Norah Peters-Davis, Jeffrey Shultz

Making A Difference University Students Of Color Speak Out:

Making a Difference Julia Lesage, 2002 In *Making a Difference* students of color relate their first hand experiences with educational systems and campus living conditions Their narratives provide an insider perspective useful to anyone working on diversity issues who is trying to improve institutional culture and policy The contextualizing essays following the student narratives are written by academics and student affairs professionals who draw links between issues of institutional access recruitment and retention of students and faculty of color curriculum changes teaching strategies especially for teaching whiteness and racial identity formation campus climate and the relation between an individual institution s history of dealing with race to developments in public policy

Challenges of Multicultural Education Norah Peters-Davis, Jeffrey Shultz, 2015-12-03 The voices of college students and teachers vividly enlighten readers about the real world challenges of multicultural education Courses on diversity abound in American universities today But open classroom discussion of racial and gender differences can evoke discomfort as much as new understandings Negotiating these courses takes a toll on both faculty and students as classrooms become filled with emotion Based on student and teacher experience in a range of American colleges and universities this book shows how to meet these challenges and create a truly open and beneficial environment The authors demonstrate pedagogical strategies and new approaches A vital resource for teachers students college administrators and university libraries Contents Introduction Dialogue on Diversity Teaching From Silence and Resistance to Tongues Untied The Racial Experiment Starting with a Story and Sharing the Discussion Leading Irritating Supporting Representing Identity Matters in Class What Lies Beneath Conclusion

Learning to Speak, Learning to Listen Susan E. Chase, 2011-03-15 Over the past three decades colleges and universities have committed to encouraging embracing and supporting diversity as a core principle of their mission But how are goals for achieving and maintaining diversity actually met What is the role of students in this mission When a university is committed to diversity what is campus culture like In *Learning to Speak Learning to Listen* Susan E Chase portrays how undergraduates at a predominantly white urban institution which she calls City University a pseudonym learn to speak and listen to each other across social differences Chase interviewed a wide range of students and conducted content analyses of the student newspaper student government minutes curricula and website to document diversity debates at this university Amid various controversies she identifies a defining moment in the campus culture a protest organized by students of color to highlight the university s failure to live up to its diversity commitments Some white students dismissed the protest some were hostile to it and some fully engaged their peers of color In a book that will be useful to students and educators on campuses undergoing diversity initiatives Chase finds that both students willingness to share personal stories about their diverse experiences and collaboration among student organizations student affairs offices and academic programs encourage speaking and listening across differences and help incorporate diversity as part of the overall mission of the university

Leaders of Color in Higher Education Leonard A. Valverde, 2003 This comprehensive study of leaders of color in higher education is a must read for anyone wishing to understand and or navigate a career path through the dangerous waters of white controlled status quo universities and community colleges in the United States Based on interviews with pioneers in the field the author draws upon their personal experiences and his own to examine the challenges and dilemmas facing minority members who choose the route of educational leadership How creative leaders overcome these barriers to success in the academy is the major theme of the volume The differing issues facing African Americans Hispanics Asian Americans American Indians and women of color are all addressed in detail and their commonalities noted A list of helpful suggestions concerning activism leadership style institutional politics mentorship and roles are included to help those who contemplate this career path

China's Mongols at University Zhenzhou Zhao, Wing On Lee, 2010-04-09 Minority students in China often receive preferential treatment for access to universities However very little is known about minority student experiences and perceptions on campus after they are accorded what s called meaningful access to university The Mongols emerged as a distinct ethnic group in China starting in the 11th century and in the centuries that followed conquered a large part of the world However in modern times this nomadic people s influence has declined and even their survival in China has been threatened This decline is evidenced by the fact that increasing numbers of Mongols have abandoned their native language and traditional customs especially those who live in cities How do Mongol university students who form the backbone of the Mongol intellectual community identify themselves in a modern Chinese context How do they react as university students to the way in which their culture is recognized and represented Do Mongol students suffer from injustice in the cultural dimension of campus life China s Mongols at University Contesting Cultural Recognition seeks to answer these questions Zhenzhou Zhao addresses these issues by comparing the university discourse on minority culture policy institutional structure and daily life and the Mongol student discourse concerning their experiences perceptions of recognition and dedication to self representation on campus Additionally Gao compares three universities in China Located in Inner Mongolia Autonomous Region Beijing and Hubei Province respectively each of these universities represents one of three types of higher education accessible to minority students in China universities located in ethnic areas

