Osmer, 2008-07-02 Every church congregation encounters challenging situations some the same the world over and others specific to each church Richard Osmer here seeks to teach congregational leaders including but not limited to clergy the requisite knowledge and skills to meet such situations with sensitivity and creativity Osmer develops a framework for practical theological interpretation in congregations by focusing on four key questions What is going on in a given context Why is this going on What ought to be going on and How might the leader shape the context to better embody Christian witness and mission The book is unique in its attention to interdisciplinary issues and the ways that theological reflection is grounded in the spirituality of leaders Useful accessible and lively with lots of specific examples and case studies Osmer's *Practical Theology* effectively equips congregational leaders to guide their communities with theological integrity      The Reflective Disciple Roger Walton, 2014-07-24 Helps readers to explore the concept of discipleship beginning with the New Testament and through examining snapshots of various patterns of discipleship as well as reflecting on discipleship in our contemporary context and setting      **New Covenant**, 2001      Seek the Living God Nick Wagner, 2017-12-19 We all know that a one size fits all approach to RCIA catechumenate formation doesn't work But until now many of us were stumped trying to find a viable alternative *Seek the Living God* Five RCIA Inquiry Questions for Making Disciples is the answer to your prayers After just a few meetings with your seekers you will be able to easily create a customized faith formation plan that is tailored to the unique needs of each person The best part is that the seekers do most of the work in developing their own plan Your role shifts from being the Catholic expert to being a mentor and coach Once you understand how the five question process works you can easily train others to use it New team members don't have to worry about knowing enough to be on the team Start using these questions with your very next RCIA seeker You will be amazed at the powerful conversion that will happen with your inquirers and with you      *Books in Print*, 1991      *The Catholic Periodical and Literature Index*, 2006
