Meditations on the Death and Resurrection of Jesus

A painting of a man in a dark coat and hat walking a dog on a dirt path. The path is illuminated by a warm, golden light, possibly from a low sun or a lantern. The background is dark and textured, suggesting a forest or a rugged landscape. The overall mood is contemplative and serene.

Dying of Jesus Owen F. Cummings,2016-07-13 The liturgical season of Lent and Good Friday are very important for Christians as they meditate and reflect upon the dying of Jesus These are traditions that take us back to the very beginnings of the Christian tradition From early times pilgrims have made their way to the Holy Land especially Jerusalem to walk where Jesus walked and to remember his death on the cross Not everyone can go to Jerusalem and we cannot stand at the foot of the cross of Jesus but the Stations of the Cross and the Seven Last Words may take us to Jerusalem and to Calvary imaginatively

Did Jesus Rise from the Dead? Matthew Levering,2019-02-21 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons

for believing that Jesus Resurrection happened **The Liturgy of the Eucharist: An Introductory Guide** Paul Monk,2024-04-30 Vestry Guides 3 The vast theology and enormous depth of the Eucharist explains why it has been central to Christian worship since the time of the apostles This modern guide to the Liturgy explores the Church of England s Common Worship form of service It explains and demystifies everything about the words actions traditions and meaning within the Eucharist service both implicit and explicit Throughout the explanations are printed facing the respective text of the service allowing the reader to follow through in real time as a service proceeds and thereby appreciate better the various parts and gain a fuller understanding of the liturgy The approach here is conceived for adult candidates for confirmation or considering reception into the church It is also an ideal introduction for anyone interested in learning more about the Anglican liturgy as well as an excellent resource for teaching and discussing its meaning **The Prayers of Saint Isaac of Nineveh** Sebastian Brock,2024-08-30 Fairacres Publications 216 The scholarly investigations and translations of Prof Sebastian Brock have been largely responsible for bringing Saint Isaac of Nineveh also known as Isaac the Syrian to public attention Isaac was a seventh century Syriac Christian bishop and monastic author from Beth Qatraye in the region of Qatar He is best known for his writings on Christian asceticism This selection of Isaac s prayers taken from the three collections of his Discourses is elegantly translated by Dr Brock into accessible English bringing the thought and prayer of one of the great Fathers of the Church to modern readers Their simplicity and sincerity have a surprising beauty and relevance to our Christian journey **Made All of Light** Thomas Campion,2024-09-17 Thomas Campion 1567 1620 was a composer of lute song and the author a significant body of Latin and English poetry and masques written for the Stuart court This volume collects all of Campion s sacred poetry in one place for the first time Campion s lyric style was influenced by Sir Philip Sidney but also by the music to which it was most often set the lines flow gracefully with an elegant and direct communication of depth and sincerity Campion s faith is evident and his texts speak as vividly to us today as they did to those who copied and shared them during his lifetime and beyond **Strength in Weakness: The Scandal of the Cross** John W. Rogerson,2010-03-26 Fairacres Publications 160 These theological reflections on the Cross and Passion of Jesus Christ touch upon some central paradoxes of the Christian faith Jesus was put to death publicly by crucifixion which according to traditional Jewish teaching was a scandal and an affront to God Yet a Roman centurion present was able to exclaim in awe Truly this man was the Son of God The book invites us to ponder instances where strength was manifested in weakness not only for Jesus in Gethsemane at his Trial and on the Cross but also for those two pillars of the early Church Peter and Paul as they too wrestled with the Scandal of the Cross **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly

purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Mary and the Mystery of the Incarnation Andrew Louth, 2024-05-10 Fairacres Publications 67 In this essay Professor Andrew Louth shows how the great twentieth century theologian Karl Barth opens up an illuminating and fruitful approach to the significance of Mary the Mother of God It was not within the scope of Barth s Church Dogmatics to develop Mariology but his insight into the unique role of Mary in the mystery of the Incarnation has an enduring importance for the progress of ecumenical dialogue

