Make For Fun:

Make Fun! Bob Knetzger, 2016-03-22 You don't need to own a factory to make toys Author and toymaker Bob Knetzger has been making fun stuff all his life with simple technology like vacuum forming and mold making In an age where makers are tantalized by the capabilities of 3d printers and other digital fab technology this book takes you back to old school hand tools simple electronics and working with metal and plastic to make toys every bit as good as those you can find in a big box store This book has something for everyone from a marble maze to a talking booby trap from custom cookie cutters to an EZ Make oven Discover the basic principles of science electronics and engineering through hands on projects that range from easy to more challenging and are always fun

Kakos Ineke Sluiter, Ralph Mark Rosen, 2008 The fourth in a series that explores cultural and ethical values in Classical Antiquity this volume examines the negative foils the anti values against which positive value notions are conceptualized and calibrated in Classical Antiquity Eighteen chapters address this theme from different perspectives a historical literary legal and philosophical What makes someone into a prototypically a bada TM citizen Or an abomination of a scholar What is the relationship between ugliness and value How do icons of sexual perversion monstrous emperors and detestable habits function in philosophical and rhetorical prose The book illuminates the many rhetorical manifestations of the concept of a badnessa TM in classical antiquity in a variety of domains 27000
