Going on a vacation provides relief until the vacation is over and one must return to the job. *Overcoming Job Burnout* describes how burnout can take hold and how to turn it around. Dr. Potter offers eight proven strategies for increasing personal power and renewing enthusiasm for working. A combination of inspiration and instruction, this updated revised edition is filled with practical advice based on the author's years of experience in this field that readers can implement immediately to renew that sense of engagement and excitement that makes working worthwhile. **Cultivating Civility** Jo Henry, Joe Eshleman, Richard Moniz, 2020-04-08 Filled with beneficial advice on every page, this resource will help libraries be better workplaces for everyone.
