Rushing, Roy Morris**

Making History The Biographical Narratives Of Robert Penn Warren:

Making History Jonathon S. Cullick, 2000-04-01 From his first published book to his last works Robert Penn Warren wrote novels poetry biographies and essays based on the lives of American historical figures Even some of his critical texts take a biographical approach to their subjects In *Making History* the first comprehensive survey of Warren's biographical narratives Jonathan S Cullick tracks a clear development toward autobiography in Warren's career By applying narrative theory to that provocative trend he then makes an intriguing discovery Warren's discourse techniques dramatize his philosophy of history and ethics Cullick unearths what might be called the narrative syntax of Warren's historical vision in which genre becomes vital in the attempt to reconcile American past and present *Making History* considers all of Warren's major biographical narratives and their evolvment from detached reporting to doubtful self examination It offers a new reading of Warren's famed novel *All the King's Men* and close examination of several neglected texts including Warren's first book *John Brown The Making of a Martyr* his essay *The World of Daniel Boone* and two of his final works *Jefferson Davis Gets His Citizenship Back* and *Portrait of a Father*

A Disturbing and Alien Memory Douglas L. Mitchell, 2008-12-01 In the late nineteenth century as the study of history shifted from the domain of letters into the social sciences novelists in the North and the West generally turned away from writing history Many southern novelists and poets however continued to undertake historical writing as an extension of their art form What made southern literary figures differ from their northern and western counterparts In *A Disturbing and Alien Memory* Douglas L Mitchell addresses this intriguing question by tracing a line of southern writers from the early nineteenth century to the mid twentieth finding that an obsessive need to defend the South and the oft noted rage to explain drove some creative writers to continue to make forays into history and biography in an effort to enter a more public sphere where they could more decisively influence interpretations of the past In the Romantic history of the nineteenth century Mitchell explains men of letters saw themselves as keepers of memory whose renderings of the past could help shape the future of the nation He explores the historical writing of William Gilmore Simms to trace the failure of Romantic nationalism in the growing split between North and South then turns to Thomas Nelson Page's effort to resurrect the South as a spiritual nation with a redeemed history after the Civil War Mitchell juxtaposes their work with that of William Wells Brown the pioneering African American historian and novelist who used the authority of history to write blacks into the American story Moving into the twentieth century Mitchell analyzes the historical component of the Southern Agrarian project focusing on the tension between modernist aesthetics and polemical aims in Allen Tate's Civil War biographies He then traces a path toward a viable historical vision Robert Penn Warren's recovery of a tragic understanding and the creation of a compelling historical art in the work of Shelby Foote Throughout Mitchell examines the peculiar dilemma of southern writers the changing nature of history and its relation to the realm of letters and the question of public authority shedding light on several neglected texts in the process including Simms's *The Sack and Destruction of Columbia S*

C Brown's *The Negro in the American Rebellion* Tate's *Jefferson Davis* and Warren's *John Brown* Offering a new perspective on a perennial debate in southern letters *A Disturbing and Alien Memory* provides a critical framework for a neglected genre in the southern literary canon

Robert Penn Warren's *All the King's Men* Jonathan S. Cullick, 2018-08-03 Robert Penn Warren is one of the best known and most consequential Kentucky writers of the twentieth century and the only American writer to have won three Pulitzers in two different genres *All the King's Men* generally considered one of the finest novels ever written on American politics transcends sensationalism and topicality to stand as art It was a bestseller won the Pulitzer Prize and became an Academy Award winning movie Depicting the rise and fall of a dictatorial southern politician modeled on Huey Long of Louisiana the timeless story and memorable characters raise questions about the importance of history moral conflicts in public policy and idealism in government In Robert Penn Warren's *All the King's Men* A Reader's Companion author Jonathan S Cullick considers the themes of this famous novel within the context of America's current political climate He addresses the novel's continuing relevance and interviews a cross section of elected and appointed officials as well as journalists in Kentucky to explore how Warren's novel has influenced their work and approach to politics By focusing on what Warren's novel has to say about power populism ethics and the force of rhetoric Cullick encourages readers to think about their own identities and responsibilities as American citizens This volume promises to be not only an indispensable companion to *All the King's Men* but it also provides context and a new diverse set of perspectives from which to understand this seminal novel

Robert Penn Warren, *Shadowy Autobiography*, and Other Makers of American Literature Joseph R. Millichap, 2023-08-18 Toward the end of his career Robert Penn Warren wrote It may be said that our lives are our own supreme fiction Although lauded for his writing in multiple genres Warren never wrote an autobiography Instead he created his own shadowy autobiography in his poetry and prose as well as his fiction and nonfiction As one of the most thoughtful scholars on Robert Penn Warren and the literature of the South Joseph Millichap builds on the accepted idea that Warren's poetry and fiction became more autobiographical in his later years by demonstrating that that same progression is replicated in Warren's literary criticism This meticulously researched study reexamines in particular Warren's later nonfiction in which autobiographical concerns come into play that is in those fraught with psychological crisis such as *Democracy and Poetry* Millichap reveals the interrelated literary genres of autobiography criticism and poetry as psychological modes encompassing the interplay of Warren's life and work in his later nonfiction He also shows how Warren's critical engagement with major American authors often centered on the ways their creative work intersected with their lives thus generating both autobiographical criticism and the working out of Warren's own autobiography under these influences Millichap's latest book focuses on Warren's critical responses to William Faulkner John Crowe Ransom Herman Melville Nathaniel Hawthorne John Greenleaf Whittier and Theodore Dreiser In addition the author carefully considers the black and female writers Warren assessed more briefly in *American Literature* *The Makers* and *the Making* Robert Penn

