William Faulkner Hyatt H. Waggoner,2021-09-15 Combining explications of William Faulkner s novels and short stories with thematic analysis Hyatt H Waggoner works from the close reading of a specific work outward to its most general meanings and relationships By this method he has made a significant contribution to the understanding of Faulkner s career and artistic achievement Waggoner examines both better and lesser known works which yield valuable insights into Faulkner s development when treated in relation to his whole body of work The author also addresses the major themes which emerge from critical analyses of individual works Faulkner s uneasy relationship with his Christian background and his unchanging conception of the role of the artist related to his changing practice as a writer Waggoner concludes that Faulkner s artistic career reflects a creatively productive but tortured and ambiguous relationship with his community Blood Stained CJ Lyons,2012-02-12 An FBI agent must return to a traumatic case to protect her family and stop a killer in this small town Pennsylvania thriller Ever since she fatally disobeyed orders Supervisory Special Agent Lucy Guardino has been chained to her desk But now a mysterious letter has arrived hinting that a case she closed four years ago pinned a string of rapes and killings on the wrong man Lucy jumps at the chance to re open the case despite orders to leave well enough alone Her unofficial investigation takes her back to the small town where a killer took his own life along with one final victim a mother who left behind a grieving husband and son Could those dramatic events have all been orchestrated to protect the real killer Now with the lives of her own family at risk and a desperate boy out for vigilante justice Lucy must race to uncover the truth
