## **Loyal Conspiracy The Lords Appellant:**

*The Loyal Conspiracy* Anthony Goodman, 2023-10-09 First published in 1971 *The Loyal Conspiracy* gives a detailed examination of the most critical years of the reign of Richard II through an account of the careers of the Lords Appellant. These were the five great noblemen ranging from Thomas of Woodstock the King's uncle to Henry of Bolingbroke later Henry IV who rose in arms to restrain the activities of Richard II and his partisans in 1387. Anthony Goodman looks too at the origins, course and results of this revolt and his study of these five nobles and the dramatic episode which united them briefly and reluctantly provides a novel and interesting interpretation of an important section of English medieval history. He directs new light on the personalities of Richard and the Lords Appellant and also on the nature of the polity it bases and tensions in later fourteenth century England. This book will be of interest to students of history and literature.

**The loyal conspiracy: the Lords Appellant under Richard II** London, Routledge & K. Paul Anthony Goodman, Fifteenth Century England a Comprehensive Chronology WM. E. Baumgaertner, 2021-03-02

This is the first volume of what will likely be four volumes of a comprehensive chronological history of fifteenth century England. It begins in 1397 a necessary prelude to the rise of Henry IV and carries through to 1509 and the death of Henry VII. The series includes inter-related chronologies of Scotland, Wales, Ireland, France, Burgundy and Brittany. Volume I covers from 1397 and the last few years of the reign of Richard II through the entire reigns of Henry IV and Henry V and ends a few months into the reign of Henry VI 1422. In the process it covers wars, usurpations, land and naval battles, parliaments and great council meetings and the lives and deaths of many hundreds of prominent English, Welsh, Scottish, Irish, French, Burgundian and Breton persons.

*The Horse in Early Modern English Culture* Kevin De Ornellas, 2013-11-18 Kevin De Ornellas argues that in Renaissance England the relationship between horse and rider works as an unambiguous symbol of domination by the strong over the weak. There was little sentimental concern for animal welfare leading to the routine abuse of the material animal. This unproblematic practical exploitation of the horse led to the currency of the horse rider relationship as a trope or symbol of exploitation in the literature of the period. Engaging with fiction, plays, poems and non-fictional prose works of late Tudor and early Stuart England, De Ornellas demonstrates that the horse, a bridled unwilling slave, becomes a yardstick against which the oppression of England's poor women, increasingly influential clergyman and deluded gamblers is measured. The status of the bitted, harnessed horse was a low one in early modern England. To be compared to such a beast is a demonstration of inferiority and subjugation. To think anything else is to be naïve about the realities of horse management in the period and is to be naïve about the realities of the exploitation of horses and other mammals in the present day world.

*Imagining a Medieval English Nation* Kathy Lavezzo, 2004 The first comprehensive analysis of English national identity in the late Middle Ages. During the late Middle Ages the increasing expansion of administrative, legal and military systems by a central government together with the greater involvement of the commons in national life brought England closer than ever to political nationhood. Examining a diverse array of texts ranging

from Latin and vernacular historiography to Lollard tracts Ricardian poetry and chivalric treatises this volume reveals the variety of forms England assumed when it was imagined in the medieval West These essays disrupt conventional thinking about the relationship between premodernity and modernity challenge traditional preconceptions regarding the origins of the nation and complicate theories about the workings of nationalism Imagining a Medieval English Nation is not only a collection of new readings of major canonical works by leading medievalists it is among the first book length analyses on the subject and of critical interest

*Henry IV: The Righteous King* Ian Mortimer, 2014-02-22 The real life story of the Plantagenet ruler by the most remarkable medieval historian of our time The Times London The talented confident and intelligent son of John of Gaunt Henry IV started his reign as a popular and charismatic king after he dethroned the tyrannical and wildly unpopular Richard II But six years into his reign Henry had survived eight assassination and overthrow attempts Having broken God's law of primogeniture by overthrowing the man many people saw as the chosen king Henry IV left himself vulnerable to challenges from powerful enemies about the validity of his reign Even so Henry managed to establish the new Lancastrian dynasty and a new rule of law in highly turbulent times In this book noted historian Ian Mortimer bestselling author of *The Time Traveler's Guide to Medieval England* and *The Time Traveler's Guide to Elizabethan England* goes beyond the legend portrayed in Shakespeare's history play and explores the political and social forces that transformed Henry IV from his nation's savior to its scourge

