A Most Extraordinary, Everyday Family Story of Coming to the New World, 1660 - 2016 Clyde R. Forsberg Jr., 2018-10-26 What is the American Dream truly This American social cultural and working class family history spanning some four centuries represents a deeply personal quest for an answer from an unlikely source namely the author s own European progenitors Because of their Mormon faith their stories have been preserved but not told What they have to say about the American Dream is noteworthy For the huge bulk of the author s immediate family their American Dream was not the American Dream their reports and narratives in principle stand well outside the fantastic story of liberty and justice for all in the land of the brave Indeed their economic fortunes or lack thereof did not conform to the pattern and most failed to go from being the vanquished of Europe to the victorious of America For their trouble and largely because of their Mormonism they were cast in the role of America s Caliban Their American Dream may have been only to wake up from what quickly became a nightmare especially for the scores of women and children who paid the ultimate price Importantly *A Most Extraordinary Everyday Family Story of Coming to the New World 1660 2016* is a cautionary tale in an auto ethnographical vein and suggests that coming to the United States of America was often not worth such sacrifice

Praying with One Eye Open Mary Ella Engel, 2019 In 1878 Elder Joseph Standing traveled into the Appalachian mountains of North Georgia seeking converts for the Church of Jesus Christ of Latter day Saints Sixteen months later he was dead murdered by a group of twelve

men The church refused to bury the missionary in Georgia soil instead he was laid to rest in Salt Lake City beneath a monument that declared There is no law in Georgia for the Mormons Most accounts of this event have linked Standing s murder to the virulent nineteenth century anti Mormonism that also took the life of prophet Joseph Smith and to an enduring southern tradition of extralegal violence In these writings the stories of the men who took Standing s life are largely ignored and they are treated as significant only as vigilantes who escaped justice Historian Mary Ella Engel adopts a different approach arguing that the mob violence against Standing was a local event best understood at the local level Her examination of Standing s murder carefully situates it in the disquiet created by missionaries successes in the North Georgia community As Georgia converts typically abandoned the state for Mormon colonies in the West a disquiet situated within a wider narrative of post Reconstruction Mormon outmigration to colonies in the West In this rich context the murder reveals the complex social relationships that linked North Georgians families kin neighbors and coreligionists and illuminates how mob violence attempted to resolve the psychological dissonance and gender anxieties created by Mormon missionaries In laying bare the bonds linking Georgia converts to the mob Engel reveals Standing s murder as more than simply mountain lawlessness or religious persecution Rather the murder responds to the challenges posed by the separation of converts from their loved ones especially the separation of women and their dependents from heads of households
