Treacy, 1994-04 **The Halted Continuation** B. K. Slocumb, 2014-03-28 He is watching praying he can be a better man than the monster he sees It is time he owns up to his mistakes Is he strong enough Can love change the will of a man A shocking event that sought to destroy Nich s family catapults him in triumph and chaos His mind hungers for vengeance Darkness follows Micah and seeks to destroy the family she fights to keep Ruth deciding that anger and misery was all she had left is jolted into a reality of complications It is through the brokenness of two families that Nich and Ruth are horrifically renewed on the road to unsightly redemption Will their love prepare them for what lies ahead Theirs is a story of the humanity in its rare form ugly and hopeful

Agapé Craig A. Boyd, 2017-03-02 This book brings together philosophical and theological perspectives on agapistic love The aim of the text is to illuminate the nature of unlimited love by distinct and integrative approaches to the intersection of the divine and the human Various scientific approaches to human forms of love seem to shed light on our nature as social beings But to what extent are the natural desires for affection sexual love and friendship augmented revised perfected or replaced by the gift of grace In other words we can ask how is it that agap modifies or shapes the natural loves Diverse theological and

moral traditions address the question in quite startling contrast Thomists follow the dictum that Grace does not destroy nature but perfects it Lutherans draw a sharp contrast between law and Gospel while Wesleyans see charity as the sanctifying power of the Holy Spirit Some feminist theorists see the idea of self giving love as contrary to genuine self fulfilment while the neo Kantians see love as a duty to others and some Kierkegaardians see the command to love as an unusual manifestation of divine command ethics These diverse approaches in light of contemporary research in the natural and social sciences can provide fertile ground for the exploration of the intersection of human and divine love To date there is no text available that brings scholars from various theological and philosophical backgrounds together to engage in interdisciplinary dialogue on this important and much neglected aspect of research into the human and divine loves This book offers a significant attempt to remedy the situation

Almighty Matters Nicholas Berry,2016-01-01 Almighty Matters God s Politics in the Bible explores the underlying politics of the Hebrew and Christian Bibles by uncovering their political theological connection in a single story line The

politics of the New Testament completes the politics of the Old Although it has long been recognized that the Hebrew Bible prominently portrays the political development of God's Chosen People the role of Jesus as a politician the founder of a movement aimed from its beginning at subverting and capturing the Roman Empire has not been recognized Putting the Hebrew and Christian Bibles political approach foremost shows why so much of it is hidden and why until recently Jewish Christian relations have been contrary to God's design

Songs in the Night Michael A. Milton, 2024-10-18 Always preach to broken hearts and you will never lack for a congregation an old saying goes And for that reason this book is for everyone because there are many many things that break our hearts Sicknesses spiritual depression disabilities painful memories strained relationships all of these weigh on Christians hearts at one time or another And even when our hearts feel light there is a longing that runs through us a crying of the soul for eternity for a new heavens and a new earth Yet even in the midst of our heartache we know there is a faith that comes from Jesus Christ that not only encourages us through our pain but can even transform our pain as long as we let it And here is a collection of warm pastoral messages filled with personal illustration that does just that helps the brokenhearted Christian to locate the God of all comfort in the center of all pain We are not left there either Mike Milton takes us a step further to see how the gospel actually transforms our private pain into personal praise So read and discover how God uses the things that seek to destroy us to become the very things that bring us salvation bring us hope bring us to prayer bring us together and ultimately bring us to heaven