Our Home is in God John Townroe, 2025-03-04 This book is about finding our spiritual home in God and how that helps us to lead a life of honesty and genuine love towards the rest of humanity and the planet that sustains our physical lives A person comes home to God by learning how to walk by faith instead of being driven by fear by finding freedom of spirit through accepting whatever yoke of discipline fits their situation In this way a person comes not only to themselves but to God to a living knowledge of God Through this understanding we reach the realization of God as our true home someone who is always there when we turn to Him who welcomes us back no matter how far we stray or for how long Our true home our safe haven the place where we are fully loved is in God Drawing on Townroe s retreat talks these essays span many decades but the universal truths on which they are founded resonate through time and through the shifts and changes of our increasingly complex society

When God Hides Joseph Evans, 2024-09-26 The poems in this collection were written after a time of literary dryness in the author s life Yet as he rejoiced to rediscover his voice he also had to struggle with the apparent silence of God feeling keenly that He was playing a sort of hide and seek game with him But as the game has also afforded many moments of light this collection is full of joy and delight in the ordinary apparently prosaic events of life

Zeal for the Faith Tony Dickinson, 2024-09-30 Fairacres Publications 221 In recent years relations between Christians and Muslims have been reduced in much popular discourse to a simple and often polarized opposition Historically the relationship between these two Abrahamic faiths has been much more nuanced and complex In this book Tony Dickinson explores some of the complexities both in Christian Muslim relations and within Islam from the earliest years of Muhammad s prophetic activity until the controversies and conflicts of the present and suggests some possible approaches to contemporary inter faith dialogue

And We Shall Be Changed James

Ramsay,2025-04-08 Most of us most of the time prefer not to think about the universal experience of death Death arouses disturbing instincts emotions and memories This is a book for those wishing to understand more about the Christian journey at the end of life but it is not just a book about death it is also about living with courage and grace and about facing our fears The author writes both for the dying and for those who accompany them He examines the questions that we are often too afraid to ask and helps us to encompass death through a deeper understanding of the promise of union with God and life everlasting

The Lure of Transcendence and the Audacity of Prayer Samuel E. Balentine,2022-06-24 The discourse of prayer responds to the abiding lure of transcendence From Gilgamesh to the primordial human beings in Eden to Odysseus the quest for ultimate truths has summoned forth all manner of human effort courageous desperate pious impious successful failed invited forbidden and like all such lures one can never be certain whether the glimmer of transcendence is that of a bright and shining star that illuminates the shadows or only a shiny object that seduces one into an inescapable darkness a fishing lure for example In this study Samuel E Balentine demonstrates how prayer s invocation of God transgresses the limits of human beings The author shows how inviting let alone commanding God to speak may be the acme of bardic pretention but in the ancient world such transgression characterizes the audacity of prayer

Lent With George Herbert Tony Dickinson,2022 Fairacres Publication 194 The poems of George Herbert 1593 1633 have nurtured the faith of countless Anglican Christians and others since their posthumous publication in 1633 Described by the poet as a picture of the many spiritual conflicts that have passed between God and my soul before I could subject mine to the will of Jesus my Master Herbert s poetry weaves together recognition of the glory and diversity of God s creation and of the ingenuity of human beings in their attempts to map and control that creation awareness of human frailty and sinfulness and awed realisation of the infinite love of God The themes of frailty and forgiveness underlying Herbert s poetry also mark the season of Lent In recognition of this Tony Dickinson takes eight of the poems that tackle these great themes relevant as much to the twenty first century as to the seventeenth and week by week through Lent from Ash Wednesday to Easter Day unpacks the language in which George Herbert explores them language that often appears direct and simple but whose simplicity frequently conceals a depth and density of meaning that few other writers can match

The Analogy of Love Gary Chartier,2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of

theological method It seeks to integrate a focus on love throughout While love is regularly canvassed as a dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians

Landscape, Soul and Spirit Andy Lord, 2025-02-11 How might we develop our spirituality in the context of an environmental crisis that demands changes to our individual and communal ways of life There is a challenge to develop our inherited patterns of spiritual life in the current ecological context This book aims to reflect on the Christian contemplative tradition in dialogue with writings of the leading nature writer Robert Macfarlane The argument is that each of his six books can be seen as nurturing a particular spiritual practice In this Macfarlane s focus on interactions between landscapes and the soul is extended to include the spirit At a time of crisis it is important to nourish contemplative approaches that engage our longings attentiveness and sense of time These enable us to discover renewal hear fresh voices and live in union with all of life This book acts both as an introduction to Macfarlane and a stimulus to further reflection on spirituality and the environment
