Lucie Plays 1:

Plays 1 Doug Lucie,1998-01 Women and Comedy Susan Carlson,2025-10-01 The first comprehensive study of its kind this book explores the contradictory connections between women and dramatic comedy Women and Comedy shows how a genre that has been used historically to restrict women s behavior is being reconfigured to express women s triumphs It thus redefines the assumptions with which both traditional comedy and contemporary women s plays are read and viewed Challenging a critical consensus that has seen comedy as a haven for female power Carlson argues that traditional comedy is deeply sexist welcoming strong women characters only because it can contain their power Through an analysis of a range of comedies by Shakespeare Congreve Maugham Shaw and Ayckbourn the author shows that even in these plays self consciously about liberated females women gain only a limited freedom a freedom that the endings of the plays work to negate This negotiation is seen to result in part from the comic structure itself which privileges a merely temporary inversion and an ultimate return to the status quo Carlson then examines the transitional work of three writers Aphra Behn Henry James and Ann Jellicoe whose heroines follow an unorthodox trajectory through their comic worlds While the work of these writers clearly remains within the mainstream comic tradition the author notes in them a subtle departure most notably in their description of the heroine as subject rather than object which prefigures the full scale transformations of women in comedy by contemporary women writers The book then examines contemporary comedy that revises traditional comic structure at the same time as it explores fundamental social change In making her case for the difference of contemporary comedy by women Carlson examines the reformulations of structure and character and considers issues of community self and sexuality in a broad range of plays by individual playwrights and by the new women s theater collectives Women and Comedy is an important work for students of British drama and will appeal to theater practitioners critics feminist scholars and all those interested in the performing arts Lucy A to Z Michael Karol,2004 Praise for the updated 2012 Kindle edition of Lucy A to Z The Lucille Ball Encyclopedia Very important Fresh insights The most detailed and most enjoyable book available on Lucille Ball A must have Laura Wagner Classic Images As we are producing the I Love Lucy 50th Anniversary Special Lucy A to Z has been a godsend Lucie Arnaz 2001 letter to author Lucy A to Z is a compound of insight fact and trivia Stefan Kanfer author Ball of Fire This new Fourth Edition of Lucy A to Z is a wonderful read and I m very pleased to recommend it to everyone Wanda Clark Lucille Ball s personal secretary If you need any splainin about Lucy life and career you ll find it here Craig Hamrick author The TV Tidbits Classic Television Trivia Quiz Book **Harlequin Special Edition March 2018 Box Set 1 of 2** Marie Ferrarella,Christy Jeffries,Lynne Marshall,2018-03-01 Harlequin Special Edition brings you three new titles for one great price available now These are heartwarming romantic stories about life love and family This Special Edition box set includes THE FORTUNE MOST LIKELY TO The Fortunes of Texas The Rulebreakers by Marie Ferrarella Everett Fortunado has never quite gotten over his high school love Lila Clark So when circumstance offers him a
