David Krell

Mickeys Sports Songs:

We are the Champions: The Politics of Sports and Popular Music Ken McLeod, 2016-02-11 Sports and popular music are synergistic agents in the construction of identity and community. They are often interconnected through common cross marketing tactics and through influence on each other's performative strategies and stylistic content. Typically only studied as separate entities, popular music and sport cultures mutually play off each other in exchanges of style, ideologies and forms. Posing unique challenges to notions of mind/body dualities, nationalism, class, gender and racial codes and sexual orientation, Dr Ken McLeod illuminates the paradoxical and often conflicting relationships associated with these modes of leisure and entertainment and demonstrates that they are not culturally or ideologically distinct but are interconnected modes of contemporary social practice. Examples include how music is used to enhance sporting events such as anthems, chants, cheers and intermission entertainment music that is used as an active part of the athletic event and music that has been written about or that is associated with sports. There are also connections in the use of music in sports movies, television and video games and important though critically under acknowledged similarities regarding spectatorship practice and performance. Despite the scope of such confluences, the extraordinary impact of the interrelationship of music and sports on popular culture has remained little recognized. McLeod ties together several influential threads of popular culture and fills a significant void in our understanding of the construction and communication of identity in the late twentieth and early twenty first centuries.

We are the Champions: The Politics of Sports and Popular Music Dr Ken McLeod, 2013-01-28 Sports and popular music are synergistic agents in the construction of identity and community. They are often interconnected through common cross marketing tactics and through influence on each other's performative strategies and stylistic content. Typically only studied as separate entities, popular music and sport cultures mutually play off each other in exchanges of style, ideologies and forms. Posing unique challenges to notions of mind/body dualities, nationalism, class, gender and racial codes and sexual orientation, Dr Ken McLeod illuminates the paradoxical and often conflicting relationships associated with these modes of leisure and entertainment and demonstrates that they are not culturally or ideologically distinct but are interconnected modes of contemporary social practice. Examples include how music is used to enhance sporting events such as anthems, chants, cheers and intermission entertainment music that is used as an active part of the athletic event and music that has been written about or that is associated with sports. There are also connections in the use of music in sports movies, television and video games and important though critically under acknowledged similarities regarding spectatorship practice and performance. Despite the scope of such confluences, the extraordinary impact of the interrelationship of music and sports on popular culture has remained little recognized. McLeod ties together several influential threads of popular culture and fills a significant void in our understanding of the construction and communication of identity in the late twentieth and early twenty first centuries.

Sport Law Anita M. Moorman,2017-07-05 Sport Law A Managerial Approach third edition merges law and sport management in a way that is accessible and straightforward Its organization continues to revolve around management functions rather than legal theory Concise explanations coupled with relevant industry examples and cases give readers just enough legal doctrine to understand the important concepts that apply to each area This book will help prepare students as they get ready to assume a broad range of responsibilities in sport education or recreation Whether readers work as coaches or teachers administer professional programs manage fitness health clubs or assume roles in a high school college Olympic or professional sport organization legal concerns will inevitably be woven into their managerial concerns This book provides knowledge of the law that helps create a competitive advantage and build a more efficient and successful operation that better serves the needs of its constituents Special Features of the Book Managerial context tables Chapter opening exhibits act as organizational and study tools identifying managerial contexts in relation to major legal issues relevant law and illustrative cases for the chapter Case opinions focus cases and hypothetical cases Legal opinions both excerpted case

opinions and summarized focus cases illustrate relevant legal points and help readers understand the interplay between fact and legal theory The cases include questions for discussion and the instructor s manual provides guidance for the discussion Hypothetical cases further highlight topics of interest and include discussion questions to facilitate understanding of the material analysis and possible responses appear at the end of the chapter Competitive advantage strategies Highlighted focused strategies based on discussions in the text help readers understand how to use the law to make sound operational decisions and will assist them in working effectively with legal counsel Discussion questions learning activities and case studies Thoughtful and thought provoking questions and activities emphasize important concepts they help instructors teach and readers review the material Creative case studies stimulate readers as future sport or recreation managers to analyze situations involving a legal issue presented in the chapter Annotated websites Each chapter includes a collection of web resources to help readers explore topics further Accompanying the web addresses are brief descriptions pointing out key links and the sites benefits Bookmarking these sites will help readers in future research or throughout their careers

