Love And Devotion:

The Love of Devotion Donna Goddard,2022-12-30 Donna Goddard takes us into the stillness that heals the love that asks nothing and the beauty that quietly underlies all things Addiction and Devotion in Early Modern England Rebecca Lemon,2018-02-02 Rebecca Lemon illuminates a previously buried conception of addiction as a form of devotion at once laudable difficult and extraordinary that has been concealed by the persistent modern link of addiction to pathology Surveying sixteenth century invocations she reveals how early moderns might consider themselves addicted to study friendship love or God However she also uncovers their understanding of addiction as a form of compulsion that resonates with modern scientific definitions Specifically early modern medical tracts legal rulings and religious polemic stressed the dangers of addiction to alcohol in terms of disease compulsion and enslavement Yet the relationship between these two understandings of addiction was not simply oppositional for what unites these discourses is a shared emphasis on addiction as the overthrow of the will Etymologically addiction is a verbal contract or a pledge and even as sixteenth century audiences actively embraced addiction to God and love writers warned against commitment to improper forms of addiction and the term became increasingly associated with disease and tyranny Examining canonical texts including Doctor Faustus Twelfth Night Henry IV and Othello alongside theological medical imaginative and legal writings Lemon traces the variety of early modern addictive attachments Although contemporary notions of addiction seem to bear little resemblance to its initial meanings Lemon argues that the early modern period s understanding of addiction is relevant to our modern conceptions of and debates about the phenomenon Just Love Sri Swami Vishwananda,2012-05-08 JUST LOVE contains everything the entire universe It describes a Love that has been addressed before after all there is essentially nothing new to add to the wisdom of the Holy Scriptures of both East and West yet the way this Love is addressed is new and speaks to us at the beginning of the 21st century in a way that touches us deeply JUST LOVE is expressed by someone who not only knows about the all pervading all sustaining Divine force that forms the creation of the Universe but who is completely one with it JUST LOVE is the first major book written with words directly from Sri Swami Vishwananda It contains a collection of 52 talks expressed by a fully realized soul to enable each and everyone to attain the Divine Light in a simple way Sri Swami Vishwananda s message is simple Just Love Yes just love Love is all there is Love is all you have to do the rest will take care of itself *Love and Devotion* Nitya Chaitanya Yati,1976 **Songs of Faith, Hope, and Love. For Sunday Schools and Devotional Meetings** Albert Junos Holden,2024-02-09 Reprint of the original first published in 1883 **Love and War** Tom Digby,2014-10-28 Ideas of masculinity and femininity become sharply defined in war reliant societies resulting in a presumed enmity between men and women This so called battle of the sexes intensifies in tandem with dispositions to fight actual wars These are among the fascinating discoveries Tom Digby shares in Love and War which describes the making and manipulation of gender in both militaristic and nonmilitaristic societies and the consequences for men and women in their

personal romantic sexual and professional lives Drawing on cross cultural comparisons and examples from popular media including sports culture the rise of gonzo and bangbus pornography and Internet trolls Digby shows how misogyny and toughness are deployed to construct masculinity in ways that undermine relations between women and men Through diverse philosophical methodologies he identifies the cultural elements that contribute to heterosexual antagonism such as an enduring faith in male force to solve problems the glorification of violent men who suppress caring emotions the devaluation of men's physical and emotional lives an imaginary gender binary male privilege premised on the subordination of women and the use of misogyny to encourage masculine behavior Digby tracks the collateral damage of this disabling misogyny in the lives of both men and women but ends on a hopeful note He ultimately finds the link between war and gender to be dissolving in many societies war is becoming degendered and gender is becoming demilitarized **Better Together**

Divine versus Worldly Love Helena Petrovna Blavatsky, 2017-10-28 Worldly and Devotional Love compared and contrasted Worldly Love is an intoxication of the Astral Light It is a state of severe mental perturbation Divine Love is the Law of Universal Sympathy Worldly and Devotional Love are the two opposing paths of One Divine Love in the mayavic universe of being Monosexual consciousness is a characteristic of psychic development But in spiritual development consciousness is asexual The first step in true occultism is to try to apprehend the meaning of Universal Brotherhood Devotion and aspiration will help to raise consciousness to higher planes where faith self sacrifice and loyalty to the Teachers is rewarded Give it all away or you will lose it Can devotion to inner contemplative life and a life of fine unselfishness allow of the growth of faculties otherwise dormant and a growing recognition of the underlying unity of man and his surroundings so that truth will make itself known from within and help one to develop a greater physical command of the forces of nature Without Esoteric Philosophy guiding the soul neither meditation nor devotion to duty can make the Wisdom of Love bare her bosom to the inner eye and reveal the sublime secrets of Cosmogony to the multitude Angel worship is misplaced and ill advised
