Lover Of Truth:

Irenicum, to the Lovers of Truth and Peace. Heart-divisions opened in the causes and evils of them: with cautions that we may not be hurt by them, and endeavours to heal them Jeremiah BURROUGHS (Puritan Divine.),1653 *The Power of Truth and Love. A Sermon [on 2 Cor. ii. 4], Etc* John Holt Rice,1828 **The laws of Human nature Unity of Universal love**

,2023-12-22 Introduction A life of Healing a life of Health A life worth living is a life of Wealth I have practiced over 25 years as a chiropractor and I have learned that most people come to me to treat their pain I m sure that most doctors and therapists have the same experience people want to receive a treatment that will cure their illness As I treat my patients I m also analyzing how their problem was created I m looking at various factors like diet lack of exercise injurious repetitive movements or anything else that could provoke the problem I m trying to get the patient to take responsibility for their problem and help me with their treatment It appears that I m treating their physical illness but over the years I have come to a new realization that a person s emotional mental and spiritual side can also affect their health The reality of the situation is that we can t separate an illness into a physical emotional mental or spiritual ailment because everything works together I now understand that attitudes play an essential role in our health and wellbeing Attitudes have characteristics that are physical emotional mental and spiritual In psychology attitudes are labeled as behavioral physical affective emotional and cognitive mental In this book attitudes have a spiritual side as well attitudes will have a positive spiritual value or a negative spiritual value Attitudes that bring people together and unite them has an energy with a positive spiritual value and attitudes that are divisive and cause separation has a negative value If we have attitudes with a negative spiritual energy then they will cause illness physical illness mental illness and emotional illness We need to adopt attitudes with a positive spiritual energy if we want to stay healthy and grow spiritually Spiritual growth is there for all of us but we have to make the effort no one can make us grow spiritually Looking for someone to cure our ills is a short term proposition the long term cure is when we discover what is causing us harm and create a healthy lifestyle The 7 Laws of Human Nature is a scientific philosophical study into the human consciousness the 7 chakras and the human aura We use theories to make sense about what we are observing in life to explain ideas and interpret facts The 1st chapter is the Theory of the Oneness of Universal Love which will present 7 hypotheses These hypotheses will present facts and suppositions of facts which will be followed up by a theory This is all happening on four energy levels physical emotional mental and spiritual Life on Earth has to have a reason our lives aren t an accident and this book presents a logical theory on the how and why of life This is a book on love and how love works in our lives With Love and Devotion to All *Failsafe* Kenny Luck,2021-07 A powerful book for men s groups and for personal growth Failsafe reconnects men to their identity in Christ made in the image of a loving God and remade as new creations no longer bound to the patterns of this world thanks to the saving work of Jesus As this connection with God is strengthened men are reborn Their emotional lives realign Their character spirituality and emotional health come back into
