Dante L. Germino

Making Fascists:

Making Fascists Herbert Wallace Schneider, Shepard Bancroft Clough, 1929 Bibliographical note p 205 Making Fascism in Sweden and the Netherlands Nathaniël D. B. Kunkeler, 2021-09-09 There was no representative fascist movement during interwar Europe and there is much to be learned from where fascism failed relatively speaking So Nathaniël D B Kunkeler skilfully argues in *Making Fascism in Sweden and the Netherlands* the first in depth analysis of Swedish and Dutch fascism in the English language Focusing on two peripheral and therefore often overlooked fascist movements the Swedish National Socialist Workers Party and the Dutch National Socialist Movement this sophisticated study de centres contemporary fascism studies by showing how smaller movements gained political foothold in liberal democratic regimes From charismatic leaders and the rallies they held to propaganda apparatus and mythopoeic props seized by ordinary people *Making Fascism in Sweden and the Netherlands* analyses the constructs and perceptions of fascism to highlight the variegated nature of the movement in Europe and shine a spotlight on its performative process Drawing on a wealth of archival material and using a highly innovative methodology Kunkeler provides a nuanced analysis of European fascism which allows readers to rediscover the experimental character of far right politics in interwar Europe **Making the Fascist Self** Mabel Berezin, 2018-10-18 In her examination of the culture of Italian fascism Mabel Berezin focuses on how Mussolini's regime consciously constructed a nonliberal public sphere to support its political aims Fascism stresses form over content she believes and the regime tried to build its political support through the careful construction and manipulation of public spectacles or rituals such as parades commemoration ceremonies and holiday festivities The fascists believed they could rely on the motivating power of spectacle and experiential symbols In contrast with the liberal democratic notion of separable public and private selves Italian fascism attempted to merge the public and private selves in political spectacles creating communities of feeling in public piazzas Such communities were only temporary Berezin explains and fascist identity was only formed to the extent that it could be articulated in a language of pre existing cultural identities In the Italian case those identities meant the popular culture of Roman Catholicism and the cult of motherhood Berezin hypothesizes that at particular historical moments certain social groups which perceive the division of public and private self as untenable on cultural grounds will gain political ascendance Her hypothesis opens a new perspective on how fascism works *Making the Fascist State* Herbert Wallace Schneider, 1928 Making Liberalism Work Susan A. Ashley, 2003-08-30 By most accounts Italian style liberalism failed Explanations of its failure vary from economic backwardness or a political culture shaped by autocracy to claims that liberals ruined their chances by pursuing nothing but narrow middle class interests This study examines the liberal record to weigh the accuracy of these approaches Ashley focuses on three controversial issues public works social reform and public order The railroads would test liberal commitment to laissez faire labor laws their pledge to protect all citizens and dissent their allegiance to individual rights In each case liberals compromised their

principles What they decided defined the Italian variant of liberalism by transforming it from a doctrine to concrete practices and political behaviors Particularly after 1890 liberals increasingly made empiricism the primary justification for policy and dismissed abstract principles as beneath notice This shift helps explain why liberalism lost authority and credibility as a set of moral imperatives and as a coherent world view in Italy as well as why it failed to offer most Italians a compelling alternative to either Socialism or Fascism Examining what liberals said and did however does not entirely support the despairing judgment of so many historians Italian liberals managed to build a liberal state and to make it function against intransigent obstacles

Fascism Michael S. Neiberg, 2017-11-30 This volume presents the best writings on the origins development success and failure of fascism outside Germany By treating the problem in a global context these essays together add tremendous complexity to our understanding of one of history's most destructive political movements The collection covers theories origins and definitions of fascism fascism in power fascism in opposition and fascism in a global and comparative setting