Mouse Tracks Tim Hollis,Greg Ehrbar,2011-08-16 Around the world there are grandparents parents and children who can still sing ditties by Tigger or Baloo the Bear or the Seven Dwarves This staying power and global reach is in large part a testimony to the pizzazz of performers songwriters and other creative artists who worked with Walt Disney Records Mouse Tracks The Story of Walt Disney Records chronicles for the first time the fifty year history of the Disney recording companies launched by Walt Disney and Roy Disney in the mid 1950s when Disneyland Park Davy Crockett and the Mickey Mouse Club were taking the world by storm The book provides a perspective on all time Disney favorites and features anecdotes reminiscences and biographies of the artists who brought Disney magic to audio Authors Tim Hollis and Greg Ehrbar go behind the scenes at the Walt Disney Studios and discover that in the early days Walt Disney and Roy Disney resisted going into the record business before the success of The Ballad of Davy Crockett ignited the in house label Along the way the book traces the recording adventures of such Disney favorites as Mickey Mouse Donald Duck Cinderella Bambi Jiminy Cricket Winnie the Pooh and even Walt Disney himself Mouse Tracks reveals the struggles major successes and occasional misfires Included are impressions and details of teen pop princesses Annette Funicello and Hayley Mills the Mary Poppins phenomenon a Disney style British Invasion and a low period when sagging sales forced Walt Disney to suggest closing the division down Complementing each chapter are brief performer biographies reproductions of album covers and art and facsimiles of related promotional material Mouse Tracks is a collector s bonanza of information on this little analyzed side of the Disney empire Learn more about the book and the authors at www.mousetracksonline.com **Mickey & Nadika** Jenna Lindsey,2012-05-23 Is there life after death For Mickey and Nadika theres not only life but love After inheriting his favorite uncles Jaguar and beach house Mickey decides to give up on love hide from the world and try to fathom his telekinetic abilities But Special Agent Nadika and the Torin Council have other plans Sent back in time to rescue Mickey from a fatal car

accident Nadika needs Mickey's telekinesis for a matter of universal importance. She expects Mickey to help; she doesn't expect to fall in love. When Nadika sends Mickey's car hurtling over a cliff, he has no choice but to join her in chasing after a space creature 300 years in the future. Along the way, they encounter gamblers, slave traders, pesky aliens, zombies, a nefarious thief, a megalomaniac, and assorted bombs and bombshells. Their secret weapon: Mickey's telekinesis.

The New York Yankees in Popular Culture David Krell, 2019-05-17 How did Reggie Jackson go from superstar to icon? Why did Joe DiMaggio's nickname change from Deadpan Joe to Joltin' Joe? How did Seinfeld affect public perception of George Steinbrenner? The New York Yankees' dominance on the baseball diamond has been lauded, analyzed, and chronicled. Yet the team's broader impact on popular culture has been largely overlooked until now. From Ruth's called shot to the Reggie candy bar, this collection of new essays offers untold histories, new interpretations, and fresh analyses of baseball's most successful franchise. Contributors explore the Yankee mystique in film, television, theater, music, and advertising.

Mickey and Willie Allen Barra, 2014-04-01 Acclaimed sportswriter Allen Barra exposes the uncanny parallels and lifelong friendship between two of the greatest baseball players ever to take the field. Culturally, Mickey Mantle and Willie Mays were light years apart. Yet they were nearly the same age and almost the same size, and they came to New York at the same time. They possessed virtually the same talents and played the same position. They were both products of generations of baseball-playing families for whom the game was the only escape from a lifetime of brutal manual labor. Both were nearly crushed by the weight of the outsized expectations placed on them, first by their families and later by America. Both lived secret lives far different from those their fans knew. What their fans also didn't know was that the two men shared a close personal friendship and that each was the only man who could truly understand the other's experience.

Mickeys Sports Songs Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has are more apparent than ever.
