## **Saving Souls Serving Society Understanding The Faith Factor In Church Based Social Ministry:**

**Saving Souls, Serving Society** Heidi Rolland Unruh, Ronald J. Sider, 2005-10-06 As public funding for social services has been slashed there has arisen an unprecedented interest in the potential and dangers of faith based institutions as agents of social change This text seeks to answer pressing questions surrounding this important and controversial issue **Religion and Social Development in Post-apartheid South Africa** Ignatius Swart, Hermann Rocher, Sulina Green, Johannes Erasmus, 2010-10-01 It reflects original research and contributes to new developments in the field of theology and religion with regard to its developmental role within a transformation context The book may easily stand out in future as seminal in the way that it promoted the social development debate of the church and its organisational structures from an interdisciplinary focus Prof Antoinette Lombard Department of Social Work and Criminology University of Pretoria *Not by Faith Alone* Julie Adkins, Laurie A. Occhipinti, Tara Hefferan, 2010-01-01 This volume builds on the existing ethnographic literature on faith based development internationally to offer a fresh and sophisticated analysis of faith based organizations in the United States The case studies included offer starting points for expanded discussions on the meaning of faith based development the differences between faith based and secular development approaches the influence of faith orientation on program formulation and delivery and whether faith based organizations can offer more efficient and effective solutions to structural inequality and poverty alleviation *Faith-Based Social Services* Stephanie C. Boddie, Ram A. Cnaan, 2012-11-12 Read the latest studies on the effectiveness of religious based services and the problems revealed in the assessment The Charitable Choice provision and the Bush Administration s National Faith Based Initiative have broadened the scope of social services delivered through faith based organizations There are expectations that these faith based social service providers will be more effective but how should that effectiveness be measured Faith Based Social Services Measures Assessments and Effectiveness explains the nature and quality of religion based social service delivery while serving as a point of reference for future research and work This unique source tackles the important complex issue of measuring the effectiveness of faith based social services in comparison to secular services while providing analysis of the latest available studies Faith Based Social Services Measures Assessments and Effectiveness provides a conceptual analysis of FBOs faith based organizations that reflects the need to gather detailed studies to assess social service effectiveness while reviewing the crucial issues challenging public policy The latest empirical research is detailed including the problems found when comparing secular and faith based social service providers their organizational structures and the types of services offered Analysis is included of the data from a three state evaluation of welfare to work programs a study of four types of faith based services found in four cities and an assessment of a church based program for teenage drop outs Topics in Faith Based Social Services Measures Assessments and Effectiveness include discussion on how social science research shunned faith based services and how this neglect affected effectiveness problems inherent in efficacy assessment making funding priorities decisions the causes of

outcome differences a model of evaluation based on randomized controlled clinical trials using measurement practices currently used by the nonprofit sector comparative case studies in transitional housing parent education and residential substance abuse treatment programs latest analysis of research involving faith based organizations and the provided services efficacy much more Faith Based Social Services Measures Assessments and Effectiveness is illuminating reading perfect for social work professionals students educators sociologists religious leaders and seminary educators

**Claiming Society for God** Nancy J. Davis, Robert V. Robinson, 2020-03-04 The nonviolent ways orthodox religious groups achieve social power and influence a brilliant study of four movements in the US and abroad Wendell Bell Yale University Gold Medal Winner Independent Publisher Book Awards Claiming Society for God focuses on common strategies used by religiously orthodox what some would call fundamentalist movements around the world Rather than using armed struggle or terrorism as much of post 9 11 thinking suggests these movements use a patient under the radar strategy of taking over civil society Claiming Society for God tells the stories of the Muslim Brotherhood in Egypt the Sephardi Torah Guardians or Shas in Israel Comunione e Liberazione in Italy and the Salvation Army in the United States showing how these movements grounded in a communitarian theology are building massive grassroots networks of religiously based social service agencies hospitals and clinics rotating credit societies schools charitable organizations worship centers and businesses These networks are already being called states within states surrogate states or parallel societies and in Egypt brought the Muslim Brotherhood to control of parliament and the presidency This bottom up entrepreneurial strategy is aimed at making religion the cornerstone of society Sociology at its very best professionally researched and analyzed both pragmatic and theoretical overwhelmingly convincing and an important corrective to a lot of current beliefs a great read fascinating from beginning to end Wendell Bell Yale University author of Foundations of Futures Studies

**The Arc of Faith-Based Initiatives** John P. Bartkowski, Susan E. Grettenberger, 2018-05-17 This volume offers an in depth examination of a diverse range of faith based programs implemented in three different geographical locales family support in rural Mississippi transitional housing in Michigan and addiction recovery in the Pacific Northwest Washington Oregon Various types of religious service providers faith intensive and faith related are carefully examined and secular organizations also serve as an illuminating point of comparison Among other insights this book reveals how the three C s of social service provision programmatic content organizational culture and ecological context all combine to shape the delivery of welfare services in the nonprofit world This book warns against simplistic generalizations about faith based organizations Faith based providers exhibit considerable diversity and quite often remarkable resilience in the face of challenging social circumstances An appreciation of these nuances is critical as policies concerning faith based organizations continue to evolve

