New Commentary On The Whole Bible New Testament:

New Commentary on the Whole Bible: New Testament volume James Dixon Douglas, Philip Wesley Comfort, 1990
The New Commentary on the Whole Bible is based on the classic and popular commentary of Jamieson Fausset and Brown. The work is known for its careful exegesis and devotional application. This edition preserves the best of the original commentary and at the same time gives an up to date exposition of the New Testament. Daniel In God I Trust Practical Christianity Foundation, 2020-08-08 In God I trust The prophet Daniel was a man both tested and exalted His commitment to the Lord God Almighty never fluctuated He relied upon God for both life saving miracles and the smallest of provisions In this intriguing book we will examine this one man s unwavering faith in his God beginning from the time that he arrived in Babylon as a young Jew and continuing throughout his years of service under the authority of several kings and kingdoms There is perhaps no better example of godly faith dependency trust and worship than in the character of the prophet Daniel He was faithful to God and commendable before men This chapter by chapter and verse by verse exegesis of the wonderful prophetic work of Daniel in itself one of the most readable books of the Bible is a triumph This major collaborative undertaking provides a format for devotional study that challenges any other work of its kind For any reader with a thirst for irrefutable Bible knowledge this scholarly but practical approach to the study of Daniel is enthusiastically recommended The Late Dr James Kennedy Ph D Senior Minister Coral Ridge Presbyterian Church Ephesians; Philippians, 1-2 Thessalonians; Colossians, Philemon Philip Comfort, Harold W. Biblical Canon Ervin Budiselić,2024-04-30 In an age of relativism tolerance and political correctness the church is called to walk in the footsteps of Christ As his witnesses we must reject all forms of coercion and violence while simultaneously refusing to shy away from the authority and conviction that come from carrying his revelation Dr Ervin Budiseli examines the concept of witnessing in the writings of Luke contextualizing it within the larger framework of Scripture s emphasis on revelation and testimony Like Judaism Christianity is a religion of revelation where specific content must be preserved passed on and proclaimed to others Dr Budiseli explores the communal nature of this calling as well as its pneumatological implications within Luke s writings Acknowledging the tendency within the Western church to emphasize moral transformation over physical he reminds readers that Jesus s kingdom ministry was accompanied by deeds as well as words He specifically engages the dangers of normalizing a gospel disconnected from the supernatural or the miraculous as partnership with the Holy Spirit was central to the calling given to the early church This book offers a prophetic message for the church today as it seeks to fulfill its calling to faithfully witness to the revelation of Christ *1 & 2 Peter and Jude*
