Christian Library ,1835 **Just in Time! Baptism Services, Sermons, and Prayers** Rev. Kenneth H. Carter JR.,2010-09-01 Few services are more important in the life of the congregation than the service of baptism Part of the Just in Time series Baptism Services Sermons and Prayers provides prayers litanies sermon ideas and other resources designed to render baptism meaningful to the entire congregation It also includes ideas for special baptismal services such as those associated with confirmation and youth retreats **TRANSFORMED ON THE MOUNTAIN** Marcella Reid Figueroa,2024-08-21 Scripture note 1 C Corinthians 12 12 31 Scripture note 1 C Corinthians 12 12 31 Tension is a term musicians often use to describe the condition of the strings on instruments like the violin the cello the harp or the guitar Musicians know that the tone or pitch produced by the instrument is greatly affected by the tension of the strings carrying the sound The outcome of good tension is good sounding music while bad tension produces sour flat or sharp sounds that are unpleasant to listen to There is good tension and bad tension in church as well One task of effective leadership is to discern good and bad tension within the church The outcome of good tension is success in achieving the goals and objectives of the ministry Bad tension can result in chaos complexity confusion and contradiction Bad tension freezes a ministry in time with no productive movement no common ground no unity and an endless array of activity spiraling into uselessness When each member of the church discovers his her own God given abilities to express love for God through the service of humankind the result is not unlike a symphony of diverse instruments chords and sounds all making a joyful sound in peaceful coexistence Bad tension creates a stench in God s nostrils It is the task of every Christian to embark upon a journey of discovery that ends in a God given ministry niche or place of service God calls every Christian to God s own hands to be broken melted molded filled and used to the glory of God Leaders are part of the solution and not part of the problem How does a vibrant and healthy congregation balance the need for stable leadership with the need for change How do changes within a ministry impact relationship within the church What effect does systemic change have on the entire church body What is the role of leadership in church relations What is a creative tension dynamic Leaders today must learn constructive interventions that interrupt malevolent cycles of destructive behaviors in order to balance the tension between resistance and acceptance in a way that empowers ministry and inspires growth Record of Christian Work Alexander McConnell,William Revell Moody,Arthur Percy Fitt,1881 Includes music **Basic Christian Doctrine** John H. Leith,1993-01-01 John Leith provides a brief but comprehensive statement of Christian faith for contemporary Christians He considers the theologians of the ancient church and affirm the faith of the ancient creeds The Evangelist , **Christian Thought** ,1907 ... **Select Notes on the International Sunday School Lessons** ...