standard universities and universities for nationalities China's Mongols at University explores and discusses an intrinsic connection between marketization and globalization and the disadvantages faced by minority groups This book argues that China must move from a policy of preferential treatment

My Freshman Year Rebekah Nathan, 2006-07-25 After fifteen years of teaching anthropology at a large university Rebekah Nathan had become baffled by her own students Their strange behavior eating meals at their desks not completing reading assignments remaining silent through class discussions made her feel as if she were dealing with a completely foreign culture So Nathan decided to do what anthropologists do when confused by a different culture Go live with them She enrolled as a freshman moved into the dorm ate in the dining hall and took a full load of courses And she came to understand that being a student is a pretty difficult job too Her discoveries about contemporary undergraduate culture are surprising and her observations are invaluable making *My Freshman Year* essential reading for students parents faculty and anyone interested in educational policy

Ferber, 2004-08-02 The top names in the field come together in this collection with original essays that explore the link between gender and racism in a variety of racial and white supremacy organizations including white separatists the Christian right the militia patriot movements skinheads and more

The Politics of Multiracialism Heather M. Dalmage, 2012-02-01 This is the first book to critically look at the political issues and interests surrounding the broadly defined Multiracial Movement and at what is being said about multiracialism Many of the multiracial family organizations that exist across the United States developed socially ideologically and politically during the conservative Reagan years While members of the Multiracial Movement differ widely in their political views the concept of multiracialism has been taken up by conservative politicians in ways that are often inimical to the interests of traditionally defined minorities Contributors look at the Multiracial Movement's voice and at the political controversies that attend the notion of multiracialism in academic and popular literature internet discourse census debates and discourse by and about pop culture celebrities The work discusses how multiracialism hybridity and racial mixing have occurred amidst existing academic discussions of authenticity community borders identity politics the social construction of race and postmodern fragmentation How the Multiracial Movement is shaping and transforming collective multiracial identities is also explored

Disrupting the Culture of Silence Kristine De Welde, Andi Stepnick, 2023-07-03 CHOICE 2015 Outstanding Academic Title What do women academics classify as challenging inequitable or hostile work environments and experiences How do these vary by women's race ethnicity rank sexual orientation or other social locations How do academic cultures and organizational structures work independently and in tandem to foster or challenge such work climates What actions can institutions and individuals independently and collectively take toward equity in the academy Despite tremendous progress toward gender equality and equity in institutions of higher education deep patterns of discrimination against women in the academy persist From the chilly climate to the old boys club women academics must navigate structures and cultures that continue to marginalize penalize and undermine their success This

book is a tool kit for advancing greater gender equality and equity in higher education It presents the latest research on issues of concern to them and to anyone interested in a more equitable academy It documents the challenging sometimes hostile experiences of women academics through feminist analysis of qualitative and quantitative data including narratives from women of different races and ethnicities across disciplines ranks and university types The contributors research draws upon the experiences of women academics including those with under examined identities such as lesbian feminist married or unmarried and contingent faculty And it offers new perspectives on persistent issues such as family policies pay and promotion inequalities and disproportionate service burdens The editors provide case studies of women who have encountered antagonistic workplaces and offer action steps best practices and more than 100 online resources for individuals navigating similar situations Beyond women in academe this book is for their allies and for administrators interested in changing the climates cultures and policies that allow gender inequality to exist on their campuses and to researchers scholars investigating these phenomena It aims to disrupt complacency amongst those who claim that things are better or good enough and to provide readers with strategies and resources to counter barriers created by culture climate or institutional structures