Warren *Shadowy Autobiography and Other Makers of American Literature* presents the breadth of Millichap's scholarship the depth of his insight and the maturity of his judgment by giving us to understand that in his writing Robert Penn Warren came to know his own vocation as a poet and critic and as an American **Ghostly Parallels** Randolph Runyon, 2006

America's most eminent man of letters in his later years and certainly one of the greatest Southern writers Robert Penn Warren has increasingly come to be known for his poetry *Ghostly Parallels* is a close examination of the heart of his poetic corpus the eight collections published between 1935 and 1976 *Thirty Six Poems Eleven Poems on the Same Theme Promises You Emperors and Others Tale of Time Incarnations Or Else and Can I See Arcturus from Where I Stand Ghostly Parallels* shows how Warren constructed collections of poems based on common subjects and contexts and also contends that while the poems are distinctive taken together they reveal intricate patterns of theme imagery and diction within explicit sequences Runyon demonstrates that Warren's collections are integrated well crafted wholes and each poem references its predecessor sometimes in intriguingly self-referential ways Runyon shows that despite the many changes in diction tone and subject that Warren underwent in his long career his concern for writing his poems in such a way that they could reach out beyond themselves to other poems remained remarkably constant In the arrangement Warren gave them his poems form *ghostly parallels* an expression that appears in *The Return An Elegy* where they refer to the railroad tracks that bring the poet home to his dying mother This return to the mother is a persistent leitmotif in the poems and forms the other major theme of this study Warren's personal poetic myth in which such images as golden light and mirror images are signs of the mother's presence as both Danae mother of Perseus and Medusa whom Perseus confronted Through pursuing sequential patterns as well as echoes and myth *GhostlyParallels* brings a wealth of insights to the work of this prolific novelist critic and essayist An important guide for undergraduate and graduate students alike *Ghostly Parallels* will also appeal to anyone with an interest in Robert Penn Warren and southern literature *American Oracle* David W. Blight, 2011-09-26 David Blight takes his readers back to the Civil War's centennial celebration to determine how Americans made sense of the suffering loss and liberation a century earlier He shows how four of America's most incisive writers Robert Penn Warren Bruce Catton Edmund Wilson and James Baldwin explored the gulf between remembrance and reality *Memory and Myth* David B. Sachsman, S. Kittrell Rushing, Roy Morris, 2007 Ain't nobody clean Glory and the politics of black agency W Scott Poole Alex Haley's *Roots* the fiction of fact William E Huntzicker A voice of the south the transformation of Shelby Foote David W Bulla

Encyclopedia of American Literature Manly, Inc., 2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Brucoli George Parker Anderson Judith S **Understanding Robert Penn Warren** James A. Grimshaw, 2001 Grimshaw examines the writer's views about the primacy of self-knowledge and explores the painful and arduous path his protagonists must follow to gain such knowledge and the interrelationship of his artistic endeavors which were woven together by common thematic concerns history time truth responsibility love hope and endurance *Queer Chivalry* Tison

Pugh, 2013-12-09 For the U S South the myth of chivalric masculinity dominates the cultural and historical landscape Visions of white southern men as archetypes of honor and gentility run throughout regional narratives with little regard for the actions and at times the atrocities committed by such men In *Queer Chivalry* Tison Pugh exposes the inherent contradictions in these depictions of cavalier manhood investigating the foundations of southern gallantry as a reincarnated and reauthorized version of medieval masculinity Pugh argues that the idea of masculinity particularly as seen in works by prominent southern authors from Mark Twain to Ellen Gilchrist constitutes a cultural myth that queerly demarcates accepted norms of manliness often by displaying the impossibility of its achievement Beginning with Twain's famous critique of the Sir Walter Raleigh that pilloried the South Pugh focuses on authors who questioned the code of chivalry by creating protagonists whose quests for personal knighthood prove quixotic Through detailed readings of major works including Twain's *A Connecticut Yankee in King Arthur's Court* Flannery O'Connor's short fiction John Kennedy Toole's *A Confederacy of Dunces* Robert Penn Warren's *A Place to Come To* Walker Percy's novels and Gilchrist's *The Annunciation* Pugh demonstrates that the hypermasculinity of white knight ideals only draws attention to the ambiguous gender of the literary southern male Employing insights from gender and psychoanalytic theory *Queer Chivalry* contributes to recent critical discussions of the cloaked anxieties about gender and sexuality in southern literature Ultimately Pugh uncovers queer limits in the cavalier mythos showing how facts and fictions contributed to the ideological formulation of the South

Whispering the Strategies of Language: An Emotional Journey through **Making History The Biographical Narratives Of Robert Penn Warren**

In a digitally-driven earth where screens reign supreme and immediate communication drowns out the subtleties of language, the profound strategies and mental subtleties hidden within words usually go unheard. Yet, set within the pages of **Making History The Biographical Narratives Of Robert Penn Warren** a fascinating literary treasure sporting with natural feelings, lies an extraordinary journey waiting to be undertaken. Penned by an experienced wordsmith, that marvelous opus encourages visitors on an introspective trip, delicately unraveling the veiled truths and profound impact resonating within the very cloth of each and every word. Within the mental depths of this poignant review, we can embark upon a heartfelt exploration of the book's core styles, dissect their captivating writing style, and yield to the powerful resonance it evokes strong within the recesses of readers' hearts.
