## **Making Of Victorian Sexual Attitudes:**

**The Making of Victorian Sexual Attitudes** Michael Mason, 1994 Victorian sexual moralism was real enough but what was its nature The Victorians are often called puritanical with the implication that their sexual moralism was religiously based It was opposed we like to think by freethinkers and progressives and perhaps also by the working class Michael Mason has already pointed to the fallacy of such views in his previous volume *The Making of Victorian Sexuality* Here he develops his revisionist account of Victorian sexual ideology and shows that to be Victorian about sex was actually in its day to be progressive optimistic and modern minded Religious beliefs even in militant form were only a support for an essentially secular ideal The Victorian anti sensual coalition did break down at the end of the century but the liberationists were old fashioned reformers who were often bitterly resisted by for example socialists and feminists This novel and provocative analysis is developed in a series of detailed portraits of crucial movements episodes and individuals the Swedenborgians Henry James Prince Baron Renton Nicholson the Vice Society prostitute rescue Owenism neo Malthusianism and many more A formidable array of evidence is assembled for views which strike at the root of conventional wisdom about the English nineteenth century *Prostitution, Women and Misuse of the Law* Helen J. Self, 2004-08-02 This is an examination from a feminist historian's standpoint of the background to the present system of regulating prostitution in Britain which is generally admitted to be not only unjust and discriminatory but ineffective even in achieving its stated aims Concentrating on the 1950s and especially on the Wolfenden Report and the 1959 Street Offences Act it is a thorough exposure of the sexual double standard and general misogynist assumptions underlying legislation relating to prostitution In addition to the detailed analysis of the 1950s legislation and the background to it there is an exposition of the subsequent workings of the Act and of attempts to amend or repeal it **Sexual Restraint and Aesthetic Experience in Victorian Literary Decadence** Sarah Green, 2023-03-09 Can sexual restraint be good for you Many Victorians thought so This book explores the surprisingly positive construction of sexual restraint in an unlikely place late nineteenth century Decadence Reading Decadent texts alongside Victorian writing about sexual health including medical literature adverts advice books and periodical articles it identifies an intellectual Paterian tradition of sensuous continence in which healthy pleasure is distinguished from its harmful counterpart Recent work on Decadent sexuality concentrates on transgression and subversion with restraint interpreted ahistorically as evidence of repression sublimation or queer coding Here Sarah Green examines the work of Walter Pater Lionel Johnson Vernon Lee and George Moore to outline a co extensive alternative approach to sexuality where restraint figured as a productive part of the aesthetic life or a practical ethics shaped by aesthetic principles Attending to this tradition reveals neglected connections within and beyond Decadence bringing fresh perspective to its late nineteenth and twentieth century reception *The Making of Victorian Sexuality Attitudes* Michael Mason, 1994 **The Prostitute's Body** Nina Attwood, 2015-10-06 Attwood examines Victorian attitudes to prostitution across a number of sources medical literary

pornographic      **Thicker Than Water** Leonore Davidoff,2012 A pioneering new study of nineteenth century kinship and family relations focusing on the British middle class and highlighting both the similarities and the differences in relations between brothers and sisters in the past and in the present      *Sex, politics and empire* Richard Phillips,2018-02-01 Colonial governments institutions and companies recognised that in many ways the effective operation of the Empire depended upon sexual arrangements For example nuclear families serving agricultural colonization and prostitutes working for single men who powered armies and plantations mines and bureaucracies For this reason they devised elaborate systems of sexual governance such as attending to marriage and the family However they also devoted disproportionate energy to marking and policing the sexual margins In *Sex Politics and Empire* Richard Phillips investigates controversies surrounding prostitution homosexuality and the age of consent in the British Empire and revolutionises our notions about the importance of sex as a nexus of imperial power relations      *Sex, Politics and Society* Jeffrey Weeks,2017-07-31 A pioneering study which has become an established classic in its field *Sex Politics and Society* provides a lucid and comprehensive analysis of the transformations of British sexual life from 1800 to the present These changes are firmly located in the wider context of British social political and cultural life from industrialization urbanisation and the impact of Empire and colonisation through the experience of economic disruption World Wars the establishment of the welfare state changing patterns of gender and the emergence of new sexual identities This book also charts the rise of both progressive and conservative social movements including feminism LGBT activism and fundamentalist movements It is a history where the past continues to live in the present and where the present provides ever more complex and often controversial patterns of sexual life with sexual and gender issues at the heart of contemporary politics Now fully revised and updated this edition examines key new developments including the impact of globalisation and the digital revolution gender nonconformity and the rise of transgender consciousness shifting family and relational patterns and new forms of intimacy changes in reproductive technology including the debates on IVF and surrogacy new discourses of equality and sexual rights for LGBT people the irresistible rise of same sex marriage the weakening of the heterosexual homosexual binary divide and the development of new lines of concern and divisions in the politics of sexuality Combining rich empirical detail with innovative theoretical insights *Sex Politics and Society* remains at the cutting edge of the subject and this fourth edition will inspire and provoke a whole new generation of readers in history sociology social policy and critical sexuality studies      **A Companion to Nineteenth-Century Britain** Chris Williams,2008-04-15 A Companion to Nineteenth Century Britain presents 33 essaysby expert scholars on all the major aspects of the political social economic and cultural history of Britain during the lateGeorgian and Victorian eras Truly British rather than English in scope Pays attention to the experiences of women as well as ofmen Illustrated with maps and charts Includes guides to further reading      *Thomas Hardy in Context* Phillip Mallett,2013-03-18 This book covers the range of Thomas Hardy s works while providing a comprehensive introduction to his
