Family Secrets John Greco, 2016-04-26 It's the early 1960s in Brooklyn New York when auto mechanic Michael Delagatta changes the course of his life in order to attain the same extravagant lifestyle as his cousin. As Michael embarks on a crime filled journey orchestrated by members of the American Mafia and rises within the organization John F Kennedy enters the political arena. As a favor to his father Kennedy runs for President. The Mafia decides to rig the votes and help Kennedy win so he will hopefully ignore the family organization and its illegal money making operations. But when John appoints his brother Bobby to the position of Attorney General all hell breaks loose as Bobby begins going after organized crime and the bosses. After the Mafia orders Michael to oversee the assassination of either John or Bobby he soon discovers that the members of the mob are not the only ones who want Kennedy dead. As a history making chain of events unfolds Michael is left to harbor a dark secret for the rest of his days leaving the possibility of an open ended mystery to remain unsolved forever. In this historical thriller a mobster who becomes intertwined in the controversy before, during and after the assassinations of John and Bobby Kennedy sets out on a dangerous journey to save the family organization and hopefully himself from an untimely end.