**The reign of Richard II**, 2015-01-01 The long awaited prequel to *Chronicles of the revolution* covers the first twenty years 1377-97 of Richard II's reign This richly documented period offers exceptional opportunities and challenges to students and the editor has selected material from a wide range of sources well known English chronicles foreign chronicles and legal administrative and financial records These are arranged chronologically to form a coherent narrative of the reign Clear and lively commentary and notes enable readers to make the fullest use of each document The introduction describes the complex domestic and international situation which confronted the young king and offers guidance on the strengths and weaknesses of the reign's leading chronicles The dramatic and diverse politics of the reign of Richard II make this the ideal special subject and an accessible affordable student friendly documentary history of Richard II's reign has long been needed This book is designed to fill that gap

**Routledge**

**Revivals: Medieval England (1998)** Paul E. Szarmach, M. Teresa Tavormina, Joel T. Rosenthal, 2017-07-05 First published in 1998 this valuable reference work offers concise expert answers to questions on all aspects of life and culture in Medieval England including art architecture law literature kings women music commerce technology warfare and religion This wide ranging text encompasses English social cultural and political life from the Anglo Saxon invasions in the fifth century to the turn of the sixteenth century as well as its ties to the Celtic world of Wales Scotland and Ireland the French and Anglo Norman world of the Continent and the Viking and Scandinavian world of the North Sea A range of topics are discussed from Sedulius to Skelton from Wulfstan of York to Reginald Pecock from Pictish art to Gothic sculpture and from the Vikings to the

Black Death A subject and name index makes it easy to locate information and bibliographies direct users to essential primary and secondary sources as well as key scholarship With more than 700 entries by over 300 international scholars this work provides a detailed portrait of the English Middle Ages and will be of great value to students and scholars studying Medieval history in England and Europe as well as non specialist readers      **Urban History 19:2** Kaja Lahiri, Geoffrey H. Lahiri, 1992-12-10      Who's who in Late Medieval England, 1272-1485 Michael Hicks, Michael A. Hicks, 2001 Spans the period 1272 1485 and includes biographies of 200 individuals from all walks of life      Rulers and Ruled in Late Medieval England G. L. Harriss, Rowena E. Archer, Simon Walker, 1995-01-01 How power was distributed and exercised is a key issue in understanding attitudes and assumptions in late medieval England The essays in this volume all deal with those who had the power to make political decisions whether kings nobles or gentry courtiers or clergy While ultimately power rested on force it was enshrined in the law and more usually exercised by influence and by the dangling of reward Most disputes were settled without violence if often with recourse to prolonged struggles in the courts but those who offended against established interests could be punished severely as the cases of Sir John Mortimer and of Bishop Reginald Pecock show These essays presented to Gerald Harriss who has done so much to illuminate the history of the period show not only how power was exercised but also how men of the time thought about it Contributors Rowena E Archer Christine Carpenter Jeremy Catto Rosemary Horrox R W Hoyle Maurice Keen Dominic Lockett Philippa Maddern S J Payling Edward Powell Anthony Smith Simon Walker Christopher Woolgar Edmund Wright      *Richard III and his Rivals* Michael Hicks, 1991-07-01 Richard III is undoubtedly the dominant personality in this collection of essays but not in his capacity as king of England Richard was Duke of Gloucester far longer than he was king For most of his career he was a subject not a monarch the equal of the great nobility He is seen here in the company of his fellows Warwick the Kingmaker Clarence Northumberland Somerset Hastings and the Wydevilles His relations with these rivals all of whom submitted to him or were crushed show him in different moods and from various vantage points      **Robert de Vere, Earl of Oxford and Duke of Ireland (1362-1392)** James Ross, 2024 The first full length study of one of the most controversial figures of later fourteenth century England

