Pat invites readers to ask themselves When my days on earth are over will I discover that I have wasted my life on meaningless things that have no lasting and eternal value Most people are living for four things fortune status power or pleasure But there are four far more meaningful and satisfying reasons for living and for dying These give purpose and value to our lives so that we can know our lives have eternal significance If you died tomorrow what would people say Starting with Jesus s statement that whoever wants to save his life will lose it but whoever loses his life for the gospel will save it Pat gives a powerful practical and encouraging plan for how to live a life that truly matters and to leave a legacy that never dies
