Makes Me Wanna Holler A Young Black Man In America:

Makes Me Wanna Holler Nathan McCall, 2011-01-26 NATIONAL BESTSELLER One of our most visceral and important memoirs on race in America this is the story of Nathan McCall who began life as a smart kid in a close protective family in a black working class neighborhood Yet by the age of fifteen McCall was packing a gun and embarking on a criminal career that five years later would land him in prison for armed robbery In these pages McCall chronicles his passage from the street to the prison yard and later to the newsrooms of The Washington Post and ultimately to the faculty of Emory University His story is at once devastating and inspiring at once an indictment and an elegy **Makes Me Wanna Holler** became an instant classic when it was first published in 1994 and it continues to bear witness to the great troubles and the great hopes of our nation With a new afterword by the author

Makes Me Wanna Holler Nathan McCall, 1995 Journalist Nathan McCall recounts his experiences from his childhood in a working class African American neighborhood to a three year prison term to a job with the Washington Post

African American Journalists Calvin L. Hall, 2009-07-01 In the last decade of the 20th century during a time when African Americans were starting to take inventory of the gains of the civil rights movement and its effects on the lives of black professionals in the public sphere the memoirs of several journalists were published a number of which became national bestsellers **African American Journalists** examines select autobiographies written by African American journalists in order to explore the relationship between race class gender and journalism practice At the heart of this study is the contention that contemporary memoirs written by African American journalists are quasi political documents_ manifestos written in reaction to and against the forces of institutionalized racism in the newsroom The memoirs featured in this study include Jill Nelson s *Volunteer Slavery My Authentic Negro Experience* Nathan McCall s *Makes Me Wanna Holler A Young Black Man in America* Jake Lamar s *Bourgeois Blues An American Memoir* and Patricia Raybon s *My First White Friend Confessions on Race Love and Forgiveness* The exploration of these works increases our understanding of the problems that members of other underrepresented groups may face in the workplace

The Cambridge Companion to Malcolm X Robert E. Terrill, 2010-05-10 Malcolm X is one of the most important figures in the twentieth century struggle for equality in America With the passing of time and changing attitudes to race and religion in American society the significance of a public figure like Malcolm X continues to evolve and to challenge This Companion presents new perspectives on Malcolm X s life and legacy in a series of specially commissioned essays by prominent scholars from a range of disciplines As a result this is an unusually rich analysis of this important African American leader orator and cultural icon Intended as a source of information on his life career and influence and as an innovative substantive scholarly contribution in its own right the book also includes an introduction a chronology of the life of Malcolm X and a select bibliography

If We Must Die Aimé J. Ellis, 2011-06-15 Investigates a variety of texts in which the self image of poor urban black men in the U S is formed within by and against a culture of racial terror and state violence In *If We Must Die From Bigger Thomas to Biggie Smalls* author Aim J

Ellis argues that throughout slavery the Jim Crow era and more recently in the proliferation of the prison industrial complex the violent threat of death has functioned as a coercive disciplinary practice of social control over black men In this provocative volume Ellis delves into a variety of literary and cultural texts to consider unlawful and extralegal violence like lynching mob violence and white riots in addition to state violence such as state sanctioned execution the unregulated use of force by police and prison guards state neglect or inaction and denial of human and civil rights Focusing primarily on young black men who are depicted or see themselves as bad niggers gangbangers thugs social outcasts high school drop outs or prison inmates Ellis looks at the self affirming embrace of deathly violence and death defiance both imagined and lived in a diverse body of cultural works From Richard Wright s literary classic *Native Son* Eldridge Cleaver s prison memoir *Soul on Ice* and Nathan McCall s autobiography *Makes Me Wanna Holler* to the hip hop music of Eazy E Tupac Shakur Notorious B I G and D Angelo Ellis investigates black men s representational identifications with and attachments to death violence and death defiance as a way of coping with and negotiating late twentieth and early twenty first century culture Distinct from a sociological study of the material conditions that impact urban black life *If We Must Die* investigates the many ways that those material conditions and lived experiences profoundly shape black male identity and self image African American studies scholars and those interested in race in contemporary American culture will appreciate this thought provoking volume

