Bell,Alison K. Brown,Robert J. Gordon,2013-11-06 Recreating First Contact explores themes related to the proliferation of adventure travel which

emerged during the early twentieth century and that were legitimized by their associations with popular views of anthropology. During this period new transport and recording technologies particularly the airplane and automobile and small portable still and motion picture cameras were utilized by a variety of expeditions to document the last untouched places of the globe and bring them home to eager audiences. These expeditions were frequently presented as first contact encounters and enchanted popular imagination. The various narratives encoded in the articles, books, films, exhibitions, and lecture tours that these expeditions generated fed into pre-existing stereotypes about racial and technological difference and helped to create them anew in popular culture. Through an unpacking of expeditions and their popular wakes, the essays, 12 chapters, a preface, introduction, and afterward trace the complex but obscured relationships between anthropology, adventure travel, and the cinematic imagination that the 1920s and 1930s engendered and how their myths have endured. The book further explores the effects, both positive and negative, of such expeditions on the discipline of anthropology itself. However, in doing so, this volume examines these impacts from a variety of national perspectives and thus, through these different vantage points, creates a more nuanced perspective on how expeditions were at once a global phenomenon but also culturally ordered.

Includes an unpaginated appendix of royal warrant holders and 19 a war honours supplement. **Dead Girl Walking** Chris Brookmyre, 2015-01-22. The sixth book in the Jack Parlabane series from author Christopher Brookmyre. Life is dangerous when you have everything to lose. Famous, beautiful, and talented Heike Gunn has the world at her feet. Then one day she simply vanishes. Jack Parlabane has lost everything: his journalism career, his marriage, his self-respect. A call for help from an old friend offers a chance for redemption, but only if he can find out what happened to Heike. Pursued by those who would punish him for past crimes, Parlabane enters the world of Heike's band, Savage Earth Heart, a group at breaking point. Each of its members seems to be hiding something, not least its newest recruit, Monica Halcrow, whose possible relationship with Heike has become a public obsession. Monica's own story, however, reveals a far darker truth. Fixated on Heike from day one, she has been engulfed by paranoia, jealousy, and fear as she discovers the hidden price of fame. From Berlin to Barcelona, from the streets of Milan to remote Scottish islands, Parlabane must find out what happened before it's too late, all while the walls are closing in on him.

At War David Kieran, Edwin A. Martini, 2018-04-05. The country's wars in Iraq and Afghanistan, its interventions around the world, and its global military presence make war, the military, and militarism defining features of contemporary American life. The armed services and the wars they fight shape all aspects of life, from the formation of racial and gendered identities to debates over environmental and immigration policy. Warfare and the military are ubiquitous in popular culture. *At War* offers short, accessible essays addressing the central issues in the new military history, ranging from diplomacy and the history of imperialism to the environmental issues that war raises and the ways that war shapes and is shaped by discourses of identity to questions of who serves in the U.S. military and why and how U.S. wars have been represented in the media and
