Lucid Living Tim Freke, 2016-08-16 A stirring response to Eckhart Tolle's invitation to find the Power of Now that invites spiritual seekers to rethink awareness, awakening and presence. After a lifetime studying the world's spiritual traditions, pioneering philosopher Tim Freke presents the mystical heart of spirituality in eight transformative principles. Drawing from his personal experience, he compares spiritual awakening to the experience of lucid dreaming, except while in the waking state. Awakening is lucid living. This astonishingly direct book points to an awakened state, guiding you through a radically new way of looking at the present moment, step by step. It will take you less than an hour to read, but it could change your life for good. Since it was first published, *Lucid Living* has come to be seen by many as a modern spiritual classic. In this new edition, Tim Freke reworks and adds an eighth principle to account for the profound developments in his own understanding of awakening.

Lucid Living Reyn of the West, 2025-08-07 What if life is not something happening to you but something unfolding through you? *Lucid Living* is a metaphysical journey into the heart of consciousness, exploring the possibility that we are not separate beings in a chaotic world but infinite awareness experiencing itself through form. With clarity, warmth and depth, this book invites you to remember that reality is not fixed; it is responsive, intelligent and deeply personal. Blending spiritual insight with ideas inspired by quantum theory and ancient wisdom, *Lucid Living* explores the nature of self as both avatar and soul. The illusion of separation and the game of divine forgetting. The power of intention, emotion and belief to shape reality. The beauty of waking up within the dream. More than a book, it's a mirror, a map and a meditation. This is a call to live awake, to live with love and to remember who you truly are.