**Social Work and Faith-based Organizations** Beth R. Crisp, 2014-04-29 Faith based organizations continue to play a significant role in the provision of social work services in many countries but their role within the welfare state is often contested This text explores their various roles and relationships to

social work practice includes examples from different countries and a range of religious traditions and identifies challenges and opportunities for the sector Social Work and Faith based Organizations discusses issues such as the relationship between faith based organizations and the state working with an organization s stakeholders ethical practice and dilemmas and faith based organizations as employers It also addresses areas of debate and controversy such as providing services within and for multi faith communities and tensions between professional codes of ethics and religious doctrine Accessibly written by a well known social work educator it is illustrated by numerous case studies from a range of countries including Australia the UK and the US Suitable for social work students taking community or administration courses or undertaking placements in faith based organizations this innovative book is also a valuable resource for managers and religious personnel who are responsible for the operation of faith based agencies

Faith-Based Inefficiency Bob Wineburg, 2007-01-30 On January 29 2001 President Bush established the White House Office of Faith Based and Community Initiatives Its stated mission is to fight society s ills by rallying the armies of compassion inside America s churches In Faith Based Inefficiency Bob Wineburg argues that beneath the compassionate camouflage lies a five star war plan to demolish government programs mobilize and increase the size of the evangelical Christian voting block shift government money to churches and other faith based organizations in the conservative led culture war and develop a smoke screen of convincing media images and baffling words to confuse detractors This largely understated relationship between the plan s politics and its service delivery has been overlooked until now Wineburg untangles the web of motives and complex activities in this newest dimension of the ongoing culture war to capture America s soul He identifies the parties religious extremists social engineers and politicians and shows how they work to further the agenda of the core constituency of compassionate conservatism His analysis clearly explains this initiative and exposes the naivete of the Administration s approach to fixing the serious and complex problems of persistent poverty In addition Wineburg illustrates through first hand examples what is required for effective services and he shows how local communities can develop plans to produce more skills for coping with local problems He addresses complex issues like worker displacement illiteracy child abuse substance abuse and prison reentry while offering workable options for small churches to participate in partnerships with government and other local nonprofits to prevent solve and manage such problems

**Pluralism and Freedom** Stephen V. Monsma, 2012 Faith based organizations play a major role in providing a host of health educational and social services to the public Nearly all these efforts however have been accompanied by intense debate and numerous legal challenges The right of faith based organizations to hire based on religion the presence of religious symbols and icons in rooms where government subsidized services are provided and the enforcement of gay civil rights to which some faith based organizations object all continue to be subjects of intense debate and numerous court cases In Pluralism and Freedom Stephen V Monsma explores the question of how much autonomy should faith based organizations retain when they enter the public realm He contends that pluralism and freedom demand their religious freedom be

respected but that freedom of all religious traditions and of the general public and secular groups be equally respected ideals that neither the left nor the right live up to In response Monsma argues that democratic pluralism requires a genuine authentic but also a limited autonomy for faith based organizations providing public services and offers practical concrete public policy applications of this framework in practice *Megachurches and Social Engagement* Mark J. Cartledge, Sarah Dunlop, Heather Buckingham, Sophie Bremner, 2019-06-07 This book is the first detailed academic study of megachurches in the UK In particular it explores the nature and significance of social engagement by megachurches in the context of London The research contains empirical case studies of two Anglican and three African diaspora Pentecostal churches As well as exploring the range of social engagement activities provided by these churches the study offers explanations in term of theological motivations and the influence of globalisation Subsequently the book outlines the importance of the findings for the relationship between church and society in the contemporary context addressing the implications for social policy and practice The book advances discussions in public theology megachurch studies Pentecostal and Charismatic studies and ecclesiology *Religiously Affiliated Agencies: Oxford Bibliographies Online Research Guide* Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www.aboutobo.com](http://www.aboutobo.com) *Religion and Intimate Partner Violence* Nancy Nason-Clark, Barbara Fisher-Townsend, Catherine Holtmann, Stephen McMullin, 2018 Intimate partner violence is a complex ugly fear inducing reality for large numbers of women around the world When violence exists in a relationship safety is compromised shame abounds and peace evaporates Violence is learned behavior and it flourishes most when it is ignored minimized or misunderstood When it strikes the homes of deeply religious women they are more vulnerable more likely to believe that their abusive partners can and will change less likely to leave a violent home temporarily or forever often reluctant to seek outside sources of assistance and frequently disappointed by the response of the religious leader to their

call for help These women often believe they are called by God to endure the suffering to forgive and to keep on forgiving their abuser and to fulfill their marital vows until death do us part Concurrently many batterers employ explicitly religious language to justify the violence towards their partners and sometime they manipulate spiritual leaders who try to offer them help Religion and Intimate Partner Violence seeks to navigate the relatively uncharted waters of intimate partner violence in families of deep faith The program of research on which it is based spans over twenty five years and includes a wide variety of specific studies involving religious leaders congregations battered women men in batterer intervention programs and the army of workers who assist families impacted by abuse including criminal justice workers therapeutic staff advocacy workers and religious leaders The authors provide a rich and colorful portrayal of the intersection of intimate partner violence and religious beliefs and practices that inform and interweave throughout daily life Such a focus on lived religion enables readers to isolate examine and evaluate ways in which religion both augments and thwarts the journey towards justice accountability healing and wholeness for women and men caught in the web of intimate partner violence

