat writers shared a vision for a new type of literature, one that escaped the boundaries of academia and employed an organic use of language inspired by the spontaneity and improvisational nature of jazz music and abstract expressionism. Kerouac coined this writing style, spontaneous prose. In search of deeper meaning, Beat Generation writers experimented not only with language but also with spirituality, art, drugs, sexuality, and unconventional lifestyles. Although the movement as a whole flamed out quickly in the early 1960s, replaced by the onset of the hippie counterculture, the Beats made an indelible mark on the nation's consciousness and left a long-lasting influence on its art and culture. This book details the movement, its works, creative forces, and its legacy.