*Richard II* Nigel Saul, 2008-10-01 Richard II is one of the most enigmatic of English kings Shakespeare depicted him as a tragic figure an irresponsible cruel monarch who nevertheless rose in stature as the substance of power slipped from him By later writers he has been variously portrayed as a half crazed autocrat or a conventional ruler whose principal errors were the mismanagement of his nobility and disregard for the political conventions of his age This book the first full length biography of Richard in more than fifty years offers a radical reinterpretation of the king Nigel Saul paints a picture of Richard as a highly assertive and determined ruler one whose key aim was to exalt and dignify the crown In Richard's view the crown was threatened by the factiousness of the nobility and the assertiveness of the common people The king met these challenges by exacting obedience encouraging lofty new forms of address and constructing an elaborate system of rule by

bonds and oaths Saul traces the sources of Richard's political ideas and finds that he was influenced by a deeply felt orthodox piety and by the ideas of the civil lawyers. He shows that although Richard's kingship resembled that of other rulers of the period, unlike theirs, his reign ended in failure because of tactical errors and contradictions in his policies. For all that he promoted the image of a distant all-powerful monarch, Richard II's rule was in practice characterized by faction and feud. The king was obsessed by the search for personal security in his subjects; however, he bred only insecurity and fear. A revealing portrait of a complex and fascinating figure, the book is essential reading for anyone with an interest in the politics and culture of the English middle ages. *Shakespeare's English Kings, the People, and the Law* Edna Zwick Boris, 1978

Demonstrates that knowledge of constitutional history can add to our understanding of the politics of the English history plays and suggests that the nine historical plays that Shakespeare wrote before Elizabeth's death record a transformation in constitutional organization. Love, Honour and Royal Blood - Book Carol Sargeant, 2009 The author will have a riot on her hands when people reach the last page of this book; readers will be so anxious for the second book in the trilogy to be published. Gloria McAuley, the first person ever to read this book. If Chaucer was your brother-in-law, William Wycliffe your good friend and the most powerful man in England, John of Gaunt the great Duke of Lancaster was your lover, what would your life be like? Katharine de Roet is one of the most enigmatic women in history and yet she sat at the centre of some of the greatest changes the world has known. Intrigue, betrayal and intimate connections with some of the greatest minds of not just her own times but of all recorded history was the daily stuff of her life. But for all that, the essence of Katharine's life was a love story and the story of John of Gaunt and Katharine Swynford is truly one of the great love stories of history. At the age of seventeen, Carol Sargeant read Anya Seton's lovely novel *Katherine* and was so moved by it that she started a 30-year research project to answer a single question: The question was what really happened, what is John of Gaunt and Katharine Swynford's story? If Katharine had not said yes to love, the Tudor dynasty would not have existed. George Washington would not have been there to fight for American independence and Alfred Lord Tennyson would not have written his famous poetry. And that is just the story of some of her descendants. More important is the story of the woman and the world she knew.

**Lancaster Against York** Trevor Royle, 2024-07-02 The epic fifteenth-century battle for the throne of England is brought vividly to life in this accessible and comprehensive history. In this sweeping history, Trevor Royle details one of the bloodiest episodes in British history. The prize was the crown of England and the players were the rival houses of Lancaster and York. The dynastic quarrel threatened the collapse of the monarchy as a succession of weak rulers failed to deal with an overzealous aristocracy plunging England into a series of violent encounters. The bloody battles and political intrigue between the rival heirs of King Edward III brought forth one of the most dynamic ruling families of England, the Tudors. To understand the Wars of the Roses, one should read Shakespeare's *History Plays* for the epic drama and Trevor Royle's *Lancaster Against York* for the epic truth. Royle has produced a tremendous achievement, a modern classic for all times.