**Faith Communities and the Fight for Racial Justice** Robert Wuthnow, 2023-11-14 The communities congregations and faith based coalitions that have been working for racial justice over the past fifty years Have progressive religious organizations been missing in action in recent struggles for racial justice In Faith Communities and the Fight for Racial Justice Robert Wuthnow shows that contrary to activists accusations of complacency Black and White faith leaders have fought steadily for racial and social justice since the end of the Civil Rights movement of the 1950s and 1960s Wuthnow introduces us to the communities congregations and faith based coalitions that

have worked on fair housing school desegregation affirmative action criminal justice and other issues over many years Often overshadowed by the Religious Right these progressive faith based racial justice advocates kept up the fight even as media attention shifted elsewhere Wuthnow tells the stories of the faith based affordable housing project in St Louis that sparked controversy in the Nixon White House a pastor s lawsuit in North Carolina that launched the nation s first busing program for school desegregation the faith outreach initiative for Barack Obama s presidential campaign and church mobilized protests following the deaths of Trayvon Martin Freddie Gray and George Floyd Drawing on extensive materials from denominations journalists and social scientists Wuthnow offers a detailed and frank discussion of both the achievements and the limitations of faith leaders roles He focuses on different issues that emerged at different times tracing the efforts of Black and White faith leaders who sometimes worked cooperatively and more often tackled problems in complementary ways Taken together these stories provide lessons in what faith communities have done and how they can better advocate for racial justice in the years ahead

**Engage!** Dana Horrell,2019-04-02 Author Dana Horrell has called on his years of experience in community action to create this practical guide to help congregations reach out to their local communities Church leaders often want to do more to engage their community contexts but when it comes to the actual how to do it they find themselves blocked Engage provides practical and proven tools to help leaders develop methods and strategies to get started and break through these barriers These tools twenty six in all are drawn from a variety of sources including congregations church consultants researchers and nonprofit organizations Some of these tools have a long history of use and may seem quite familiar while others may seem new and untested yet intriguing These tools represent best practices and have been tried somewhere and found a degree of success

**Living Faith** Susan Crawford Sullivan,2012-03-15 Scholars have made urban mothers living in poverty a focus of their research for decades These women s lives can be difficult as they go about searching for housing and decent jobs and struggling to care for their children while surviving on welfare or working at low wage service jobs and sometimes facing physical or mental health problems But until now little attention has been paid to an important force in these women s lives religion Based on in depth interviews with women and pastors Susan Crawford Sullivan presents poor mothers often overlooked views Recruited from a variety of social service programs most of the women do not attend religious services due to logistical challenges or because they feel stigmatized and unwanted at church Yet she discovers religious faith often plays a strong role in their lives as they contend with and try to make sense of the challenges they face Supportive religious congregations prove important for women who are involved she finds but understanding everyday religion entails exploring beyond formal religious organizations Offering a sophisticated analysis of how faith both motivates and at times constrains poor mothers actions Living Faith reveals the ways it serves as a lens through which many view and interpret their worlds

**The Oxford Handbook of Mission Studies** Kirsteen Kim,Knud Jørgensen,Alison Fitchett-Climenhaga,2022-04-18 The Oxford Handbook of Mission Studies represents more than a century of scholarship

related to the theology history and methodology of the propagation of Christian faith and the engagement of Christians with cultures religions and societies worldwide It contains more than 40 articles by experts from different disciplinary and ecclesial perspectives who are from all continents It not only offers a broad overview of key approaches and issues in mission studies but it also highlights current trends and suggests future developments The Handbook builds on renewed interest in mission studies this century generated by recent key statements on mission from ecumenical evangelical Catholic and Orthodox sources and by a spate of academic works on the topic Western church leaders now apply insights from foreign missions such as inculturation liberation interfaith work and power encounter to today s multicultural societies Meanwhile there are new initiatives in mission from the Majority World where most Christians live so that sending is not only from the west to the rest but from everywhere to everywhere Therefore this volume aims to reflect the voices of the receivers of mission as well as its protagonists and to raise awareness of new movements In a time of growing recognition of religions more generally this work examines and theorizes the missional dimensions of the world s largest religion its agendas growth outreach role in public life effect on cultures relevance for development and its approaches to other communities
