Bede Griffiths Judson B. Trapnell,2001-02-22 Explores the work of spiritual

leader and writer Bede Griffiths who envisioned a union of Eastern and Western spirituality *The Joy of Encountering*

Christ Hoan Moses Chung,2025-09-23 The Joy of Encountering Christ Thomas Merton and Zen is based on Merton s pioneering work of integrating Christian spirituality with Eastern religions especially Zen Buddhism The author espouses perennial philosophy which says that human beings have an identical dynamism of the spirit oriented to God Christ is equivalent to Atman in Advaita Vedanta and the Buddha nature in Zen We don t have an individual life apart from Christ our true self is Christ who lives within us Merton s spirituality is summarized using the thirteenth century Buddhist philosopher Dogen s dictum To know Christ is to know true self To know the true self is to know the false self To know the false self is to cast off the body and mind by means of contemplation Merton single handedly lifted up Christian spirituality and made

contemplation a household word by firmly establishing that Zen provides the epistemological and structural impetus for directly experiencing God Contemplation is the process of manifesting the hidden wholeness body mind and spirit by emptying the ego self so that Christ takes ownership of our interior selves Without the wisdom and insights from Asian religious traditions the Christian proclamation fails to convey its full meaning and remains divided between God and man heaven and earth and mind and body

Meditation and Communion with God John Jefferson Davis, 2012-09-13 John Jefferson Davis summons the resources of traditional biblical meditation for a culture lost in the cloud He establishes the trinitarian view of God's real presence in Scripture and then ushers readers through three successive stages of meditation consummating in a method for deep assimilation of the Christian worldview *Bede Griffiths* Brother Wayne Teasdale, 2012-10-18 One of today's foremost mystics introduces readers to the thought of one of the most important spiritual teachers of the past century Bede Griffiths English Benedictine monk and lifelong friend of C S Lewis who was his tutor at Oxford wrote in 1955 to a friend I'm going out to India to seek the other half of my soul There he explored the intersection of Hinduism and Christianity and was a driving force behind the growth of interspiritual awareness so common today yet almost unheard of a half century ago Wayne Teasdale a longtime personal friend and student of Griffiths provides readers with an intriguing view into the thoughts beliefs and life of this champion of interreligious acceptance and harmony This volume is the first in depth study of Bede Griffiths contemplative experience and thought Fully exploring the antecedents and development of Griffiths theory that the Christian mystery can be expressed through the worldview of Hinduism Bede Griffiths An Introduction to His Interspiritual Thought is a vital starting point for any spiritual seeker who wants to understand the shared territories of these two great faiths

The Devout Christian's Help to Meditation on the Life of Our Lord Jesus Christ, and the Apostolic Church Thomas Thellusson Carter, 1868 *The Christian Remembrancer*, 1849

Spirit, Soul, Body Cyprian Consiglio, 2015 A perennial problem for spiritual traditions of all sorts is dualism either a positing of a false distance between the Divine and the created or a rejection of creation and the human body Many contemporary spiritual seekers have sensed this problem and sought to remedy it through myriad solutions drawn from various spiritual traditions and secular wisdom both Eastern and Western Cyprian Consiglio OSB Cam explores Christianity's contribution to the discussion He offers a revisioning and rearticulation of this teaching based on the prophetic seminal work of Bede Griffiths toward a practical and integral spirituality that reverences all aspects of our being human spirit soul and body
