Making Foreign Economic Policy:

The Making of United States International Economic Policy Stephen D. Cohen, 1988 **Beyond Foreign Economic Policy** Brian Hocking, Michael Smith, 1997-01-01 Investigates the ways in which the US responded to the European Community's Single Market Program launched in the 1980s arguing that foreign economic policy is the product of interests and actions expressed by a wide range of groups and at many different levels Analyzes changes faced by the US in the world political economy of the 1990s and details the process by which Congress state governments and US executives and firms responded to the Single Market Program looking especially at issues of public procurement and standards testing and certification Distributed by Books International Annotation copyrighted by Book News Inc Portland OR **U.S. Foreign Economic Policy and the Latin American Debt Issue** C. Roe Goddard, 2017-10-10 This book first published in 1993 closely examines the United States government's policy toward the Latin American debt crisis in the years 1982 to 1985 The United States under Reagan sought to maintain the problem as strictly a private creditor debtor issue and avoided the internationalization of the problem With the election of Bush however government policy changed in 1989 and this book analyses the different approaches of both administrations the successes and failures of their policies and the eventual resolution of the debt crisis *Economic Statecraft* David A. Baldwin, 2020-09-22 A new edition of the classic work on the economic tools of foreign policy Today's complex and dangerous world demands a complete understanding of all the techniques of statecraft not just military ones David Baldwin's *Economic Statecraft* presents an analytic framework for evaluating such techniques and uses it to challenge the notion that economic instruments of foreign policy do not work Integrating insights from economics political science psychology philosophy history law and sociology this bold and provocative book explains not only the utility of economic statecraft but also its morality legality and role in the history of international thought *Economic Statecraft* is a landmark work that has fundamentally redefined how nations evaluate crucial choices of war and peace Now with a substantial new preface by the author and an afterword by esteemed foreign policy expert Ethan Kapstein this new edition introduces today's generation of readers to the principles and applications of economic statecraft *A Foreign Economic Policy for the 1970's* United States. Congress. Joint Economic Committee. Subcommittee on Foreign Economic Policy, 1970 Congress and the Politics of U.S. Foreign Economic Policy, 1929-1976 Robert A. Pastor, 1980 Based on the author's thesis Harvard Includes index Bibliography p 355 362 **The European Union's Foreign Economic Policies** Andreas Dür, Manfred Elsig, 2014-01-02 The European Union is a key actor in international economic governance Through its foreign economic policies it plays a central role in the negotiation of international trade agreements the global regulation of the financial services sector and the provision of aid to developing countries This book shows how principal agent theory can be used to shed new light on this complex of policy areas In particular the contributions to this volume analyze delegation control and agent strategies in a variety of principal agent

relationships shaping the EU's foreign economic policies mainly those involving interest groups and governments governments and the European Commission and the European Union and international organizations The chapters written by leading experts in the field offer empirically rich studies of various areas of the EU's external economic relations including trade financial regulation accounting standards and global regulation through the G7 G8 The book is aimed at researchers and advanced students interested in the EU international economic relations and principal agent theory This book was published as a special issue of the Journal of European Public Policy
