Making Of A Bad Man:

The life and death of mr. Badman John Bunyan,1808 **How Women Became Poets** Emily Hauser,2023-08-22 This book that shows how ancient poets broke the silence of literary gender norms to express their own voices and thus illuminating long neglected discussions of gender in the ancient world In *How Women Became Poets* Emily Hauser provides a startling new history of classical literature that redefines the canon as a constant struggle to be heard through and sometimes despite gender By bringing together recent studies in ancient authorship gender and performativity Hauser offers gendered lens to issues of voice and identity in classical literature and poetry What emerges from this is a new literary history that reframes the authors of classical literature as both enforcing and exploring gender and shows for the first time how women broke the silence of gender norms around literary production to express their own voices By revisiting traditional assumptions about the canon of Greek literature and highlighting the articulated construction of masculinity in Greek poetic texts the book places ancient women poets back onto center stage as principal actors in the drama of the debate around what it means to create poetry Much of the importance of this work is adding in female authors to the history of Greek literature both well known and marginal while demonstrating how the idea of the author was born in the battleground of gender *The Works of Saint Augustine: v. 1. Sermons on the Old Testament, 20-50* Saint Augustine (of Hippo),1990

St. Augustine on St. John: Tractates, Homilies and Sermons on St. John's Gospel and First Epistle St. Augustine of Hippo Fr. Seraphim, Editor, *A Companion for the Festivals and Fasts of the Church of England ... The third edition.* The preface signed: Rob. Nelson Robert NELSON (F.R.S.),1707 ***A Companion for the Festivals and Fasts of the Church of England ... The fifteenth edition. The preface signed: Rob. Nelson*** Robert NELSON (F.R.S.),1736 *The Ivory Trail* Talbot Mundy,2021-05-19 In *The Ivory Trail* Talbot Mundy transports readers into the heart of Africa during the early 20th century intricately weaving a narrative that explores themes of adventure colonialism and the quest for honor The novel is marked by Mundy's vivid descriptions rich characterizations and a literary style that merges thrilling action with philosophical musings Set against the backdrop of the ivory trade it frames the moral complexities of its characters pursuits capturing the spirit of the era while questioning the ethical ramifications of their endeavors Drawing on his firsthand experiences in Africa Mundy's narrative exudes authenticity and depth merging historical detail with compelling storytelling Talbot Mundy an adventurous spirit and a raconteur at heart was born in 1879 in England His varied life experiences from soldiering to journalism and travel writing informed his unique perspective on colonial societies Mundy's fascination with Eastern mysticism and his years spent in India and Africa inspired his works which often reflect a belief in the interconnectedness of all life and cultures making *The Ivory Trail* both an adventure and an intellectual exploration For readers seeking an exhilarating journey that piques the imagination while fostering critical thought on issues of morality and imperialism *The Ivory Trail* is a must read Mundy's masterful storytelling not only provides pure entertainment but also

invites contemplation of the human condition within the broader tapestry of history The Beginning and End of Rape Sarah Deer, 2015-11-01 Winner of the Labriola Center American Indian National Book Award Despite what major media sources say violence against Native women is not an epidemic An epidemic is biological and blameless Violence against Native women is historical and political bounded by oppression and colonial violence This book like all of Sarah Deer's work is aimed at engaging the problem head on and ending it The Beginning and End of Rape collects and expands the powerful writings in which Deer who played a crucial role in the reauthorization of the Violence Against Women Act in 2013 has advocated for cultural and legal reforms to protect Native women from endemic sexual violence and abuse Deer provides a clear historical overview of rape and sex trafficking in North America paying particular attention to the gendered legacy of colonialism in tribal nations a truth largely overlooked or minimized by Native and non Native observers She faces this legacy directly articulating strategies for Native communities and tribal nations seeking redress In a damning critique of federal law that has accommodated rape by destroying tribal legal systems she describes how tribal self determination efforts of the twenty first century can be leveraged to eradicate violence against women Her work bridges the gap between Indian law and feminist thinking by explaining how intersectional approaches are vital to addressing the rape of Native women Grounded in historical cultural and legal realities both Native and non Native these essays point to the possibility of actual and positive change in a world where Native women are systematically undervalued left unprotected and hurt Deer draws on her extensive experiences in advocacy and activism to present specific practical recommendations and plans of action for making the world safer for all **Secrets to a Man's Heart** Michelle McKinney Hammond, 2015-11-01 What do

men want Relationship expert Michelle McKinney Hammond shares the thoughts and feelings of men in the Bible regarding love and relationships Written as letters to you these remarkable men will help you discover how to win and keep a man's heart From David's interaction with the diplomatic Abigail to Zachariah's appreciation of a woman who listened to God you'll explore what men look for Solomon the desire for passion purity and love Boaz the attraction of service Job the need for encouragement Pilate the wisdom a woman offers Abraham the beauty of submission Barak the strength of a woman Jesus the devotion of a much loved bride What makes a man feel safe with a woman How can you empower your man to be the best he can be Find out through these timeless insights drawn from God's Word **Forty-Nine Truths and the Pentecost** John D. Richie, 2000-08-21 This work results from years of studying God's Word and observation of the current trends in Christianity The problem with Christianity today is that it has forgotten that the battle is not with those without but with the foolishness sin and unbelief in the believer The forty nine truths contained herein appear to be the most neglected in this age Considering that God's Word is not open to personal interpretation each Scripture quotation is left to individual understanding through the visitation of the Holy Spirit Although some explanation is given my intent is to guide the reader toward understanding and not to impose upon them my own understanding It is perhaps ironic that many Christians

professing Jesus to be their Lord and Master may spend eternity in a place they would not desire God's Word states that a follower of Jesus that does not keep his sayings will not inherit the kingdom of heaven The truths discussed herein are the sayings of Jesus not mine The Pentecost follows these forty nine truths It is a day that is in the future It will be a happy day for many but the road thereto is troubled with much tribulation
