Make Room For Danny Danny Thomas:

Make Room for Danny Danny Thomas, 1991 **Danny Thomas Show, The (a.k.a. Make Room for Daddy)** , 2013

Description TV Still Programme *From Small Screen to Vinyl* Bob Leszczak, 2015-06-25 From its infancy television networks and studios explore others avenues to increase their revenues Conveniently enough several film studios and production companies MGM MTM Columbia Screen Gems Talent Associates Warner Brothers had their own record label divisions The obvious benefit was cross promotion a television series could be plugged on the record and the record could be promoted on the TV show Though few and far between several television performers went on to become major recording stars Ricky Nelson started as a child actor on The Adventures of Ozzie and Harriet before dominating rock and pop charts Johnny Crawford of The Rifleman Walter Brennan of The Real McCoys and even Bruce Willis of Moonlighting all scored Top Ten hit singles But these were just the standouts from the hundreds of TV actors who recorded songs and the stories behind their records are simply fascinating In *From Small Screen to Vinyl A Guide to TV Stars Who Made Records 1950 2000* author Bob Leszczak offers a look at hundreds of stars who performed double duty as a television performer as well as a recording artist He looks not only at the show and the performer but the behind the scenes dramas that unfolded as each attempted to tackle the two different mediums Through his interviews with many of these multitaskers the author has uncovered new and mostly never before known facts about those who sought to conquer the world of vinyl As Leszczak stresses most eagerly embraced the opportunity to record while others saw it as a necessary evil the result of contractual obligations or industry pressures Entries are listed alphabetically from Nick Adams of The Rebel to Efrem Zimbalist Jr of 77 Sunset Strip Also included are over 80 photos of these rare releases taken from the author s private collection For a new look at your old favorites *From Small Screen to Vinyl* will let you see that just because one is a TV star does not mean that he or she does not have the ability to expand beyond their acting prowess Baby boomers fans of classic hits radio and devotees of classic TV programs will find *From Small Screen to Vinyl* a treasure trove of TV and record trivia and no TV or music library can be considered complete without it *What America Watched* Marsha Ann Tate, Earl Houser, 2022-01-28 Although television critics have often differed with the public with respect to the artistic and cultural merits of television programming over the last half century television has indubitably influenced popular culture and vice versa No matter what reasons are cited the characters the actors the plots the music television shows that were beloved by audiences in their time remain fondly remembered This study covers the classic period of popular television shows from the 1960s through the 1990s focusing on how regular viewers interacted with television shows on a personal level Bridging popular and scholarly approaches this book discovers what America actually watched and why through documents footage visits to filming locations newspapers and magazine articles from the shows eras The book features extensive notes and bibliography **Single Season Sitcoms, 1948-1979** Bob Leszczak, 2012-11-08 This book finally casts a spotlight on some short lived and almost forgotten sitcoms

those which aired for only one single season Many books have already been written about situation comedies that enjoyed long and storied runs on television but this volume focuses upon the others Overflowing with fresh facts interviews photographs and stories nearly 300 short lived sitcoms over a 32 year span are presented A to Z whether network or syndicated prime time or Saturday morning

The Eisenhower Years Richard T. Stanley, 2012-06 The Fabulous Fifties were America's Happy Days The Eisenhower Years produced amazing contributions to our American culture and to other cultures around the world In so many ways Americans innovated and the world imitated from Elvis Presley and rock n roll to the Salk anti polio vaccine America's contributions to the world included motion pictures and the Broadway stage radio and television amateur and professional sports jazz the blues country and Western music traditional ballads and popular songs and rock n roll domestic and international business and trade public and private educational opportunities and a rich and varied literature While Americans did not invent all these categories they nevertheless took each to new heights during the Eisenhower Years and shared their bounty with the world The Eisenhower Years generally speaking were happier more stable more prosperous more optimistic and simpler times than the preceding decades of the 1930s and 40s and the increasingly turbulent 1960s and 70s that followed In fact America's exuberance in so many areas of the arts and everyday life was omnipresent As for political and military achievements President Eisenhower kept us safely out of war and was wise enough to stay out of the way of America's artists and entrepreneurs As a result the Eisenhower Years should forever be remembered as those Happy Days

The Official Dick Van Dyke Show Book Vince Waldron, 2001 The first and only complete fully authorized biography of one of TV's most beloved sitcoms including the first complete viewer's guide to all 158 episodes as well as special behind the scenes trivia and a full chapter concordance 50 black and white photos

Encyclopedia of African American Actresses in Film and Television Bob McCann, 2022-09-23 The first work of its kind this encyclopedia provides 360 brief biographies of African American film and television actresses from the silent era to 2009 It includes entries on well known and nearly forgotten actresses running the gamut from Academy Award and NAACP Image Award winners to B film and blaxploitation era stars Each entry has a complete filmography of the actress's film TV music video or short film credits The work also features more than 170 photographs some of them rare images from the Schomburg Center for Research in Black Culture

Nervous Laughter Darrell Y. Hamamoto, 1991-05-30 Critically analyzing four decades of television situation comedies from *The Honeymooners* to *The Bill Cosby Show* Hamamoto shows how the sitcom reflects explains legitimates and challenges the society in which it is grounded illuminating the power of laughter both to reaffirm and to question existing social structures Hamamoto offers a well researched and refreshingly lucid study immensely readable for its astute scholarship Indispensable for students and scholars of television popular culture and comedy Choice *Nervous Laughter* examines forty years of situation comedy decade by decade providing the first truly panoramic view of TV's most popular dramatic form Within this context Hamamoto traces what he describes as the dominant

liberal democratic ideology implicit within situation comedy and explains its enduring popularity Examining liberal democratic culture politics and society he demonstrates how the sitcom resolves social contradictions Borrowing freely from the social sciences history and literary criticism he explains the curious grip the TV sitcom has had on its audience for over forty years This book critically assesses the relationship between the media and society bringing questions of power equality and democracy to the foreground Nervous Laughter is important reading for both the specialist and the general reader in its analysis of postwar American society Nervous Laughter is a study of liberal democratic culture politics and society It describes the ways affirmative aspects and contradictions of liberal democratic ideology are given form in television situation comedy It provides a close reading of forty years of television texts Arguing against mainstream theories of mass communications the author presents an analytic framework that looks instead at conflict and contradiction within class society Challenging the legitimacy of airwave control by non democratic social institutions Nervous Laughter concludes with a modest agenda that might lead to democratization of television

[The Arab-American Handbook](#) Nawar Shora, 2009 Tune up your knowledge of the Arab and Muslim worlds with this easy to read text The Arab American Handbook contains useful reference material and comment by a wide variety of participants and observers The book includes a thumbnail history the essentials of Islam social insights cultural norms The perfect tool for teachers employers travelers law enforcement Government workers and the general public will find that they can quickly penetrate the stereotypes and misconceptions to appreciate the tenor and nuance of Arab and Muslim life Without a better grasp of this subject the citizens of liberal democracies are unsafe at home and at a disadvantage in the global competition for hearts and minds
