Four riveting romance stories are intertwined and involve major characters who unexpectedly find love. The major plot and all subplots are related in some way to the main character and counseling psychologist Dr. Franklin Durabone, who, after a near-death experience, commits to his destined purpose to write *The Durabone Prophecies*. This prophetic book by Dr. Durabone is based on the prophetic revelations of his mother, Mama Durabone, who sees alternative destinies for Earth and its human race through her visions and dreams. The story takes the reader to Paris, France, Washington DC, Chicago, Virginia, and Florida. For the reader of *The Durabone Prophecies*, author Frederick Douglas Harper evokes intense emotional feelings, laughter, sensual arousal, nostalgic memories, intellectual debate, philosophical questions, and spiritual exploration. *The Durabone Prophecies* is a self-help novel because psychological principles and messages are embedded in the story. Martin Herzog was one of those people who adamantly opposed any notion of a spiritual life until the day he got a very timely surprise visit by an angel named Dominic. The angel saves his life and takes him on a tour of the spiritual realm and makes it possible for him to see the earth just as angels see it. Martin discovers a world that was twice as crowded a world where angels and demons lived side by side with humans and worked through them to get their work accomplished. Much to his surprise though he finds a world that is heavily dominated by evil forces. He builds up a strong hatred toward demons and accepts to return Dominic's favor by taking on a mission to stop a large development near the village of Estes Park in the state of Colorado. Throughout the eight-month tenure his mission becomes more adventurous. Danger creeps up and surrounds him like a fiery maze. With a threat against his life and the likelihood of being drawn into a nasty war against brutal and viciously organized crime families, will Martin Herzog decide to stay and fight the demons and their human allies or will he return home and leave his mission unfinished?
