him those who coached him and those who trained him and find out what it was that set Ryan Giggs apart from the rest Fully illustrated throughout we hear from Eric Harrison how Giggs caught the eye of United s scouts as a youngster and the work done that culminated in him becoming the leading light of the famous Class of 92 Senior players from that era such as Bryan Robson and Steve Bruce recall the impact he made when he was promoted to the first team just as the club began its incredible reign of success under Alex Ferguson After picking up the League Cup in 1992 Giggs went on to win a record breaking 13 league titles two Champions League medals and many other honours in a career that would stretch to 963 appearances for United His resilience and longevity amazed all who looked on as he continued to play at the top level past his 40th birthday And when David Moyes left the club he was the natural replacement as interim manager rallying the club to reclaim its roots Now retired as a player Giggs is about to begin a new role as assistant to Louis van Gaal *Giggsy - The Biography of Ryan Giggs* Frank Worrall,2010-03-01 By the time Giggs made his Manchester United first team debut aged just 17 many considered him to be the greatest talent in English football since George Best He made United s left wing his own until late in his career when Sir Alex Ferguson switched him to a deeper role in central midfield Famed for his pace and skill on the ball Giggs has scored many vital goals most notably his incredible solo effort in the 1999 FA Cup semi final replay against Arsenal He was an integral part of the historic Treble winning side in 1999 and is the only Manchester United player to have played in both the 1999 and 2008 Champions League victories Having committed his entire career to United Giggs eclipsed Bobby Charlton s record in April 2009 when he made his 800th appearance for the club That year also brought his 11th Premier League winner s medal he is the only player to have scored in every Premier League campaign since its inception and the PFA Player of the Year award Giggs has scored over 150 goals for United and his incredible record has ensured that he will go down in history as one of the club s greatest ever players **Giggs** Joe Lovejoy,Ryan Giggs,2006-06-01 Ryan Giggs first played for Manchester United in the season before the Premiership began back when Bryan Robson was still captain He took possession of United s left wing and never loosened his grip Over a fourteen year career so far he s seen them all come and go Cantona Schmeichel Beckham and the rest Sir Alex Ferguson said of Giggs I knew we had an outstanding talent when we gave him his debut That was back in 1991 but it remains as true in 2005 as it ever was Giggs has been a pivotal figure in United s dominance of the Premiership There have been rivals but no other team can match the their sustained record of success over recent years And Giggs is the only player to have played in all eight of those title winning campaigns Off the pitch Ryan Giggs has always closely guarded his private life But here he opens up for the first time sharing details of the sometimes turbulent childhood that shaped him and the relationships that have mattered to him to reveal the man behind the famous number 11 red shirt One thing seems clear the Old Trafford crowd will be singing Giggs will tear you apart again for a few years yet **Ryan Giggs 1995 Special** Ray Goldsworth,1995-12 Ryan Giggs Iain McCartney,2014-11-19 Fifty fixtures that defined the career of an ordinary footballer who went on to become a