The Machine Has a Soul Katy Hull, 2025-06-17 A historical look at the American fascination with Italian fascism during the interwar period In the interwar years the United States grappled with economic volatility and Americans expressed anxieties about a decline in moral values the erosion of families and communities and the decay of democracy These issues prompted a profound ambivalence toward modernity leading some individuals to turn to Italian fascism as a possible solution for the problems facing the country *The Machine Has a Soul* delves into why Americans of all stripes sympathized with Italian fascism and shows that fascism's appeal rested in the image of Mussolini's regime as the machine which will run and has a soul a seemingly efficient and technologically advanced system that upheld tradition religion and family Katy Hull focuses on four prominent American sympathizers Richard Washburn Child a conservative diplomat and Republican operative Anne O'Hare McCormick a distinguished New York Times journalist Generoso Pope an Italian American publisher and Democratic political broker and Herbert Wallace Schneider a Columbia University professor of moral philosophy In fascism's violent squads they saw youthful glamour and impeccable manners in the megalomaniacal Mussolini they perceived someone both current and old fashioned and in the corporate state they witnessed a politics that could revive addled minds They argued that with the right course of action the United States could use fascism to take the best from modernity while withstanding its harmful effects Investigating the motivations of American fascist sympathizers *The Machine Has a Soul* offers provocative lessons about authoritarianism's appeal during times of intense cultural social and economic strain

The Italian Fascist Party in Power Dante L. Germino, 1959 The Italian Fascist Party in Power was first published in 1959 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Although much significant material on the Italian Fascist party became available when the regime collapsed scholars have not made extensive use of it until now In this study which is based on all the available sources Professor Germino describes the functions of the party

explains how it was organized to perform tasks and discusses conflicts between the party and other power elements in the dictatorship He reaches a conclusion contrary to that of most other scholars that Fascist Italy was a full fledged totalitarian state resembling Nazi Germany and Soviet Russia in political structure and ideological content Professor Carl J Riedrich of Harvard University writes I consider this a major contribution to our knowledge of totalitarian dictatorship There is nothing in the existing literature that can be compared to it either in terms of depth or analysis range of documentation or breadth of treatment Professor Taylor Cole of Duke University comments Professor Germino has presented an excellent case study of the Italian Fascist Party He has made use of more materials on the Party than any previous writer in English and has marshalled them effectively to support his contention that the Fascist Party did not differ in kind from the Nazi and Soviet Communist parties on the eve of World War II His conclusion that on most though not all basic counts the Italian Fascist system was to be classified as totalitarian is controversial but it merits the careful attention of all students who are interested in the Italian Fascist period and in totalitarianism

Militant Anti-Fascism M. Testa, 2015-04-14 Fascism is not a thing of the past In this era of crisis and austerity it is growing even stronger The question is How do we stop it According to M Testa the fight against it must be aggressive and unrelenting Using a mixture of orthodox history eyewitness accounts and unflinching analysis he makes the case for a resolutely militant anti fascism one that gives no quarter and tolerates no excuses Unlike other partisan accounts of contemporary battles against fascism and ultra nationalism Militant Anti Fascism takes us from proto fascists in nineteenth century Austria to modern day street fights in London providing a broad context for its arguments and looking at numerous countries over a longer period of time The result is both a serious historical study and a story of victory and struggle past and present designed to inspire and energize militants Lay aside as M Testa does your faith in liberal legislative and state approved approaches to today s fascist threat Start by reading this provocative and unapologetic overview of militant anti fascism and the strategies that have successfully confronted the far right when it has reappeared in its many guises

Our Enemies and US Ido Oren, 2003 Oren reveals the fervently pro German views of the founder of the discipline John W Burgess who stated that the Teutonic race was politically superior to all others and he presents evidence of a long term intimate relationship between the discipline and the national security agencies of the U S government

BOOK JACKET

Whispering the Secrets of Language: An Mental Quest through **Making Fascists**

In a digitally-driven earth wherever displays reign supreme and quick interaction drowns out the subtleties of language, the profound strategies and mental subtleties hidden within phrases usually go unheard. However, set within the pages of **Making Fascists** a captivating literary prize pulsating with natural feelings, lies an exceptional quest waiting to be undertaken. Published by a skilled wordsmith, that marvelous opus invites visitors on an introspective trip, gently unraveling the veiled truths and profound affect resonating within the very material of each and every word. Within the emotional depths of the emotional evaluation, we will embark upon a genuine exploration of the book is primary subjects, dissect its charming publishing style, and yield to the strong resonance it evokes serious within the recesses of readers hearts.

Making Fascists Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Making Fascists free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Making Fascists free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a

specific topic. While downloading Making Fascists free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Making Fascists. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Making Fascists any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Making Fascists Books

1. Where can I buy Making Fascists books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Making Fascists book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Making Fascists books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Making Fascists audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for

listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
