Shallow Man:

The Gay Man's Guide to Open and Monogamous Marriage Michael Dale Kimmel, 2017-06-09 Legal gay marriage is still a relatively new phenomenon As gay men who are now able to get married we find ourselves in a bit of a quandary for many male couples sex is a lot more important for us than it is for heterosexuals Two married men often have a stronger desire for sex wanting more of it and with a wider variety of partners than married opposite sex couples How does this work within the structure of a monogamous marriage Is an open relationship a better structure for gay marriage Assuming that gay marriages will emulate heterosexual marriages is neither a valid nor a helpful assumption But as gay men where does that leave us There are currently no rule books for how a marriage between two men could or should work While there are lots of books about how to plan your gay wedding there are virtually none that address what to do after the honeymoon is over literally and figuratively This book fills that void It offers married gay couples and gay men considering marriage an easy to follow practical framework that they can use to help create adjust and structure their marriages Using helpful examples and first hand quotes throughout Openly gay psychotherapist Michael Dale Kimmel offers a roadmap for gay men who want to be married but have questions and concerns about monogamy and monotony

About Men and Things C. S. Henry, 2025-08-27 Reprint of the original first published in 1873 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

Comedies William Shakespeare, 2018-05-23 William Shakespeare the famous writer and playwright national English poet who inspired artists writers and poets and influenced on the formation of modern English language and his creations became part of the common unconsciousness Numerous stage performances and films bring us over and over again to the characters created by a genius English playwright The collection contains The Taming of the Shrew Measure for Measure All s Well That Ends Well and other tragedies by William Shakespeare The Taming of the Shrew Love s Labour s Lost Cymbeline King of Britain The Two Gentlemen of Verona As You Like It All s Well That Ends Well Measure for Measure The Merry Wives of Windsor TROILUS AND CRESSIDA The Winter s Tale

The Plays and Poems William Shakespeare, 1843