Amanda Foreman author of *Georgiana Duchess of Devonshire*      **The Eagle and the Hart** Helen Castor, 2024-10-15 From an acclaimed historian and author comes an epic history the dual biography of Richard II and Henry IV two cousins whose lives played out in extraordinary parallel until Henry deposed the tyrant Richard and declared himself King of England Richard of Bordeaux and Henry of Bolingbroke cousins born just three months apart were ten years old when Richard became king of England They were thirty two when Henry deposed him and became king in his place Now the story behind one of the strangest and most fateful events in English history and the inspiration behind Shakespeare's most celebrated history plays is brought to vivid life by the acclaimed author of *Blood and Roses* Helen Castor Richard had birthright on his side and a profound belief in his own God given majesty But beyond that he lacked all qualities of leadership A narcissist who did not understand or accept the principles that underpinned his rule he was neither a warrior defending his kingdom nor a lawgiver whose justice protected his people Instead he declared that his laws were in his own mouth and acted accordingly He sought to define as treason any resistance to his will and recruited a private army loyal to himself rather than the realm and he intended to destroy those who tried to restrain him Henry was everything Richard was not a leader who inspired both loyalty and friendship a soldier and a chivalric hero dutiful responsible principled After years of tension and conflict Richard banished him and seized his vast inheritance Richard had been crowned a king but he had become a tyrant and as a tyrant ruling by arbitrary will rather than established law he was deposed by his cousin Henry the only possible candidate to take his place Henry was welcomed as a liberator a champion of the people against his predecessor's paranoid despotism But within months he too was facing rebellion Men knew that a deposer could in turn be deposed and the new king found himself buffeted by unrest and by chronic ill health until he seemed a shadow of his former self trapped by political uncertainty and troubled by these signs that God might not after all endorse his actions Captivating immersive and highly relevant to today's times *The Eagle and the Hart* is a story about what happens when a ruler prioritizes power over the interests of his own people When a ruler demands loyalty to himself as an individual rather than duty to the established constitution and when he seeks to reshape reality rather than concede the force of verifiable truths Above all it is a story about how a nation was brought to the brink of catastrophe and disintegration and in the end how it was brought back      *The Life & Times of Chaucer* John Gardner, 2010-09-21 The pinnacle of Gardner's medieval scholarship a fascinating re creation of the world of one of history's greatest writers In this exquisite biography John Gardner brings to life Geoffrey Chaucer illuminating his writings and their inspiration like never before Through exhaustive research and expert storytelling Gardner takes readers through Chaucer's varied career from writing *The Canterbury Tales* to performing diplomatic work at the Parliament and creates a fully realized portrait of an author whose work would remake the English language forever Written with passion and insight this a must read for those interested in Chaucer and the medieval time period This ebook features a new illustrated biography of John Gardner including original letters rare photos and never before seen documents from the

Gardner family and the University of Rochester Archives

### **Loyal Conspiracy The Lords Appellant Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Loyal Conspiracy The Lords Appellant has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Loyal Conspiracy The Lords Appellant has opened up a world of possibilities. Downloading Loyal Conspiracy The Lords Appellant provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Loyal Conspiracy The Lords Appellant has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Loyal Conspiracy The Lords Appellant. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Loyal Conspiracy The Lords Appellant. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Loyal Conspiracy The Lords Appellant, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Loyal Conspiracy The Lords Appellant has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Loyal Conspiracy The Lords Appellant Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Loyal Conspiracy The Lords Appellant is one of the best book in our library for free trial. We provide copy of Loyal Conspiracy The Lords Appellant in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Loyal Conspiracy The Lords Appellant. Where to download Loyal Conspiracy The Lords Appellant online for free? Are you looking for Loyal Conspiracy The Lords Appellant PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Loyal Conspiracy The Lords Appellant. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Loyal Conspiracy The Lords Appellant are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that

there are specific sites catered to different product types or categories, brands or niches related with Loyal Conspiracy The Lords Appellant. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Loyal Conspiracy The Lords Appellant To get started finding Loyal Conspiracy The Lords Appellant, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Loyal Conspiracy The Lords Appellant So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Loyal Conspiracy The Lords Appellant. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Loyal Conspiracy The Lords Appellant, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Loyal Conspiracy The Lords Appellant is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Loyal Conspiracy The Lords Appellant is universally compatible with any devices to read.
