Making Of The Niv:

The Making of the NIV Kenneth L. Barker, 1997-01-01 This helpful guide answers some important questions Why was a new translation considered necessary How was the work carried out What kinds of problems and challenges did the translators face What is the explanation behind some of the NIV renderings Presented here notes the editor are some of the whys and hows in the making of the NIV a look behind the scenes by an English stylist and 13 of the original translators

The NIV Kenneth L. Barker, 1986 **The Making of the New Testament** Arthur G. Patzia, 2025-11-04 The story of the making of the New Testament is one in which scrolls bumped across cobbled Roman roads and pitched through rolling Mediterranean seas finally finding their destinations in stuffy dimly lit Christian house churches in Corinth or Colossae There they were read aloud and reread handled and copied forwarded and collected studied and treasured And eventually they were brought together to make up our New Testament This revised and expanded edition of *The Making of the New Testament* is a textbook introduction to the origin collection copying and canonizing of the New Testament documents Like shrewd detectives reading subtle whispers of evidence biblical scholars have studied the trail of clues and pieced together the story of these books Arthur Patzia tells the story answering our many questions How were books and documents produced in the first century What motivated the early Christians to commit teaching and narrative and vision to papyrus How were the stories and sayings of Jesus circulated handed down and shaped into Gospels What do we know about ancient letter writing secretaries and copy shops Why were four Gospels included instead of just one How were Paul's letters sent here and there gathered into a single collection Who decided and by what criteria which documents would be included in the New Testament Explore these questions and more about these Scriptures whose everyday gritty story rings true to their extraordinary message the palpable mystery of the Word made flesh *The Naked Preacher* Jason C. Boyd, 2018-03-29 This new volume in the SCM Research series argues that both preaching and Action Research are inherently exposing practices They require a deep level of self consciousness and a willingness to hold oneself up to critique and comment But at their best they are both formed within a deep and supportive critical community Applying a methodology rooted in Action Research as way of Doing Theology ART and drawn from the author's own research within a specific community of practice *The Naked Preacher* demonstrates for preachers and ministers new ways to be critically and constructively self aware It also offers an important contribution for practical theologians with an interest in action research and critical reflection *My Journey Through The Holy Bible* Robert James Oliver Jr., Robert James Oliver, 2012-03 In closing this book I would like to thank a few people First and foremost I would like to thank my family Without them I would not be where I am today I want to thank Celia Reeder for inspiring me to try and start memorizing bible verses in the Sunday school class she started I want to thank Dr Jay Strack for all his inspiring sermons he had done at NorthStar Community Church I also want to thank Dr Phillip Dunn for inspiring me to pick up my daily devotional book and start reading them every day again as I had put it up on my

bookshelf for a while and hadn't read one until he mentioned it in a sermon. Lastly, I want to thank everyone at NorthStar Community Church for everything they have done and are doing for my family, and I God Bless all of you. **English**

Thomas Nelson, 2000-05-06 Noticing a frequently used Bible phrase often precedes a breakthrough in understanding Scripture's teaching on key Bible topics. But computer-based searches and single word concordances quickly overwhelm learners with raw, unconnected data. This phrase concordance compiles over 5,000 Bible expressions, giving their exact Scriptural quotations complete with surrounding sentences. Additionally, their alphabetical listing offers the chance to explore similar and related topics without starting a new search. Find It Fast in the Bible presents the exact chapter and verse locations of specific passages where the same wording expresses a Bible theme, such as Day of the Lord, Kingdom of Heaven, and I tell you the truth. This handy reference resource contains over 5,000 best-loved and most-used Bible phrases. The New King James Version is the primary translation. Cross-references to other major translations: NIV, NRSV, KJV, and NASB. An alphabetical arrangement by the first word in the phrase. More than 30,000 references. An extensive Key Word Index. These features make Find It Fast in the Bible a trusted, time-saving companion resource and stand-alone aid for personal and group discovery.