The Countercultural South Jack Temple Kirby, 1995 At once upholding and refuting the South s conservative image *The Countercultural South* explores the politically divergent cultures of resistance created by poor white and working class black southern men With humor and insight Jack Temple Kirby traces these racially and politically opposed cultures back to the antebellum encounter between the anti capitalistic South and the capitalist individualism identified with the North In a wide ranging discussion encompassing the blues sharecropping and contemporary black intellectuals Kirby shows how the needful practice of black labor bargaining in the South resulted in a progressive black tradition of verbal negotiation The conservative separatism and retro resistance of rural whites Kirby argues is embedded in an inherited and adversarial frontier ethos valuing self sufficiency and access to wilderness With the southern landscape imaginatively as well as factually linked to social class crime particularly forest arson becomes the most important form of southern white countercultural expression Kirby continues his look at white resistance in a review of redneck discourse examining the public reputation of southern whites through a range of cultural phenomena from literature to country music to the computer network known as BUBBA L Original personal and artfully written *The Countercultural South* offers fresh reflections on southern exceptionalism in American political life and culture

Contemporary Black Men's Fiction and Drama Keith Clark, 2001 Demonstrating the extraordinary versatility of African American men s writing since the 1970s this forceful collection illustrates how African American male novelists and playwrights have absorbed challenged and expanded the conventions of black American writing and with it black male identity From the John Henry Syndrome a definition of black masculinity based

on brute strength or violence to the submersion of black gay identity under equations of gay with white and black with straight the African American male in literature and drama has traditionally been characterized in ways that confine and silence him Contemporary Black Men s Fiction and Drama identifies the forces that limit black male discourse including traditions established by iconic African American male authors such as James Baldwin Richard Wright and Ralph Ellison This thoughtful volume also shows how contemporary black male authors use their narratives to put forward new ways of being and knowing that foster a more complete sense of self and more humane and open ways of communicating with and relating to others In the work of Charles Johnson Ernest Gaines and August Wilson contributors find paths toward broader less rigid ideas of what black literature can be what the connections among individual and communal resistance can be and how black men can transcend the imprisoning models of hyper masculinity promoted by American culture Seeking greater spiritual connection with the past John Edgar Wideman returns to the folk rituals of his family while Melvin Dixon and Brent Wade reclaim African roots and traditions Ishmael Reed struggles with a contemporary cultural oppression that he sees as an insidious echo of slavery while Clarence Major s experimental writing suggests how black men might reclaim their own voices in a culture that silences them Taking in a wide range of critical theoretical cultural gender and sexual concerns Contemporary Black Men s Fiction and Drama provides provocative new readings of a broad range of contemporary writers

Into the Fire Robin D. G. Kelley, 1996-04-25 When something goes from bad to worse we say it fell out of the frying pan and into the fire This timeless phrase succinctly captures what has happened to the majority of African Americans since the 1970s The civil rights movement of the 1960s brought about remarkable gains for most black people and by 1970 African Americans were beginning to be key figures in national politics and in corporate board rooms The black middle class was decidedly growing and thus a handful of African Americans escaped the frying pan altogether But after 1970 heavy industry began to disappear as American companies looked to foreign lands for cheaper manufacturing Millions of jobs were lost The number of black poor began to grow dramatically city services declined federal spending on cities dried up affirmative action programs were dismantled blatant acts of racism began to rise again and the United States entered a deep economic recession But this decline is only part of the story Since 1970 the black community has resisted oppression struggled for power dealt with internal tensions and conflicts and profoundly shaped American culture This book explores a range of issues that the African American community faces in the late 20th century the rebirth of black nationalism the emergence of a new black conservative movement the challenge of black feminism the impact of Caribbean immigration the rise of rap music and hip hop culture It looks at the impact on African American life of such diverse personalities as Roy Innis Toni Morrison Anita Hill Jimi Hendrix Louis Farrakhan Angela Davis Spike Lee Barbara Jordan Shirley Chisholm and Jesse Jackson among others Into the Fire will challenge and be challenged by readers of all ages and calls on our young people to exercise their power to determine the outcome of chapters yet to be written in the history of African Americans
