Tracking the Texas Ranger Historians Bruce A. Glasrud,Harold J. Weiss

Jr,2024-10-15 The first systematic inquiry into the Texas Rangers did not begin until 1935 with Walter Prescott Webb's publication *The Texas Rangers*. Since then numerous works have appeared on the Rangers but no volume has been published before that covers the various historians of the Rangers and their approaches to the topic. Editors Bruce A. Glasrud and Harold J. Weiss Jr. gather essays that profile individual historians of the Texas Rangers, explore themes and issues in Ranger history, and comprise archival research, biographies, and autobiographies. Several approaches in Texas historiography have influenced the writings on the Texas Rangers and serve to organize the chapters in the volume. Traditionalists: Chuck Parsons, Stephen L. Moore, and Bob Alexander stress the revered happenings in the nineteenth century that brought about the Lone Star state and its empire-building Ranger force. To these historical writers the Texas Rangers were part of a golden age. Revisionists: Robert M. Utley, Louis R. Sadler, and Charles H. Harris pull back from this adulation, emphasize the importance of overlooked ethnic and racial groups, and point out misbehavior on the part of Rangers. They also want to separate fact from fiction. Some Ranger historians: Frederick Wilkins and Mike Cox straddle both traditional and revisionist approaches in their works. The final group: Cultural Constructionalists: Gary Clayton Anderson, Amrico Paredes, and Monica Muñoz Martinez continue the work of Revisionists and focus on an interconnected past that includes theoretical approaches and the study of memory and regional identities. Several themes emerge throughout the book. One is how the Rangers changed from unorganized mounted militia dragoons in the modern sense to organized cavalry forces with six-shooter firepower who served as a military arm of the state and nation. A second is how the dichotomous views of the Rangers as either patriot warriors or bloody avengers left their imprint on Anglo and Hispanic society. This divergent examination especially derived from incidents in the US-Mexican War, the period from 1910 to 1920, and the lower Rio Grande valley in the 1960s. And yet another theme is how the Rangers first resisted and fought against yet ultimately absorbed all creeds and colors into their ranks over two hundred years as they evolved into police officers. Anglo, Black, Hispanic, Indian, and women Rangers. **No Excuse Leadership** Brace E. Barber, 2011-01-06 Every organization needs good leadership in order to win against the competition. Through his own personal story and those of nine other Rangers, Barber illuminates fundamental lessons about what it really takes to win. These first-person accounts of trial and triumph highlight the importance and the inherent truth of the Army's most fundamental leadership principles: seeking and taking responsibility for your actions and knowing yourself and seeking self-improvement. Adhering to those principles and putting them at the core of your organization will push you and your company to do more and do it better. The Making of a Ranger Chuck Luttrell, 2013-08 Park Rangers are frequently asked two questions: What do rangers do? How do you get to be a ranger? The short answer: Everything, and it isn't easy. Chuck Luttrell thought he knew from watching his family friend John Riffe, the longtime ranger on the North Rim of the Grand Canyon, going about his business every summer. But times have changed, and so does a ranger during his or her career. In *The Making of a Ranger*, Chuck chronicles his postings and the varied tasks he undertakes as law enforcer, fireman, medic,

and rescuer whether on lakes deserts snow covered mountains or back roads He acknowledges some successes and some failures which invites readers to wonder how they would cope with the various incidents he has faced The conclusions he comes to about the rest of his Park Service career are not the ones he expected when he set out to master all the skills necessary to protect nature and the park visitors from each other and themselves Chuck s Park Service career took place mostly in parks with lakes such as Lake Meredith in Texas and Lake Mead NRA with some dry but hot assignments on the Shivwits plateau and Chaco Canyon s Harmonic Convergence A Texas Ranger Napoleon Augustus Jennings,2018-04-23 In the following story of those years of my life which were passed on the broad tablelands of western Texas I have endeavored to set down plainly and truthfully events as they actually occurred Napoleon Augustus Jennings 1856 1919 was a Texas Ranger and writer best remembered for his autobiographical account of the career of Leander H McNelly s Texas Ranger company in the Nueces Strip A Texas Ranger published in 1899 In 1874 Jennings moved to Texas where after some adventures as a cowboy he joined McNelly s Special Force where he served not as a regular member of the company but only as a field clerk **Oildom** ,1918 *The California Ranger* ,1933 The Oil Weekly ,1919
